

A medieval manuscript illustration depicting a king and a pope. The king, on the left, is seated on a throne, wearing a red robe and a crown, and holding a scepter. The pope, on the right, is seated on a throne, wearing a white robe and a papal tiara, and holding a crozier. They are both looking towards the center. Above them is a large, circular, golden halo or sun. The background is a reddish-brown color with some architectural details.

THE KING'S TWO BODIES

A STUDY IN
MEDIEVAL POLITICAL THEOLOGY

Kings Two Bodies A Study In Mediaeval Po:

The King's Two Bodies Ernst Hartwig Kantorowicz, 1997 First published in 1957 Ernst Kantorowicz's *THE KING'S TWO BODIES* traces the King's two bodies the body politic and the body natural back to the Middle Ages By placing the concept in its proper setting of medieval thought and political theory Kantorowicz demonstrates how the early modern Western monarchies gradually began to develop a political theology illustrations [The King's Two Bodies](#) Ernst Hartwig Kantorowicz, 1970 First published in 1957 Ernst Kantorowicz's *THE KING'S TWO BODIES* traces the King's two bodies the body politic and the body natural back to the Middle Ages By placing the concept in its proper setting of medieval thought and political theory Kantorowicz demonstrates how the early modern Western monarchies gradually began to develop a political theology illustrations Copyright Libri GmbH All rights reserved *Medieval Britain, c.1000-1500* David Crouch, 2017-04-06 Though England was the emerging super state in the medieval British Isles its story is not the only one Britain can offer there is a wider context of Britain in Europe and the story of this period is one of how European Latin and French culture and ideals colonised the minds of all the British peoples This engaging and accessible introduction offers a truly integrated perspective of medieval British history emphasising elements of medieval life over political narrative and offering an up to date presentation and summary of medieval historiography Featuring figures maps a glossary of key terms a chronology of rulers timelines and annotated suggestions for further reading and key texts this textbook is an essential resource for undergraduate courses on medieval Britain Supplementary online resources include additional further reading suggestions useful links and primary sources [The King's Two Maps](#) Daniel Birkholz, 2004-03-01 While a culture may have a dominant way of mapping its geography is always plural and there is always competition among conceptions of space Beginning with this understanding this book traces the map's early development into an emblem of the state and charts the social and cultural implications of this phenomenon This book chronicles the specific technologies both material and epistemological by which the map shows itself capable of accessing organizing and reorienting a tremendous range of information [Alexander III, 1249-1286](#) Norman H. Reid, 2019-05-23 Winner of the Saltire Society Scottish History Book of the Year Presiding over an age of relative peace and prosperity Alexander III represented the zenith of Scottish medieval kingship The events which followed his early and unexpected death plunged Scotland into turmoil and into a period of warfare and internal decline which almost brought about the demise of the Scottish state This study fills a serious gap in the historiography of medieval Scotland For many decades even centuries Scotland's medieval kingship has been regarded as a close likeness of the English monarchy having been modernised in that image by the twelfth and thirteenth century kings who had close relationships with their southern counterparts Recent research has cast doubt on that view and this examination of Alexander III's reign is based on a view of Scottish kingship which depends on much firmer continuity with its earlier celtic past It challenges accepted truth revealing that the nature of state and government and the relationships

between ruler and subject were quite different from the previous received view On the cusp of a dynastic catastrophe which led to economic and political disaster Alexander III's reign captures a snapshot of Scotland at the end of a period of sustained peace and development a view of the medieval state as it really was **Servant of the Crown and Steward of the Church** William Chester Jordan, 2019-11-20 In the thirteenth century radical reformers churchmen devout laywomen and laymen and secular rulers undertook Herculean efforts aimed at the moral reform of society No principality was more affected by these impulses than France under its king Louis IX or Saint Louis The monarch surrounded himself with gifted energetic moralists to carry out his efforts *Servant of the Crown and Steward of the Church* explores the career of one of the most influential of King Louis's reformers Philippe of Cahors Born into a bourgeois family dwelling on the periphery of the medieval kingdom of France Philippe rose through the ecclesiastical hierarchy to the office of judge There he came to the attention of royal administrators who recommended him for the king's service He ascended rapidly and was eventually entrusted with the royal seal effectively making constituting him the chancellor of the kingdom the highest member of the royal administration Louis IX secured his election as bishop of Reims in 1269 Using the records of Philippe's work in Reims Paris and Reims William Chester Jordan reconstructs Philippe's career providing a fascinating portrait of the successes and failures of reform in the thirteenth century *Biblical Readings and Literary Writings in Early Modern England, 1558-1625* Victoria Brownlee, 2018-03-30 The Bible had a profound impact on early modern culture and bible reading shaped the period's drama poetry and life writings as well as sermons and biblical commentaries This volume provides an account of the how the Bible was read and applied in early modern England It maps the connection between these readings and various forms of writing and argues that literary writings bear the hallmarks of the period's dominant exegetical practices and do interpretative work Tracing the impact of biblical reading across a range of genres and writers the discussion demonstrates that literary reimaginings of and allusions to the Bible were common varied and ideologically evocative The book explores how a series of popularly interpreted biblical narratives were recapitulated in the work of a diverse selection of writers some of whom remain relatively unknown In early modern England the figures of Solomon Job and Christ's mother Mary and the books of Song of Songs and Revelation are enmeshed in different ways with contemporary concerns and their usage illustrates how the Bible's narratives could be turned to a fascinating array of debates In showing the multifarious contexts in which biblical narratives were deployed this book argues that Protestant interpretative practices contribute to and problematize literary constructions of a range of theological political and social debates **Praxis** Friedrich Kratochwil, 2018-08-16 Presents a shift from the accepted international relations standard of theorizing by analyzing policy decisions made in non ideal conditions within a broader framework of practical choices emphasizing both historicity and contingency as exemplified by changing practices in the international arena *Identity, Ritual, and Power in Colonial Puebla* Frances L. Ramos, 2012-09-27 Located between Mexico City and Veracruz Puebla has been a political hub since its founding as Puebla de los Angeles in 1531

Frances L Ramos's dynamic and meticulously researched study exposes and explains the many and often surprising ways that politics and political culture were forged, tested and demonstrated through public ceremonies in eighteenth century Puebla, colonial Mexico's second city. With Ramos as a guide, we are not only dazzled by the trappings of power: the silk canopies, brocaded robes and exploding fireworks, but are also witnesses to the public spectacles through which municipal councilmen consolidated local and imperial rule. By sponsoring a wide variety of carefully choreographed rituals, the municipal council made locals into audience participants and judges of the city's tumultuous political life. Public rituals encouraged residents to identify with the Roman Catholic Church, their respective corporations, the Spanish Empire and their city, but also provided arenas where individuals and groups could vie for power. As Ramos portrays the royal oath ceremonies, funerary rites, feast day celebrations, viceregal entrance ceremonies and Holy Week processions, we have to wonder who paid for these elaborate rituals and why. Ramos discovers and decodes the intense debates over expenditures for public rituals and finds them to be a central part of ongoing efforts of councilmen to negotiate political relationships. Even with the Spanish Crown's increasing disapproval of costly public ritual and a worsening economy, Puebla's councilmen consistently defied all attempts to diminish their importance. Ramos innovatively employs a wealth of source materials, including council minutes, judicial cases, official correspondence and printed sermons, to illustrate how public rituals became pivotal in the shaping of Puebla's complex political culture.

New Spaces for French and Francophone Cinema James F. Austin, 2009-01-01. On the occasion of the fiftieth anniversary of the French Nouvelle Vague, this volume of Yale French Studies aims to take the pulse of French and Francophone cinema today by exploring the national, transnational and post-colonial spaces of twenty-first century France. From publisher description.

Plenitude of Power Robert C. Figueira, 2016-04-22. I study power so Robert Louis Benson described his work as a scholar of medieval history. This volume unites papers by a number of his students dealing with matters central to Benson's historical interests: ecclesiastical institutions and administration, emperorship and papacy, canon law, political ideology and historiography. The justification and exercise of political power is considered in two chapters that look at how the hagiography of a late Roman military saint, Maurice, was harnessed in the 11th century to the discussion of the power exercised by both emperor and pope and how both pious purpose and political pretext animated the Hohenstaufen emperors' suppression of heresy. Three subsequent chapters focus on the Church: a study of the legal commentaries that taught that the authority to bind and loose in a specific ecclesiastical matter could be determined by the opinions of the elders of the province; an argument that Innocent III's administration of the Roman church represented a model for the ordering of all Christian society; and an inquiry into the doctrinal formation of the territorial principle in the exercise of jurisdiction by papal legates. The late Middle Ages provides the focus for two additional studies: namely, an exploration of the issues of power and authority in the charitable institutions of Cologne in the 13th-14th centuries and the argument that the current desire for universal standards of governmental conduct in the area of basic human rights harkens back to natural

law theory as outlined in the 15th century by Nicholas of Cusa Two historiographical studies round out the volume an estimation of modern research regarding the political theology of late antiquity and a reflection on Benson s own contribution to historical scholarship Together these papers both epitomize and further develop Benson s distinctive approach to the study of the Middle Ages while themselves making their own important contribution

The Theatre of Imagining Ulla

Kallenbach,2018-07-13 This book is the first comprehensive analysis of the fascinating and strikingly diverse history of imagination in the context of theatre and drama Key questions that the book explores are How do spectators engage with the drama in performance and how does the historical context influence the dramaturgy of imagination In addition to offering a study of the cultural history and theory of imagination in a European context including its philosophical physiological cultural and political implications the book examines the cultural enactment of imagination in the drama text and offers practical strategies for analyzing the aesthetic practice of imagination in drama texts It covers the early modern to the late modernist period and includes three in depth case studies William Shakespeare s Macbeth c 1606 Henrik Ibsen s A Doll s House 1879 and Eug ne Ionesco s The Killer 1957

Early Medieval Studies in Memory of Patrick Wormald Stephen

Baxter,Catherine Karkov,Janet L. Nelson,David Pelteret,2017-05-15 Patrick Wormald was a brilliant interpreter of the Early Middle Ages whose teaching writings and generous friendship inspired a generation of historians and students of politics law language literature and religion to focus their attention upon the world of the Anglo Saxons and the Franks Leading British American and continental scholars his colleagues friends and pupils here bear witness to his seminal influence by presenting a collection of studies devoted to the key themes that dominated his work kingship law and society ethnic religious national and linguistic identities the power of images pictorial or poetic in shaping political and religious institutions Closely mirroring the interests of their honorand the collection not only underlines Patrick Wormald s enormous contribution to the field of Anglo Saxon studies but graphically demonstrates his belief that early medieval England and Anglo Saxon law could only be understood against a background of research into contemporary developments in the nearby Welsh Scottish Irish and Frankish kingdoms He would have been well pleased therefore that this volume should make such significant advances in our understanding of the world of Bede of the dynasty of King Alfred and also of the workings of English law between the seventh and the twelfth century Moreover he would have been particularly delighted at the rich comparisons and contrasts with Celtic societies offered here and with the series of fundamental reassessments of aspects of Carolingian Francia Above all these studies present fundamental reinterpretations not only of published written sources and their underlying manuscript evidence but also of the development of some of the dominant ideas of that era In both their scope and the quality of the scholarship the collection stands as a fitting tribute to the work and life of Patrick Wormald and his lasting contribution to early medieval studies

The Cultural Power of Medieval Monarchy Manuel Alejandro Rodríguez de la Peña,2023-09-22

This book focuses on why the diffusion of the political theology of royal wisdom created Solomonic princes with intellectual

interests all around the medieval West and how these learned rulers changed the face of Western Europe through their policies and the cultural power of medieval monarchy Princely wisdom narratives have been seen simply as a tool of royal propaganda in the Middle Ages but these narratives were much more than propaganda being rather a coherent ideology which transformed princely courts shaped mentalities and influenced key political decisions This cultural power of medieval monarchy was channelled mainly through princely patronage of learning and the arts but the rise of administrative monarchy and its bureaucracy are equally related to these policies This can only be understood through a cultural approach to the history of medieval politics that is a history of the relationship between knowledge and power in the Middle Ages a topic much analyzed regarding the medieval church but sometimes neglected in the princely sphere This volume is a study that supplies an important comparative study of the reception in princely courts of a key aspect of European medieval civilization The ideal of Christian sapiential rulership and its corollary rationality in government This volume is essential reading for students and scholars interested in understanding the medieval roots of the cultural process which gave rise to the modern state

The Royal Minorities of Medieval and Early Modern England Charles Beem, 2008-10-27 This study covers the history of the underage male kings of England examining their historical relationship to one another and assessing their collective impact on the political and constitutional development of England

The Winter Palace and the People Susan McCaffray, 2018-09-21 St Petersburg's Winter Palace was once the supreme architectural symbol of Russia's autocratic government Over the course of the nineteenth and early twentieth centuries it became the architectural symbol of St Petersburg itself The story of the palace illuminates the changing relationship between monarchs and their capital city during the last century and a half of Russian monarchy In *The Winter Palace and the People* Susan McCaffray examines interactions among those who helped to stage the ceremonial drama of monarchy those who consumed the spectacle and the monarchs themselves In the face of a changing social landscape in their rapidly growing nineteenth century capital Russian monarchs reoriented their display of imperial and national representation away from courtiers and toward the urban public When attacked at mid century monarchs retreated from the palace As they receded the public claimed the square and the artistic treasures in the Imperial Hermitage before claiming the palace itself By 1917 the Winter Palace had come to be the essential stage for representing not just monarchy but the civic life of the empire nation What was cataclysmic for the monarchy presented to those who staffed the palace and Hermitage not a disaster but a new mission as a public space created jointly by monarch and city passed from the one to the other This insightful study will appeal to scholars of Russia and general readers interested in Russian history

Body and Sacred Place in Medieval Europe, 1100-1389 Dawn Marie Hayes, 2004-11-23 *Body and Sacred Place in Medieval Europe* investigates the medieval understanding of sacred place arguing for the centrality of bodies and bodily metaphors to the establishment function use and power of medieval churches Questioning the traditional division of sacred and profane jurisdictions this book identifies the need to consider non

devotional uses of churches in the Middle Ages Dawn Marie Hayes examines idealized visions of medieval sacred places in contrast with the mundane and profane uses of these buildings She argues that by the later Middle Ages as loyalties were torn by emerging political economic and social groups the Church suffered a loss of security that was reflected in the uses of sacred spaces which became more restricted as identities shifted and Europeans ordered the ambiguity of the medieval world Trauma in Medieval Society ,2018-06-12 Trauma in Medieval Society is an edited collection of articles from a variety of scholars on the history of trauma and the traumatised in medieval Europe Looking at trauma as a theoretical concept as part of the literary and historical lives of medieval individuals and communities this volume brings together scholars from the fields of archaeology anthropology history literature religion and languages The collection offers insights into the physical impairments from and psychological responses to injury shock war or other violence either corporeal or mental From biographical to socio cultural analyses these articles examine skeletal and archival evidence as well as literary substantiation of trauma as lived experience in the Middle Ages Contributors are Carla L Burrell Sara M Canavan Susan L Einbinder Michael M Emery Bianca Frohne Ronald J Ganze Helen Hickey Sonja Kerth Jenni Kuuliala Christina Lee Kate McGrath Charles Louis Morand M tivier James C Ohman Walton O Schalick III Sally Shockro Patricia Skinner Donna Trembinski Wendy J Turner Belle S Tuten Anne Van Arsdall and Marit van Cant

Death in Medieval Europe Joelle Rollo-Koster,2016-10-04 Death in Medieval Europe Death Scripted and Death Choreographed explores new cultural research into death and funeral practices in medieval Europe and demonstrates the important relationship between death and the world of the living in the middle ages This volume explores overarching topics such as burials commemorations revenants mourning practices and funerals capital punishment suspicious death and death registrations using case studies from across Europe including England Iceland and Spain Drawing together and building upon the latest scholarship this book is essential reading for all students and academics of death in the medieval period **Prophecy and Public Affairs in Later Medieval**

England Lesley Ann Coote,2000 The nature of political prophecy in the middle ages analysed confirming its importance in the discussion of public affairs In this first general survey of political prophecy in medieval England for almost a hundred years Lesley Coote examines the nature of political prophecy its audience and its reception She compares the discourse of prophecy with other related discourses and demonstrates how it functioned as a political language A study of extant manuscripts produces an account of the importance of political prophecy in later medieval England from its emergence in the twelfth century to the end of the middle ages What emerges from this study is a political language which was neither peripheral to English political consciousness nor merely a game for intellectuals but a major language for the discussion of public affairs In this language were presented ideas of Englishness and the aspirations of a national community which included the imminent revelation of a great crusading hero ruler a second Arthur who would lead his people into the Last Days The book is completed with a handlist of manuscripts containing political prophecies Dr LESLEY A COOTE is a

Research Fellow in the Department of English at the University of Hull Valuable research tool Handlist of manuscripts containing political prophecies

Kings Two Bodies A Study In Mediaeval Po Introduction

Kings Two Bodies A Study In Mediaeval Po Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Kings Two Bodies A Study In Mediaeval Po Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Kings Two Bodies A Study In Mediaeval Po : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Kings Two Bodies A Study In Mediaeval Po : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Kings Two Bodies A Study In Mediaeval Po Offers a diverse range of free eBooks across various genres. Kings Two Bodies A Study In Mediaeval Po Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Kings Two Bodies A Study In Mediaeval Po Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Kings Two Bodies A Study In Mediaeval Po, especially related to Kings Two Bodies A Study In Mediaeval Po, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Kings Two Bodies A Study In Mediaeval Po, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Kings Two Bodies A Study In Mediaeval Po books or magazines might include. Look for these in online stores or libraries. Remember that while Kings Two Bodies A Study In Mediaeval Po, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Kings Two Bodies A Study In Mediaeval Po eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Kings Two Bodies A Study In Mediaeval Po full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Kings Two Bodies A Study In Mediaeval Po eBooks, including some popular titles.

FAQs About Kings Two Bodies A Study In Mediaeval Po Books

What is a Kings Two Bodies A Study In Mediaeval Po PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Kings Two Bodies A Study In Mediaeval Po PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Kings Two Bodies A Study In Mediaeval Po PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Kings Two Bodies A Study In Mediaeval Po PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Kings Two Bodies A Study In Mediaeval Po PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
