Latest Illusion:

The Last Illusion Porochista Khakpour, 2014-05-13 A kaleidoscopic tale inspired by a legend from the medieval Persian epic Book of Kings follows the coming of age of a feral Middle Eastern youth in New York City on the eve of the September 11 attacks By the award winning author of *Sons and Other Flammable Objects* 25 000 first printing *The Illusionist's Masquerade: Demoiselle de la Lune* Evangela Moore, *New York Magazine*, 1991-06-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Barrington Moore Jr** Dennis Smith, 2017-10-03 This title was first published in 1983 Throughout this present book author states his objective will be to elicit Moore's approach to the question he regards as central how may historical knowledge be used by men and women in order to comprehend and master their destiny within the limits of their moral and rational development and the stage of evolution reached by the societies and the global order to which they belong This study is divided into four parts In the first part an account of the text of *Social Origins* will be followed by on the one hand an analysis of the political and intellectual context in which it appeared and on the other hand a survey of reviews In the second part attention will be paid to the development of Moore's theoretical approach In the third part the major political and historical studies will be analysed Soviet Politics and *Social Origins* will be discussed first In the fourth part Moore's approach to historical analysis and political theory will be contrasted with those of a number of his contemporaries Finally Moore's work will be related to the concerns of critical theory and the project of restructuring social and political theory espoused by Richard Bernstein *Nixonland* Rick Perlstein, 2008-05-13 Perlstein aims here at nothing less than weaving a tapestry of social upheaval His success is dazzling Los Angeles Times Both brilliant and fun a consuming journey back into the making of modern politics Jon Meacham *Nixonland* is a grand historical epic Rick Perlstein has turned a story we think we know American politics between the opposing presidential landslides of 1964 and 1972 into an often surprising and always fascinating new narrative Jeffrey Toobin Rick Perlstein's bestselling account of how the Nixon era laid the groundwork for the political divide that marks our country today Told with vivid urgency and sharp political insight *Nixonland* recaptures America's turbulent 1960s and early 1970s and reveals how Richard Nixon rose from the political grave to seize and hold the presidency of the United States Perlstein's epic account begins in the blood and fire of the 1965 Watts riots nine months after Lyndon Johnson's historic landslide victory over Barry Goldwater appeared to herald a permanent liberal consensus in the United States Yet the next year scores of liberals were tossed out of Congress America was more divided than ever and a disgraced politician was on his way to a shocking comeback Richard Nixon Between 1965 and 1972 America experienced no less than a second civil war Out

of its ashes the political world we know now was born Filled with prodigious research and driven by a powerful narrative Rick Perlstein's magisterial account of how it all happened confirms his place as one of our country's most celebrated historians New York Magazine, 1981-10-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Sphinx**, 1924 **The Last Greatest Magician in the World** Jim Steinmeyer, 2012-08-30 Steinmeyer presents the seminal biography of the magician's magician Howard Thurston a man who surpassed Houdini in the eyes of showmen and fans and set the standard for how stage magic is performed today **The Last Resistance** Jacqueline Rose, 2017-03-28 A bravura exploration of politics and writing in dark times In *The Last Resistance* Jacqueline Rose explores the power of writing to create and transform our political lives In particular she examines the role of literature in the Zionist imagination here literature is presented as a unique form of dissidence with the power to expose the unconscious of nations and often proposing radical alternatives to their dominant pathways and beliefs While Israel Palestine is the repeated focus *The Last Resistance* also turns to post apartheid South Africa to American national fantasy post 9 11 and to key moments for the understanding of Jewish culture and memory Rose also underscores the importance of psychoanalysis both historically in relation to the unfolding of world events and as a tool of political understanding Examining topics ranging from David Grossman through W G Sebald Freud Nadine Gordimer the concept of evil and suicide bombers *The Last Resistance* offers a unique way of responding to the crises of the times **The Successful American**, 1903 **The Mentor**, 1929 **Shrinking the News** Coline Covington, 2018-05-11 *Shrinking the News* brings together the author's wide range of articles from her regular column in the online newspaper *The Week* The articles cover current events from October 2008 until December 2010 concluding with more recent articles from 2013 These articles form a fascinating psychoanalytic insight on crime politics the economy sports and stardom and the quirky bizarre events and trends that make up our daily life The widespread popularity of these articles is a testimony to the public's interest in a psychoanalytic view of the world around us and why people do the things they do The New Penguin Dictionary of Modern Quotations Robert Andrews, 2003-10-30 *The New Penguin Dictionary of Modern Quotations* contains over 8 000 quotations from 1914 to the present As much a companion to the modern age as it is an entertaining and useful reference tool it takes the reader on a tour of the wit and wisdom of the great and the good from Margot Asquith to Monica Lewinsky from George V to Boutros Boutros Galli and Jonathan Aitken to Frank Zappa *The Theatre*, 1890 Vol for 1888 includes dramatic directory for Feb Dec vol for 1889 includes dramatic directory for Jan May Popular Mechanics, 1959-01 *Popular Mechanics* inspires instructs and influences readers to help them master the modern world Whether it's practical DIY home improvement tips
