Wayne Miller, 2020-10-06 Mark Gray had it all together Until he didn't Remarkably creative successful in business Gray was a husband father and son of an elderly clergyman and a superhero in the online and gaming worlds Until one night in New York City when it seems he was responsible for the death of a mysterious woman Suddenly one of America's Most Wanted criminals Gray went on the run taking a journey back in time and place where he discovered a long buried secret Blue Hill is a story of mystery memory faith forgiveness and acceptance a story of lies and truths of what is real and what is fleeting Set in 1997 Blue Hill also is a fictional chronicle of an epochal real time the dawning of the Internet Age when the culture churned and the world was entering a virtual other existence Chat rooms AOL Dial up Floppy discs Files measured in kilobytes The dot com boom PlayStation Nintendo Super Mario 64 Remember Here we are today the fruits of our labor realized so to speak with Facebook Twitter Instagram disinformation viral conspiracy theories deep fake videos etcetera A new world has arrived and the real life artifacts in this novel are its roots Part thriller part fantasy and farce Blue Hill is mostly a novel about who and what matter most in this short life *The Jolliest Bunch* Danny Pellegrino, 2023-10-24 From the New York Times bestselling author of *How Do I Un Remember This* and host of the hit podcast *Everything Iconic* with Danny Pellegrino comes a collection of tragically hilarious holiday mishaps For many families the holiday season is quite frankly unhinged Whether that involves inappropriately improvised monologues at the children's Christmas pageant gifts that land someone in the emergency room or just sitting through the emotional rollercoaster of a Hallmark movie marathon the holidays are a chaotic and magical time And nobody knows this better than Danny Pellegrino For Danny the holidays are always accompanied by both merriment and mayhem And like the gay *Ghost of Christmas Past* he's here to take you on a nostalgic trip through his most festive memories in a collection of stories that are heartfelt hilarious and unfortunately true So grab your favorite winter beverage snuggle up by the crackling fireplace and turn up the holiday tunes from the pop diva of your choosing *The Jolliest Bunch* is a healthy dose of holiday cheer to prepare you for the unhinged season ahead and remind you of the moments that make all the chaos worth it *The Congregationalist* ,1915 *The Ego Plays* James Ley, 2011-10-20 Includes

the plays *Spain I Heart Maths* and *Up The* the theme of self indulgence unites the three plays in *The Ego Plays* collection At the heart of each is a gay man asking a lot of questions about himself These questions range from scientific and philosophical musings to angst ridden pleas for enlightenment They come from men who have become so trapped in their own situations that they can no longer successfully connect with the outside world *Up* is a play about despair *I Heart Maths* is a play about love and *Spain* is a play about moving on Together they present the cognitive processes of three men who have allowed personal problems to grow to monstrous proportions In each of these plays excessive self analysis leads to the main characters taking desperate measures though frequently also leading to humorous consequences But while these plays are comedies exploring the perils of taking oneself too seriously they are not intended to be cruel Instead they set their characters free by making their worst fears come true and then taking them somewhere new

The Congregationalist and Christian World, 1915 **The Christmas Countdown** Holly Cassidy, 2024-10-22 From the author of *The Christmas Wager* comes a charming holiday rom com about a young recently heartbroken woman who is tasked by her sister to complete Advent calendar challenges in the lead up to Christmas to reignite her belief in herself the holidays and love again She's given up on love and Christmas but fate has other plans All Callie wants for Christmas is to hibernate She's still reeling from being dumped by her childhood sweetheart and under no circumstances will she go home for the holidays considering her ex will be right next door with his new perfect partner Callie is officially in grinch mode but her meddling sister Anita won't let her give up on life love and Christmas quite so easily Anita stages a Christmas intervention for Callie with a homemade Advent calendar challenge cheerful tasks to push Callie out of her comfort zone and into the holiday spirit inspired by a childhood tradition Callie reluctantly plays along but when she comes face to face with a charming baker who just might be the spoonful of sugar she needs her strict rules on love and the holidays are tested As they strike a deal to do the activities together could the twenty four little doors on Callie's Advent calendar not only open up one but two closed off hearts
