## Hippo Beach:

**Hippos** Sally M. Walker, 2008-01-01 Discusses the physical characteristics behavior and habitat of the common and pygmy hippopotamus and describes efforts to protect these animals from poachers and other threats [Access San Diego](#)

5e Richard Saul Wurman, 2008-08-05 With [Access San Diego](#) your visit will be an easy enjoyable experience The jewel of the West Coast a vibrant city that thrives on diversity is at your fingertips [Access San Diego](#) has been divided and organized into neighborhoods so you know where you are and where you re headed Unique color coded and numbered entries allow you to discover the best Hotels Restaurants Attractions Shopping sights Parks and Outdoor Spaces Large easy to read maps with entry numbers keyed to text ensure that you will instantly find what you must not miss [Access](#) is your indispensable walk around guide to San Diego Our writers who live in and love the city will lead you by the hand down the remarkable streets sharing the unforgettable sights and pointing out the undiscovered gems and all the majestic landmarks that only San Diego has to offer [The Leatherneck](#) , 1996 *Cabinets for the Curious* Ken Arnold, 2017-03-02 The last few years has within museums witnessed nothing short of a revolution Worried that the very institution was itself in danger of becoming a dusty forgotten culturally irrelevant exhibit vigorous efforts have been made to reshape the museum mission Fearing that history was coming to be ignored by modern society many institutions have instead marketed a de intellectualised heritage overly relying on computer technology to captivate a contemporary audience The theme of this work is that we can do much to reassess the rationale that inspires contemporary collections through a study of seventeenth century museums England s first museums were quite literally wonderful founded that is on the disciplined application of the faculty of wonder The type of wonder employed was not that post Romantic idea of disbelief but rather an active form of curiosity developed during the Renaissance particularly by the individuals who set about gathering objects and founding museums to further their enquiries The argument put forward in this book is that this museological practice of using objects actually to create as well as disseminate knowledge makes just as much sense today as it did in the seventeenth century and further that the best way of reinvigorating contemporary museums is to return to that form of wonder By taking such a comparative approach this book works both as a scholarly historical text and as an historically informed analysis of the key issues facing today s museums As such it will prove essential reading both for historians of collecting and museums and for anyone interested in the philosophies of modern museum management **California** Greg Critser, 2022-09-13T00:00:00+02:00 This beautifully illustrated guidebook takes you on a tour of California s different geographical areas each with its own character and exciting excursions from the Golden State s main attractions to hidden gems in off the beaten path destinations California is a vast territory that is unquestionably the most diversified in all of the United States With so much to see and do National Geographic Traveler California is an essential tool for every visitor providing itinerary ideas for every type of tourist from beach lovers to city dwellers to road trippers Offering ideas advice and suggestions from true Golden State connoisseurs this
