Ben Affleck requested that the actors playing the embassy refugees live together for a week in a house dressed with 1979 decor in order to get acquainted and to better understand the period. In reality, Tony Mendez was only in Teheran for a day and a half. A lot of the confidential material seized in the storming of the American Embassy can now be seen in a museum in Tehran. In a curious coincidence, the Swissair airliner that flew the six houseguests from Tehran to Zurich was code named Aargau after the canton district in Switzerland.
