Göbbels, Himmler and Göring Andrew Sangster,2019-01-18 This book contains the biographies of Hitler s three henchmen G bbels Himmler and G ring the longest loyal servants of Hitler It utilises both older biographies because of their insights and more recent scholarly publications as well as diaries such as those of G bbels and Ciano The volume illustrates that G bbels support was three fold in campaign managing propaganda and myth building Himmler s terror apparatus supressed occupied Europe and controlled Germans ensuring that Hitler retained power G ring s control of the economy and the Luftwaffe and his

personal support of Hitler were critical as demonstrated by his trial at Nuremberg but he was the weakest link from 1940 as he became virtually ineffectual In addition and new to this area of study the book introduces the work of Stephen Roberts an academic who actually met these men in 1936 and whose insights are revealing The volume also examines the question of their mental stability in the light of psychopathic studies **Himmler's Slave Labour Camps** Ian Baxter,2025-05-30

Explores the brutal exploitation and horrific conditions of forced labor camps in Nazi occupied Europe during World War II Shortly after their rise to power the Nazis established specific Arbeitslager labour camps which housed Ostarbeiter eastern workers Fremdarbeiter foreign workers and other forced labourers who were rounded up and brought in from the east These were distinct from the SS run concentration camps The use of forced labour grew significantly in 1937 due to rearmament requirements and again after the outbreak of war The invasion of the Soviet Union in June 1941 further heightened demands for labour and the availability of new workers in areas under Nazi occupation Vast numbers were deported to forced labour camps where they worked either producing war materials or on construction projects As in the Nazis view inmates were slaves pure and simple and replaceable with others there was a complete disregard for the health of prisoners Required to work long hours with little or no time for rest or breaks they were subject to insufficiencies of food equipment medicine and clothing As a result of these conditions and brutal treatment death rates were shockingly high By 1945 more than fourteen million people had been exploited in the network of hundreds of forced labour camps that stretched across Nazi occupied Europe In true Images of War series style this superbly illustrated book graphically describes the growth of the slave camp system and the conditions inflicted on the luckless labour force Heinrich Himmler Roger Manvell,Heinrich
