King Incorporated Leopold II And The Congo:

The King Incorporated Neal Ascherson, 1999 Leopold II and his use of economic power to extend his royal authority
TRIUMPH OF RACISM: The History of White Supremacy in Africa and How Shithole Entered the U.S Presidential

Lexicon Emmanuel Neba-Fuh, 2021-04-05 Emmanuel Neba Fuh in this comprehensive chronological compilation and thorough narrative of the history of white supremacy in Africa provide an unflinching fresh case that African poverty a central tenet of the shithole demonization is not a natural feature of geography or a consequence of culture but a direct product of imperial extraction from the continent a practice that continues into the present A brutal and nefarious tale of slave trade genocides massacres dictators supported progressive leaders murdered weapon smuggling cloak and dagger secret services corruption international conspiracy and spectacular military operations he raised the most basic and fundamental question how was Africa the world's richest continent raped and reduced to what Donald J Trump called shithole V Mbanwie

The Supremacist Syndrome Marsh, Peter, 2021-03-10 A careful and compelling examination of human supremacism underlies ideologies such as anti-Semitism genocide racism misogyny and cruelty to animals Proponents of human exceptionalism claim that only humans possess certain morally significant capacities and as a result are entitled to be treated better than members of all other species In the last fifty years scientists have discovered how these capacities are shared by other species which only raises the questions of how and why we evade responsibility for inhumane behavior not only to animals but to one another To answer these questions independent scholar Peter Marsh examines in depth three different ideologies ethnonationalist supremacism the Holocaust in Hungary racial supremacism the rule of King Leopold II of Belgium in the Congo and gender based supremacism men's treatment of women in Victorian and Edwardian England He shows how supremacists applied mechanisms of moral disengagement to legitimize and evade personal responsibility for oppressing and exploiting members of a less powerful group Marsh then considers whether these different types of supremacism have common features and compares them to the way we treat animals to examine whether that too causes unjustified harm to members of a weaker group and is wrong in the same way racism sexism and other supremacist ideologies are Finally he asks the what we can do to overcome human supremacism and other supremacist ideologies providing practical examples of cross cultural collaboration humane education veganism and extending concepts of identity beyond borders of culture race and nation as Europeans have done by establishing the European Union

Overing,Ulrike Wiethaus,2016-10-10 This volume offers a dialogue with and through the medieval informed by cultural categories of performativity and simultaneity in on line media architecture film poetry and social formations The articles depart from Medievalism Studies and attempt to answer questions such as How do medievalists artists writers and entertainment industries communicate replicate and evoke medieval formations How do national and transnational discursive fields relate to understandings of the medieval in its many unstable states Where are the communal memory sites and what functions do they serve for those who are associated with them Where are the medieval disjunctions and conjunctions of race ethnicity and time in a settler society And what do place nature and landscape have to do with it A History of Genocide in Africa Timothy J. Stapleton,2017-04-17 Based on a series of detailed case studies this book presents the history of genocide in Africa within the specific context of African history examining conflicts in countries such as Burundi Democratic Republic of Congo Namibia Rwanda and Sudan Why has Africa been the subject of so many accusations related to genocide Indeed the number of such allegations related to Africa has increased dramatically over the past 15 years Popular racist mythology might suggest that Africans belong to tribes that are inherently antagonistic towards each other and therefore engage in tribal warfare which cannot be rationally explained This concept is wrong as Timothy J Stapleton explains in A History of Genocide in Africa the many conflicts that have plagued post colonial Africa have had very logical explanations and very few of these instances of African warring can be said to have resulted in genocide Authored by an expert historian of Africa this book examines the history of six African countries Namibia Rwanda Burundi Democratic Republic of Congo Sudan and Nigeria in which the language of genocide has been mobilized to describe episodes of tragic mass violence It seeks to place genocide within the context of African history acknowledging the few instances where the international legal term genocide has been applied appropriately to episodes of mass violence in African history and identifying the many other cases where it has not and instead the term has been used in a cynical manipulation to gain some political advantage Readers will come to understand how to a large extent genocide accusations related to post colonial Africa have often served to prolong wars and cause greater loss of life The book also clarifies how in

areas of Africa where genocides have actually occurred there appears to have been a common history of the imposition of racial ideologies and hierarchies during the colonial era which when combined with other factors such as the local geography demography religion and or economics resulted in tragic and appalling outcomes

The Broken Voice Robert Eaglestone,2017-06-02 Which writer today is not a writer of the Holocaust asked the late Imre Kert sz Hungarian survivor and novelist in his Nobel acceptance speech one does not have to choose the Holocaust as one s subject to detect the broken voice that has dominated modern European art for decades Robert Eaglestone attends to this broken voice in literature in order to explore the meaning of the Holocaust in the contemporary world arguing again following Kert sz that the Holocaust will remain through culture which is really the vessel of memory Drawing on the thought of Hannah Arendt Eaglestone identifies and develops five concepts the public secret evil stasis disorientalism and kitsch in a range of texts by significant writers including Kazuo Ishiguro Jonathan Littell Imre Kert sz W G Sebald and Joseph Conrad as well as in work by victims and perpetrators of the Holocaust and of atrocities in Africa He explores the interweaving of complicity responsibility temporality and the often problematic powers of narrative which make up some part of the legacy of the Holocaust

Voice of the Ancestors: Removing the Shackles and Chains from Your Mind Chase McGhee,2019-03-20 Going through life as a Black person it can often seem with good reason that the system is rigged against you You re basically forced to play life on hard mode with no end or reward in sight walking on eggshells when interacting with the wider world and having to question if you will ever be good enough Sometimes especially if you re focused on improving yourself you re forced to prove yourself to both subordinates peers and superiors that you re more than your less than ideal background But it doesn t have to be this way In this powerful guide to self improvement designed for black people Chase McGhee has taken it upon himself to carefully re educate and re acquaint every black man woman and child with our history and open your eyes to our collectively vast potential just waiting to be tapped With profound insights into black history economics and culture that has yet to be taught on a systemic level Voice of the Ancestors is a book that is full of unconventional yet effective solutions for problems that we ve been forced to deal with as a race providing people of color everywhere with a solid foundation their consciousness needed to build a strong prosperous black culture

American Imperialist Arwen Mohun,2023-11-16 The work of imperialism requires imperialists But who were the everyday people who willingly served the traditional European empires Why did they do things that ranged from thoughtless and amoral to criminal and unforgivable With unblinking clarity and precision Arwen Mohun here interrogates the life and actions of her great grandfather Richard Dorsey Mohun an American who abetted King Leopold of Belgium s horrific exploitation of the Congo Free State Mohun details his careless and racist use of power revealing him as an all too unreflective ambassador of American corporate imperialism She seeks not to excuse Dorsey but to understand how individual desire and imperial lust fueled one another to catastrophic ends
