Latter Rain

Lewis WAY (of Stansted Park, Sussex.)

Latter Rain:

Spirit of the Last Days Peter Althouse, 2003-10-01 Early Pentecostals proclaimed the restoration of the charismatic gifts as a sign of the imminent coming of Christ This eschatology was later marginalized by the rise of fundamentalist dispensationalism Today Pentecostal eschatology is being revised to include a more transformative view of the kingdom This boook proposes a further revision of Pentecostal eschatology created to recover prophetic elements of early Pentecostalism that invite a responsible social engagement in the world and to overcome fundamentalist assumptions which have crept into Pentecostal theology in its middle years To this end the eschatological thought of selected Pentecostal theologians is placed in dialogue with Jurgen Moltmann This dialogue critiques fundamentalist tendencies within contemporary Pentecostalism by advocating a theology more open to history and creation and a Pentecostal ethic both personal and social in scope *Jesus* Ian Curtis, 2006-06 Are you strong enough to handle the truth about your faith and belief Since infancy you have been taught stories from the Bible Did you know that they are simply myths and superstitions gathered together from the veils of antiquity The priests of the ancient world were seeking a new method of power and control over the masses In this book you will be given truths and directed to paths of reality All religions are created for control and wealth Jesus never existed and there is no evidence that a benevolent God watches over his children There is also the same lack of proof that an Allah a Buddha or a Krishna ever existed or exists today What we have developed is a path to the total destruction of mankind Our planet earth is being torn apart by foolish beliefs which are promoted and supported by the weaknesses of a mass of human beings who have to have a security blanket Collectively the nations of the world are on an inevitable collision course and the cause is religion This is the ultimate results of a child s game of my God is bigger than your God **Satan's Trojan Horse** Norman R. Gulley, 2004 Eons ago a revolt broke out in the throne room of heaven against the King of the universe To understand the issues involved in this conflict is to have a road map to the future Expelled from heaven Lucifer kidnapped earth This book reveals his dark plans for this planet It demonstrates the cosmic terrorist s behind the scenes strategy from Creation through the cross the Crusades and down to the events of September 11 2001 that changed the world and catapulted America into unprecedented global leadership where it is poised to fulfill its prophetic role in last day events Book jacket *The Latter Rain; with Observations on the Importance of General Prayer, Etc* Lewis WAY (of Stansted Park, Sussex.), 1821 **The Pentecostal Mission in Palestine** Eric Nelson Newberg, 2012-06-13 The Pentecostal mission in Palestine is a virtually unknown episode in the history of Pentecostalism Its story begins in 1906 at the Azusa Street Revival from which missionaries were sent to Palestine In its first thirty years the Pentecostal mission in Palestine gained a foothold in Jerusalem and expanded its reach into Jordan Syria and Iran It was severely tested and lost traction during the tumultuous period of the Arab Revolts World War II and the Partition Crisis With the catastrophic war of 1948 the Pentecostal missionaries fled as their Arab clients were swept away in the Palestinian Diaspora After 1948 a valiant attempt was made to

revive the mission but only with relative success Although the Pentecostal missionaries failed in their objective of converting Jews and Muslims they were eyewitnesses of the formative events of the Arab Israeli conflict Newberg argues that the Pentecostal missionaries functioned as brokers of Pentecostal Zionism He offers a postcolonial assessment of the Pentecostal missionaries crediting them for advocating philosemitism yet bringing them up short for disregarding the civil rights of Palestinian Arabs espousing Islamophobia and contributing to the forces working against peace in the Holy Land

Sermons Henry Melvill,1853 *SPIRITUAL WARFARE: A Struggle for Truth* Russell Sharrock,2007-03-01 Much in the Church is being touted as biblical spiritual warfare even to changing it from being spiritual to be geographical This book critics spiritual warfare teaching comparing it to the Bible and offers a biblically reasoned discussion on spiritual warfare

Pentecostalism, Secularism, and Post Christendom Bradley Truman Noel,2015-12-14 If only we were a Christian

country again Christians particularly those in the West often lament their loss of influence in modern politics and culture It seems that everywhere one turns Christendom in the West is dealt another blow with Christian reactions ranging from withdrawal and entrenchment to cries of persecution and talks of organized resistance Pentecostalism Secularism and Post Christendom seeks to address these concerns via an examination of Classical North American Pentecostalism as it wrestles with the very real challenges posed by the increasing post Christian ethos of Western culture In addition to providing a number of concrete steps Pentecostals may take in their efforts to better understand and connect with modern culture this work will argue that counter intuitively the death of Christendom if properly addressed may in fact herald the arrival of the Church s finest hour

Code of 1954 ,2003 Pentecostal Exorcism Opoku Onyinah,2019-05-21 Witchcraft and exorcism have long been dominant features of life in African cultures This unique book provides a thorough field research based description and analysis of a specifically Pentecostal Christian response to these phenomena within the Akan culture of Ghana Anthropological studies generally claim that the ultimate goal of exorcism is modernisation Using interdisciplinary studies with a theological focus the author takes a different view arguing that it is divinatory consultation or an inquiry into the sacred and the search for meaning that underlies the current deliverance ministry where the focus is to identify and break down the so called demonic forces by the power of God and to deliver people from their torment The deliverance ministry is one attempt to contextualise the gospel for African people However preoccupation with demonisation and exorcistic practices is found to bring Christianity into tension with the Akan culture family ties and other religions In order to develop a properly safeguarded ministry of exorcism in an African context the author examines contextualisation and suggests the integration into African Christianity of divinatory consultation which has strong resonances with the biblical concept of prayer

A Pentecostal Hermeneutic for the Twenty First Century Kenneth Archer,2004-12-30 The purpose of this book is to present a critically informed contemporary Pentecostal hermeneutic rooted in Pentecostal identity in its stories beliefs and practices As Pentecostals began entering academic communities of higher learning their interpretive methods became both mainstream and modernistic as they adapted the historical critical methods or the so called scientific hermeneutic The proposed hermeneutic contained in this book desires to move beyond the impasse created by Modernity instead pushing Pentecostals into the contemporary context by critically re appropriating early Pentecostal ethos and interpretive practices for a contemporary Pentecostal community The Pentecostal hermeneutic is a three way interaction for theological meaning between the Holy Spirit the Pentecostal community and sacred Scripture

Modern Chinese Theologies Chloë Starr,2023 From the Pentecostal and Charismatic movements in the mission church landscape of the early twentieth century to the Calvinist Reformed movement in the contemporary Protestant church this volume presents a selection of new studies on the

theology of the church in China concentrating on independent and indigenous Chinese churches **A Distinct**

Twenty-First Century Pentecostal Hermeneutic Harlyn Graydon Purdy, 2015-06-22 Why another book about biblical interpretation hermeneutics First this is not just another book about hermeneutics It deals specifically with hermeneutics as practiced by Pentecostals rather more accurately as hermeneutics should be practiced by Pentecostals The book presents a distinct Pentecostal hermeneutic that moves away from exclusive use of historical grammatical methodology The hermeneutic presented here employs an eclectic methodology and a quadratic strategy Scripture Spirit trained leader and community in the proposed hermeneutic are shown to work together to produce an interpretation that engages both creative imagination and authorial intent The text offers pastors professors and laity alike a method and approach that will allow them to interpret Scripture from a clearly Pentecostal perspective An important addition to the book is an outline for an undergraduate course instructing students in this distinct Pentecostal hermeneutic [Come Out Of Her My People: \(Vol. I\)](#)

[A History of The Message of William Branham](#) Charles Paisley, 2024-06-01 William Branham was a influential Pentecostal ministers of the mid 20th century who began a cult following known as The Message While many biographies of William Branham have been published this is the first book on the history of The Message movement Written by the former associate pastor of the second oldest Message church in the world this book explores The Message community and the origins of its ideology The Message did not appear in a vacuum The ideology of The Message is merely a continuation and evolution of belief systems which came before What was that system Where did the ideology come from Are the sources reputable How did the early Message community form This first volume of the history of The Message will begin to shed light on these questions [Servanthood of Song](#) Stanley R. McDaniel, 2024-05-23 Servanthood of Song is a history of American church music from the colonial era to the present Its focus is on the institutional and societal pressures that have shaped church song and have led us directly to where we are today The gulf which separates advocates of traditional and contemporary worship Black and White Protestant and Catholic is not new History repeatedly shows us that ministry to be effective must meet the needs of the entire worshipping community not just one segment age group or class Servanthood of Song provides a historical context for trends in contemporary worship in the United States and suggests that the current polemical divisions between advocates of contemporary and traditional classically oriented church music are both unnecessary and counterproductive It also draws from history to show that to be the powerful component of worship it can be music whatever the genre must be viewed as a ministry with training appropriate to that Servanthood of Song provides a critical resource for anyone considering a career in either musical or pastoral ministries in the American church as well as all who care passionately about vital and authentic worship for the church of today
