Laurel The Thorn A Study Of G F Watts:

The Laurel and the Thorn Ronald Chapman, 1945 **A Strange Eventful History** Michael Holroyd, 2010-03-02 PLEASE NOTE THIS EBOOK DOES NOT CONTAIN PHOTOS INCLUDED IN THE PRINT EDITION Deemed a prodigy among biographers by The New York Times Book Review Michael Holroyd transformed biography into an art Now he turns his keen observation humane insight and epic scope on an ensemble cast a remarkable dynasty that presided over the golden age of theater Ellen Terry was an ethereal beauty the child bride of a Pre Raphaelite painter who made her the face of the age George Bernard Shaw was so besotted by her gifts that he could not bear to meet her lest the spell she cast from the stage be broken Henry Irving was an ambitious harsh voiced merchant s clerk but once he painted his face and spoke the lines of Shakespeare his stammer fell away to reveal a magnetic presence He would become one of the greatest actor managers in the history of the theater Together Terry and Irving created a powerhouse of the arts in London s Lyceum Theatre with Bram Stoker who would go on to write Dracula as manager Celebrities whose scandalous private lives commanded global attention they took America by storm wildly popular national tours Their all consuming professional lives left little room for their brilliant but troubled children Henry s boys followed their father into the theater but could not escape the shadow of his fame Ellen s feminist daughter Edy founded an avant garde theater and a largely lesbian community at her mother s country home But it was Edy s son the revolutionary theatrical designer Edward Gordon Craig who possessed the most remarkable gifts and the most perplexing inability to realize them A now forgotten modernist visionary he collaborated with the Russian director Stanislavski on a production of Hamlet that forever changed the way theater was staged Maddeningly self absorbed he inherited his mother s potent charm and fathered thirteen children by eight women including a daughter with the dancer Isadora Duncan An epic story spanning a century of cultural change *A Strange Eventful History* finds space for the intimate moments of daily existence as well as the bewitching fantasies played out by its subjects Bursting with charismatic life it is an incisive portrait of two families who defied the strictures of their time It will be swiftly recognized as a classic Please note This ebook edition does not contain photos and illustrations that appeared in the print edition [Writing Lives Together](#) Felicity James, Julian North, 2017-09-27 A diary entry begun by a wife and finished by a husband a map of London its streets bearing the names of forgotten lives biographies of siblings and of spouses a poem which gives life to long dead voices from the archives All these feature in this volume as examples of writing lives together British life writing which has been collaboratively authored and or joins together the lives of multiple subjects The contributions to this book range over published and unpublished material from the late eighteenth to the late nineteenth centuries including biography auto biographical memoirs letters diaries sermons maps and directories The book closes with essays by contemporary practising biographers Daisy Hay and Laurel Brake who explain their decisions to move away from the single subject in writing the lives of figures from the Romantic and Victorian periods We conclude with the reflections and work of a contemporary poet

Kathleen Bell writing on James Watt 1736 1819 and his family in a ghostly collaboration with the archives Taken as a whole the collection offers distinctive new readings of collaboration in theory and practice reflecting on the many ways in which lives might be written together across gender boundaries across time across genre This book was originally published as a special issue of *Life Writing* **Julia Margaret Cameron** Colin Ford, Julia Margaret Cameron, 2003 Cameron's transition from enthusiastic novice to accomplished artist is revealed in this sensitive study of the woman behind the camera Colin Ford's unique appraisal of her life and work firmly establishes Julia Margaret Cameron as one of the greatest photographers of all time **BOOK JACKET** **Julia Margaret Cameron's Women** Sylvia Wolf, Julia Margaret Cameron, Stephanie Lipscomb, Debra N. Mancoff, Phyllis Rose, San Francisco Museum of Modern Art, 1998-01-01 Profiles the life and work of a nineteenth century pioneer of photography and offers a selection of her portraits of women **The World in Paint** David Peters Corbett, 2004 This anonymous manuscript play has long been the subject of scholarly dispute regarding its relationship with Shakespeare's Richard II This edition which thoroughly re-examines the text situates the play within its historical and political context relating it to the genre of chronicle drama to which it belongs The manuscript is of particular interest in that it appears to have been used in the playhouse over a considerable period of time and contains what seems to be evidence of the theatre practice of the time The play is also of special interest for its skilful and original handling of source material which may well have influenced Shakespeare's Richard II The extensive appendices drawn from Holinshed Grafton and Stow provide the reader with the opportunity to investigate the manner in which the dramatist has shaped the material The editors argue for the play's stage worthiness and dramatic complexity suggesting that its range both of dramatic tone and social inclusiveness indicate the work of a dramatist of considerable skill and subtlety equal or superior to the Shakespeare of the Henry VI plays

The Progress of a Biographer Hugh Kingsmill, 2022-02-13 First published in 1949 The Progress of a Biographer follows a general principle that there are absolute truths which an individual can in some degree apprehend and live by but which churches and institutions can only obscure and pervert This principle is followed for the sketches in this book most of which were written between the end of World War II and the spring of 1948 The subjects range from P G Wodehouse to Karl Marx from W B Yeats to Thackeray and from Rainer Maria Rilke to Lloyd George Believing that to understand a man's work one must form a coherent impression of the man the author has tried to suggest the leading characteristics and governing impulses of his subjects His intention has been to clarify rather than to criticise though doubtless the affect may sometimes be one of criticism falling short of clarification The book will be of interest to students across disciplines but will particularly appeal to students of English literature **The Arthurian Revival** Debra Mancoff, 2014-08-13 Discrete inquiries into 15 forms of the Arthurian legends produced over the last century explore how they have altered the tradition They consider works from the US and Europe and those aimed at popular and elite audiences The overall conclusion is that the Arthurian revival is an ongoing event and has become multivalent multinational and multimedia Originally published in 1992

Bernard Shaw's Book Reviews: 1884-1950 Bernard Shaw, Brian Tyson, 1991 This new volume of Bernard Shaw's book reviews is a companion to Brian Tyson's previously edited collection of Shaw's earlier book reviews Here Tyson collects seventy three of the best remaining literary book reviews written by Shaw throughout his lifetime Two thirds of the reviews appear in book form for the first time the originals residing in the archives of newspaper libraries and only three of the remainder have been reprinted within the last twenty years Politics feature largely in the works that Shaw reviewed there are books of socialist theory and its practical appearance in the Soviet Union as well as books on the individualism of J H Levy the anti socialism of Thomas McKay and the economics of E C K Gonner and Philip Wicksteed There is often an immediacy about the books reviewed too discussion of books on World War I the Soviet Revolution women's suffrage the British General Strike of 1926 and World War II all take place concurrently with the events Many of the works reviewed are biographies which give Shaw the opportunity to reveal his personal acquaintance with their subjects including Samuel Butler William Morris and Dean Inge This widely varied collection sparkles with wit and wisdom taking us briskly through Shaw's own writing life beginning when he was relatively unknown and concluding when he was a legend

Representations of Hair in Victorian Literature and Culture Galia Ofek, 2016-12-05 Galia Ofek's wide ranging study elucidates the historical artistic literary and theoretical meanings of the Victorians preoccupation with hair Victorian writers and artists Ofek argues had a well developed awareness of fetishism as an overinvestment of value in a specific body part and were fully cognizant of hair's symbolic resonance and its value as an object of commerce In particular they were increasingly alert to the symbolic significance of hairstyling Among the writers and artists Ofek considers are Elizabeth Gaskell George Eliot Margaret Oliphant Charles Darwin Anthony Trollope Elizabeth Barrett Browning Eliza Lynn Linton Mary Elizabeth Braddon Herbert Spencer Dante Gabriel Rossetti Edward Burne Jones Charles Dickens Thomas Hardy and Aubrey Beardsley By examining fiction poetry anthropological and scientific works newspaper reviews and advertisements correspondence jewellery paintings and cartoons Ofek shows how changing patterns of power relations between women and patriarchy are rendered anew when viewed through the lens of Victorian hair codes and imagery during the second half of the nineteenth century

Suffragist Artists in Partnership Rose Lucy Ella Rose, 2017-11-22 Explores the interconnected creative partnerships of the Watts and De Morgans Victorian artists writers and suffragists This is the first book dedicated to examining the marital relationships of Mary and George Watts and Evelyn and William De Morgan as creative partnerships The study demonstrates how they worked individually and together to support greater gender equality and female liberation in the nineteenth century The author traces their relationship to early and more recent feminism reclaiming them as influential early feminists and reading their works from twentieth century theoretical perspectives By focusing on neglected

female figures in creative partnerships the book challenges longstanding perceptions of them as the subordinate wives of famous Victorian artists and of their marriages as representatives of the traditional gender binary This is also the first academic critical study of Mary Watts's recently published diaries Evelyn De Morgan's unpublished writings and other previously unexplored archival material by the Wattses and the De Morgans Key Features Reveals the ways in which the couples promoted progressive socio political ideas Draws on extensive archival research and analyses unpublished writings including diaries and poems Focuses on neglected female figures in creative partnerships to challenge longstanding perceptions of them as the submissive or subordinate wives of famous Victorian artists and of their marriages as representatives of the traditional gender binary Shows how male and female writers and artists engaged with mid to late Victorian feminism together and individually reclaiming them as influential early feminists *Anny Henrietta*

Garnett, 2011-02-28 Anne Thackeray Ritchie daughter of the author of *Vanity Fair* and step aunt of Virginia Woolf was also a fine writer Based on new and original research this enchanting and evocative memoir paints the world of Anny's intricate web of relations and friends children's parties with the Dickens family holidays with Julia Margaret Cameron and the Tennysons intimate scenes with Browning in Rome and Ruskin on Lake Coniston In addition we read about Anny's own inner life her near obsession with her father William Makepeace Thackeray her escape into writing her startling marriage to her second cousin and her godson and the story of her sister Minny's passionate marriage to Leslie Stephen We also learn of Stephen's second wife Julia Jackson mother of Vanessa Bell and Virginia Woolf Meticulously researched this intimate story draws not only on a wealth of letters journals hitherto unpublished sketches and photographs but also on family legends passed down to the author through four generations Illuminating comic and touching Anny reads like a novel presenting a unique portrait of the rich literary world that formed the bridge between the Victorians and Bloomsbury *Learned Lady* Robert Browning, 1974-07 In reproducing sixty six letters in the Carl H Pforzheimer Library plus eight letters or portions of letters previously published this book offers one of the best sources available for the last fourteen years of Browning's life Written to a dear friend who was also a learned lady the letters deal with Browning's poetry his social life and his friendships They also give some of his views on the nature of poetry of art and of religion The editor's introduction offers the reader a view of Mrs Fitzgerald and her family of the social background with which many of the letters are concerned and of Browning his sister and his son Notes clarify the many allusions that appear in the letters An appendix by Marcelle Thi baux includes careful bibliographical descriptions of the manuscripts and a classified list of the writing paper Browning used information which should enable future editors to assign at least approximate dates to some of the letters Browning himself left undated
