*Kingpin* Bruce Jones,2004-04      A Kingpin's Dynasty Tina J,2018-01-03 *Dynasty* Sutton is a twenty four year old woman who has suffered a lot in her young life All she wants to do is move on from her past and start over Unfortunately there are people who feel she hasn't paid for her sins and will stop at nothing to make sure she does The battle never ends and the one she considered her best friend reveals a secret she's kept hidden for years Menace is the man in the streets and like always women want him However he loves Quana and has done any and everything to keep her happy Unfortunately she isn't the woman he fell in love with and he begins to distance himself from her He crosses paths with a woman he's never seen before and instead of exchanging numbers they go their separate ways They do meet again and things don't go as planned Joakim and Taylor have been doing well keeping their relationship under wraps That is until he falls victim to another woman and she claims he fathered her child Not wanting a kid with her not only causes turmoil with Taylor but drives her straight into the arms of someone else A person who will have a few surprises of his own      A Kingpin's Dynasty 3 Tina J,2018-01-14 Once again someone is after *Dynasty* It's like she can't catch a break no matter what However the time arrives where she comes face to face with the exact person who betrayed her Ruthie Unfortunately the hatred is evident and she refuses to let *Dynasty* live a happy life if she can't Menace is fed up with the women in his past trying to destroy what he's building with *Dynasty* and makes them all regret it In the process there's one person helping Quana and Block bring him down but will he succeed or does Menace figure it out in enough time to stop it Taylor has had enough of Donnell terrorizing her and revises a plan to make sure he can no longer bother her or anyone else The problem is he disappears only to resurface where she least expects Trying not to let fear overtake her she plays it cool but what he does is unthinkable and time is running out to save her Valley finds out who Jen slept with and left her at the church Devastated and heartbroken Jen comes to grips with him never coming back and decides to move on with her life The guy from her past will only allow it if he's the one she moves on with In the finale of *A Kingpin's Dynasty* find out who will survive and who doesn't      **The Act of Love** Cache' Ivonne' Jhaime',2023-03-28 Something is happening something very peculiar visions just won't let up Sapphire has been having these visions for far too long what is it about Why is it happening The mystery lingers on At only nine years old these mysteries are still happening Now that she is all grown up one discovery will lead her to the next discovery Sapphire feels like the light of the world has invoked her most inner spirits With a beyond ordinary gift that she inhabits her light team is constantly guiding her and also helping her to understand her purpose which pretty soon will lead her to her destiny Discovering something sweet and fragile a gift given from the unknown But despite of her beautiful nature she must go through the motions that are just ahead of her to fully understand the world around her With such a kind gentle soul and heart she will stop at nothing to help those along her journey and it's not always sweet It is ever so challenging She is aware that life is all about experiences but nothing is ever tickled sweet She will soon learn about a mission that has been written in the stars Sometimes things can

be so simple dangerous weird and uncomfortable But it s a courageous thing to have the strength and power to fear nothing making the effort to see the intention through With the support of her friends things are about to become very strange for her snatching her out of her comfort zone It is up to Sapphire to show just how strong powerful and determined she is but even with that is a challenge within itself She will have to put all of her logical knowledge wisdom and faith to the test To see this intent through Although this may be dangerous a gamble and maybe even a struggle But in the end it will all turn out to be sweet But you ll just have to see to find out Drama lies drugs a violent history lust discovery faith true love trust murder and digging out the truth despite of the nature of the circumstance All simmer into this thing we all call life of experiences

Lucas,2013 As a little one hearing JFK speak for the first time made me want to be just like him For some reason his words went straight to my heart filling my heart with something wonderful It is a feeling that I later came to understand as a desire to serve to pursue a life of public service My desire was for this ideal These feelings have taken me on a long and tortuous journey I have been a public servant most of my life I have gone from a poor little black child laborer contractor and teacher to politician lawyer and judge But strangely enough my journey did not end there My journey did not end with political success Strangely enough I discovered that my desire and my ideal meant something deeper and even more wonderful I discovered that it meant something above and beyond politics something for everyone I discovered something good for every single person the ideal life a life of true purpose Not something for the far distant future but something that can be achieved in the here and now And I want to share my experiences of this process the Tao with you      The Bruno Johnson Trilogy David Putnam,2017-01-10 Ex cop Ex con Committed Vigilante With a Soft Spot for Kids Ex cop ex con Bruno Johnson and the fearless Marie have illegally rescued children from abusive homes and smuggled them to a safe haven in Costa Rica As the action moves from The Disposables to The Replacements and then to The Squandered Bruno and Marie are repeatedly forced back to the United States where they face treachery violence and looming incarceration The Bruno Johnson Crime Series is fast paced and relentless while also heartfelt and authentic written by a best selling author whose career has spanned several areas of law enforcement Perfect for fans of Robert Crais and Michael Connelly While all of the novels in the Bruno Johnson Crime Series stand on their own and can be read in any order the publication sequence is The Disposables The Replacements The Squandered The Vanquished The Innocents The Reckless The Heartless The Ruthless The Sinister
