### **King Of The Castle Paperback By McCabe Eugene:**

*The Cambridge Paperback Guide to Theatre* Sarah Stanton, Martin Banham, 1996-03-07 Derived from The Cambridge guide to theatre\_ *Twentieth-Century Irish Drama* Christopher Murray, 2000-05-01 This work provides an overview of Irish theatre read in the light of Ireland's self definition Mediating between history and its relations with politics and art it attempts to do justice to the enabling and mirroring preoccupations of Irish drama *Fathers and Sons at the Abbey Theatre (1904-1938)* Fabio Luppi, 2018-03-15 Fathers and Sons at the Abbey Theatre demonstrates how the literary archetype of the clash between fathers and sons and the subsequent depiction of anti oedipal figures become a major concern for the playwrights writing in a specific and crucial moment of Irish history 1904 1938 The father can be conceived both as a historical political metaphor as well as a real father in a specific historical and social context The classical models employed as theoretical tools to nuance the argument Laius and Oedipus Ulysses and Telemachus Aeneas and Anchises Priam and Hector Hector and Astyanax are challenged by the Christian example of Abraham and Isaac subversively adjusted by Yeats to provide a tragic reading of post colonial Ireland All of these pairings provide archetypes for the understanding of complex personal and familial dynamics The book takes into consideration not only the most famous figures of the Irish National Theatre as W B Yeats J M Synge Augusta Gregory and Sean O Casey but also overlooked authors such as T C Murray Padraic Colum Paul Vincent Carroll Lennox Robinson Denis Johnston George Shiels St John Ervine Teresa Deevy Many commentators have written about the playwrights of the Abbey Theatre mainly focusing on politics social classes Irish identity cultural issues and linguistic aspects no thorough analysis of the clash between generations has been published so far Those who have tackled the issue have devoted their attention to a single author or to a single aspect this study aims to demonstrate that the repeated occurrence of anti oedipal figures and of the archetype of the clash between fathers and sons a clear manifestation of the need of emancipation from oppressive authorities and of change in Irish society must be read as a common phenomenon and as a shared concern The book is written for people interested in Irish studies post colonial studies and theatre studies [Everything Irish](#) Lelia Ruckenstein, James O'Malley, 2013-11-20 Here in one complete volume is the depth and breadth of the great island nation and its people represented in an easily browsed friendly format From the Abbey Theatre to the Dublin storyteller Zozimus from the origin of the Troubles to the origin of the limerick from the stunning beauty of Connemara to the shattering tragedy of Bloody Sunday from the greatest writers of the English language to the confrontational television of Gay Byrne's The Late Late Show every aspect of Irish culture geography and history is collected and annotated in more than 900 entries from A to Z Readers will encounter heroes and terrorists poets and politicians all of Ireland's counties ancient myths and pivotal events all expertly and succinctly described and explained With entries written by some of the world's leading authorities on Ireland Everything Irish is perfect for everyone from the inquiring reader to the serious student You can spend a few minutes learning about the much maligned Travelers and then

move on to the equally contentious in its time medieval title Visit the majestic Cliffs of Moher and then delve into an analysis of paramilitary groups like the Irish Republican Army and the Ulster Volunteer Force Explore the ruins of a Romanesque castle or experience the piercing light of the winter solstice inside prehistoric Newgrange a passage grave older than the pyramids Across centuries and across counties the rich landscape of Irish life and heritage springs to life in these pages An indispensable source of fascinating information and captivating anecdote this is one book that will never be far from the hands of those with curious minds or an adventurous spirit **Godfool** Pádraig Standún,2011 **Buffoonery in Irish**

**Drama** Kathleen Heinige,2009 Generations of Irish playwrights have tried to assert the reputation of the stage Irish figure as other than comic but each effort was in its turn assailed as buffoonery Using post colonial and performative theory Buffoonery in Irish Drama demonstrates the ways the Irish struggled to create a sense of identity in a colonial structure and it explores the distortion and appropriation of that new identity that elicit further calls to eradicate negative stereotypes Demonstrating the pervasiveness of the reclamation efforts Buffoonery in Irish Drama covers a wide range of well known and obscure plays to show the trajectory of twentieth century drama that brings us into a globalized twenty first century Ireland
