Life in Christ William Robert West,2015-09-29 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever

and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it Swedenborg's Works Emanuel Swedenborg,1907 **American Fertilizer** ,1917 A Commentary on the Holy Scriptures: Critical, Doctrinal, and Homiletical Johann Peter Lange,Philip Schaff,1868 **Genesis, Or, the First Book of Moses** Johann Peter Lange,1868 *A commentary on the holy Scriptures, by J.P.
