Laurel Hardey In Big Quizness:

Laurel & Hardy in "big Quizness" Tracie McFerren,1997 The most beloved comedy team of all time Stan Laurel and Oliver Hardy is back in business in Laurel and Hardy in Big Quizness Stan and Ollie and all their co stars are back with over 80 categories 400 pages of TOTAL fun based on their 106 films together The book includes 100 pages of trivia and answers and even gives career total statistics on such topics as the number of tie twiddles Ollie did or the number of head scratches for Stan If you like the Boys you are going to love Big Quizness So put on your thinking caps and begin And if you cheat and peek at the answers it s okay Nobody will be any the wiser **Stan and Ollie** Simon Louvish,2005-07-01 Stan Laurel and Oliver Hardy have remained from 1927 to the present day the screen s most famous and popular comedy double act celebrated by legions of fans But despite many books about their films and individual lives there has never been a fully researched definitive narrative biography of the duo from birth to death Louvish traces the early lives of Stanley Jefferson and Norvell Hardy and the surrounding minstrel and variety theatre which influenced all of their later work Louvish examines the rarely seen solo films of both our heroes prior to their serendipitous pairing in 1927 in the long lost short Duck Soup The inspired casting teamed them until their last days Both often married they found balancing their personal and professional lives a nearly impossible feat Between 1927 and 1938 they were able to successfully bridge the gap between silent and sound films which tripped up most of their prominent colleagues Their Hal Roach and MGM films were brilliant but their move in 1941 to Twentieth Century Fox proved disastrous with the nine films made there ranking as some of the most embarrassing moments of cinematic history In spite of this Laurel and Hardy survived as exemplars of lasting genius and their influence is seen to this day The clowns were elusive behind their masks but now Simon Louvish can finally reveal their full and complex humanity and their passionate devotion to their art In Stan and Ollie The Roots of Comedy The Double Life of Laurel and Hardy Louvish has seamlessly woven tireless and thorough research into an authoritative biography of these two important and influential Hollywood pioneers *The Making of Stan Laurel* Danny Lawrence,2014-01-10 As an adult Stan Laurel 1890 1965 lived in the United States As a boy he lived in north east England the son of a prominent local theatrical figure This ground breaking biography examines Laurel s family background his formative years and his struggle to establish a show business career Stan retained the emotional bonds forged in his youth throughout his life and visited his boyhood homes during his UK tours with Oliver Hardy Describing Stan Laurel s key roles in making his films with his partner Oliver Hardy so successful internationally the book analyzes how Stan s boyhood experiences are often echoed in those films It also notes his influence on successive generations of comic actors who to this day still pay fulsome tribute to him Included is a selection of photographs relevant to Laurel s boyhood some related to themes in the Laurel and Hardy comedies **The Cumulative Book Index** ,1998 A world list of books in the English language **International Dictionary of Films and Filmmakers: Actors and actresses** Tom Pendergast,Sara Pendergast,2000 Contains over two thousand entries arranged

alphabetically within four volumes that provide information about significant films actors and actresses directors and writers and production artists in North American British and West European cinematic history Includes photographs and indexes
