Roberts,2008-07-01 I have always wanted to write this story I study the Bible on cassette CD and the Bible in book form This book Abram s Covenant Wives is based on true facts found in the Bible and in ancient history I have studied information from over twenty nine versions of the Bible Perhaps it is because I grew up in a rural area that I can relate to the step by step investment that this allegiance of Abram and his 70 is to us An investment that is being perpetuated in and through us today They obediently traveled up the mountains challenging terrain And then down through the valleys of the shadows of death That must have been a tremendous trust since one becomes a more visible prey when you travel through the valley Through incredibly cold nights and insanely hot days and unimaginable challenges the trust and faith of Abram is still traveling within us today Let s follow this newly married orphaned priest as he and his newly acquired family learn to follow God Their travels are always rewarded as they learn how all things work together for their good Get a clear look at Sarai and Hagar See the listed kings in the Valley of Shaveh as they touch eternity and meet the expanded family of King Lot Abram s Covenant Wives is a love story a war story a Bible story that allows Abram to believe God and cause you to want to read the bible version again and again as I did

Adapting Stephen King Joseph Maddrey,2021-07-26 Stephen King s fiction has formed the basis of more motion picture adaptations than any other living author Over half a century since his earliest publications Hollywood filmmakers continue to reinvent reimagine remake and reboot King s stories with mixed results This book volume 1 in a series examines the various screen adaptations of King s first three novels Carrie Salem s Lot and The Shining Reaching further than questions of fidelity

to the author and adherence to directorial visions it charts the development of each individual adaptation from first option to final cut Through old and new interviews with the writers producers and directors of these films as well as in depth analyses of produced and unproduced screenplays it illuminates the adaptation process as an intricately collaborative endeavor Rather than merely synopsise the resulting stories its goal is to compare contrast and contextualize each of these adaptations as the products of their creators

Inspiration From a Masterpiece D.C. Schorno,2021-11-18 Are you created or invented Do you know Have you ever had this question cross your mind Unfortunately mainstream America has never posed this question to people We ve left out the designer the potter the sculptor the painter and the great poet In this book I hope to open the door that has been closed for many years Our education system in this nation is deeply secular and humanistic We are encouraged from the day we enter grade school to find what we love and have an interest in and then pursue those dreams and we will find happiness and fulfillment Sadly this has turned out to be bad advice for many students upon reaching adulthood Disillusioned and following their dreams they work many years in occupations soon realizing again and again and job after job they have lost the passion they once knew Now determined more than ever to locate a new career these people move on to their next dream In these pages I hope to bring some clarity to this dilemma in which a majority of us encounter at some point in our life walk I will also feature real life stories of people who shared moments in my life some with significant and positive outcomes and some unfortunately with tragic endings not easy to understand or for some folks to accept I hope this book will encourage and inspire everyone who picks it up to read and find the hidden lessons in each story God has crafted each and every one of his children with intimate brush strokes which are yours and yours only which no other painting receives Instead of inventing yourself over and over again in a lifetime of nurturing frustration and disappointment find out what God created you to be In this book I will share real stories with different perspectives regarding uniqueness purpose destiny vocation as well as how to know when to be patient waiting on the Lord and knowing when to be content in your vocation Learning to hone a keen eye how to look for God and his plan and accepting the mysteries and unknowns which God will never reveal to us here on this earth You may ask well what or where did you acquire this wisdom and insight I ve gathered these experiences over a lifetime of doubts and unknowns and frustration Therefore it s my desire to share them with everyone who is brave enough to take the journey in discovering their true
