Dundurn Korean War Library Bundle Fred Gaffen,Dan Bjarnason,Ted Barris,Mark Bourrie,John Melady,2013-10-15 This ebook bundle contains five books that chronicle Canada s participation in the conflict that gripped the Korean peninsula from 1950-53 and resulted in two very different nations that remain at odds today This bloody and traumatic face off between capitalist and communist ideologies highlighted the tensions of the Cold War that drew in nations from many parts of the world Canadian soldiers did their part and many sacrificed their lives for the democratic cause Those interested in the war and the Canadian role in it will find a wealth of information and analysis in this collection of works by leading historians Includes *Cross Border Warriors* *Deadlock in Korea* *Fighting Words* *Korea Triumph at Kapyong* *Film Pilot* Jerry Grayson,2017-03-01 When Jerry Grayson left the Royal Navy s Search and Rescue helicopter fleet aged 25 he was the most decorated peacetime naval pilot in history In terms of excitement however civilian life couldn t compete especially when the only real demand for helicopter pilots was as glorified chauffeurs for the very wealthy Jerry had a passion for the movies and spotted a way in to a new career Somebody had to fly those crazy acrobatic stunts and capture dramatic aerial footage and he reckoned he could do it better push his helicopter further and guarantee the most exciting shots which other pilots might have considered impossible And he was right Over the past 35 years Jerry has become the go to man for aerial filmmaking shooting everything from music videos car commercials and nature documentaries to the Athens Olympic Games and the landing of the Space Shuttle Atlantis But it is in Hollywood that Jerry has really made his mark He was barely out of his 20s when he worked on the airborne finale to the James Bond film *A View to a Kill* and that helped cement his reputation for the decades since *Film Pilot* *Flying the Lens* is full of entertaining behind the scenes stories some that almost ended in disaster for Jerry and an A list actor or two and revelatory insights into just how this invisible sector of the film business operates We all take aerial footage for granted without appreciating the lengths gone to shoot it This is perhaps never more apparent than when Jerry s skills are called upon to gather more important footage the burning oilfields of Kuwait following the first Gulf War and flooded New Orleans after Hurricane Katrina *Speculating on Eternity* Francis Geo. Guither,2015-01-07 *Speculating on Eternity* is a variety of material from my computer It has been written over a period of years It includes

articles that lift up my faith in the Lord and represent who I am and what I believe But it also includes a look at my love for science fiction material and an underlying hope that someday we may be able to delve into the miracles of Gods marvelous gift of space Intermingled with the rest of the material is the rather special article called Good Morning Adam a paper that has been the basis for several theological discussions It is my hope that you will read and find encouragement but also that you will study the mind set of an author who considers himself to be conservative but who is straining to know the fullness and the majesty of the God who made us and the universe in which He has placed us
