Edith Wharton Selected Poems:

Selected Poems of Edith Wharton Edith Wharton, Irene Goldman-Price, 2019-07-09 Edith Wharton the first woman to win the Pulitzer Prize for Fiction with her novel *The Age of Innocence* was also a brilliant poet This revealing collection of 134 poems brings together a fascinating array of her verse including fifty poems that have never before been published The celebrated American novelist and short story writer Edith Wharton author of *The House of Mirth* *Ethan Frome* and the Pulitzer Prize winning *The Age of Innocence* was also a dedicated passionate poet A lover of words she read studied and composed poetry all of her life publishing her first collection of poems at the age of sixteen In her memoir *A Backward Glance* Wharton declared herself dazzled by poetry she called it her chiefest passion and greatest joy The 134 selected poems in this volume include fifty published for the first time Wharton s poetry is arranged thematically offering context as the poems explore new facets of her literary ability and character These works illuminate a richer sometimes darker side of Wharton Her subjects range from the public and political her first published poem was about a boy who hanged himself in jail to intimate lyric poems expressing heartbreak loss and mortality She wrote frequently about works of art and historical figures and places and some of her most striking work explores the origins of creativity itself These selected poems showcase Wharton s vivid imagination and her personal experience Relatively overlooked until now her poetry and its importance in her life provide an enlightening lens through which to view one of the finest writers of the twentieth century **Edith**

Wharton: Selected Poems Edith Wharton, 2005-10-06 From first to last poetry was part of Edith Wharton s writing life While rarely after early youth her primary focus it always served her as a medium for recording the most vivid impressions and emotions an intimate journal of longings and regrets Poetry was important to Wharton writes editor Louis Auchincloss because it enabled her to express the deeply emotional side of her nature that she kept under such tight control not only in her life but in the ordered sweep of her fiction In later years her poetry also engaged with the public passions of wartime as she found herself involved with the plight of Allied soldiers in France Her first models were Romantic but in the course of her life she absorbed the influences of Symbolism and Modernism and throughout her poetic career she showed a care for form even in her most private utterances as in the erotic ode *Terminus* never published in her lifetime This volume collects the bulk of Wharton s significant poetry including much work previously uncollected or unpublished About the American Poets Project Elegantly designed in compact editions printed on acid free paper and textually authoritative the American Poets Project makes available the full range of the American poetic accomplishment selected and introduced by today s most discerning poets and critics *The Bloomsbury Handbook to Edith Wharton* Emily Orlando, 2022-10-20 Bringing together leading voices from across the globe *The Bloomsbury Handbook to Edith Wharton* represents state of the art scholarship on the American writer Edith Wharton once primarily known as a New York novelist Focusing on Wharton s extensive body of work and renaissance across 21st century popular culture chapters consider Wharton in the context of queer studies race

studies whiteness studies age studies disability studies anthropological studies and economics Wharton's achievements in genres for which she deserves to be better known poetry drama the short story and non fiction prose Comparative studies with Christina Rossetti Henry James and Willa Cather The places and cultures Wharton documented in her writing including France Greece Italy and Morocco Wharton's work as a reader and writer and her intersections with film and the digital humanities Book ended by Dale Bauer and Elaine Showalter and with a foreword by the Director and senior staff at The Mount Wharton's historic Massachusetts home the Handbook underscores Wharton's lasting impact for our new Gilded Age It is an indispensable resource for readers interested in Wharton and 19th and 20th century literature and culture **The New Edith Wharton Studies** Jennifer Haytock, Laura Rattray, 2020 Uncovers new evidence and presents new ideas that invite us to reconsider our understanding Edith Wharton's life and career **Selected Poems of Amy Clampitt** Amy Clampitt, 2011-02-22 When Amy Clampitt's first collection *The Kingfisher* was published it was hailed as that rare first book that signals a major poet in full bloom Los Angeles Times Its author was sixty three years old Over the next eleven years Clampitt produced four additional major collections Now the most essential poems from these five volumes are gathered together Clampitt was an impassioned observer of the natural world the delights of which color many of these poems writing of the fog she described a stuff so single it might almost be lifted folded over crawled underneath or slid between as nakedness caressingsheets Such was the texture of her language too She was a traveler reporting back from England and Greece from California and Maine and from her native Midwest An Iowa transplant to New York the descendant of pioneers she wrote of prairies and subways of the movements of wildflowers people and ideas and of the widespread modern experience of uprootedness Here is a treasure of Amy Clampitt's verse for those who are reading her for the first time as well as for those who have long admired her *The Secrets and Silences of Edith Wharton's Women* Isabelle Parsons, 2025-03-11 Edith Wharton's sensitively observed portraits of women's lives a century ago resonate into the present day captivating readers now as they did then Threaded throughout her accounts is a rich seam of secrets and silences that reveals Wharton's keen grasp of the realities navigated by women and her astute use of withholding to tell their stories This book explores her frequent marshalling of secrets and silences presented as an integral part of her literary aesthetic to cast light on her enduring interest in women's experiences in private and public settings during the early twentieth century **Edith Wharton and Genre** Laura Rattray, 2020-08-11 Based on extensive new archival research *Edith Wharton and Genre Beyond Fiction* offers the first study of Wharton's full engagement with original writing in genres outside those with which she has been most closely identified So much more than an acclaimed novelist and short story writer Wharton is reconsidered in this book as a controversial playwright a gifted poet a trailblazing travel writer an innovative and subversive critic a hugely influential design writer and an author who overturned the conventions of autobiographical form Her versatility across genres did not represent brief sidesteps temporary diversions from what has long been read as her primary role as novelist

Each was pursued fully and whole heartedly speaking to Wharton's very sense of herself as an artist and her connected vision of artistry and art. The stories of these other Edith Whartons born through her extraordinary dexterity across a wide range of genres and their impact on our understanding of her career are the focus of this new study revealing a bolder more diverse subversive and radical writer than has long been supposed. **A Gift from the Grave. By: Edith Wharton** Edith

Wharton, 2017-01-07 Edith Wharton born Edith Newbold Jones January 24 1862 August 11 1937 was a Pulitzer Prize winning American novelist short story writer and designer. She was nominated for the Nobel Prize in Literature in 1927 1928 and 1930. Wharton combined her insider's view of America's privileged classes with a brilliant natural wit to write humorous incisive novels and short stories of social and psychological insight. She was well acquainted with many of her era's other literary and public figures including Theodore Roosevelt. Edith Wharton was born Edith Newbold Jones to George Frederic Jones and Lucretia Stevens Rhinelanders at their brownstone at 14 West Twenty third Street in New York City. She had two much older brothers Frederic Rhinelanders who was sixteen and Henry Edward who was eleven. She was baptized April 20 1862 Easter Sunday at Grace Church. To her friends and family she was known as Pussy Jones. The saying keeping up with the Joneses is said to refer to her father's family. She was also related to the Rensselaer family the most prestigious of the old patroon families. She had a lifelong lovely friendship with her Rhinelanders niece landscape architect Beatrix Farrand of Reef Point in Bar Harbor Maine. Edith was born during the Civil War she was three years old when the South surrendered. After the war the family traveled extensively in Europe. From 1866 to 1872 the Jones family visited France Italy Germany and Spain. During her travels the young Edith became fluent in French German and Italian. At the age of ten she suffered from typhoid fever while the family was at a spa in the Black Forest. After the family returned to the United States in 1872 they spent their winters in New York and their summers in Newport Rhode Island. While in Europe she was educated by tutors and governesses. She rejected the standards of fashion and etiquette that were expected of young girls at the time intended to enable women to marry well and to be displayed at balls and parties. She thought these requirements were superficial and oppressive. Edith wanted more education than she received so she read from her father's library and from the libraries of her father's friends. Her mother forbade her to read novels until she was married and Edith complied with this command. Edith began writing poetry and fiction as a young girl. She attempted to write a novel at age eleven. Her first publication was a translation of the German poem Was die Steine Erzählen What the Stones Tell by Heinrich Karl Brugsch which earned her 50. She was 15 at the time. Her family did not wish her name to appear in print because the names of upper class women of the time only appeared in print to announce birth marriage and death. Consequently the poem was published under the name of a friend's father E. A. Washburn. He was a cousin of Ralph Waldo Emerson and supported women's education. He played a pivotal role in Edith's efforts to educate herself and he encouraged her ambition to write professionally. In 1877 at the age of 15 she secretly wrote a 30 000 word novella Fast and Loose. In 1878 her father arranged for a collection of two dozen original

poems and five translations Verses to be privately published In 1880 she had five poems published anonymously in the Atlantic Monthly then a revered literary magazine Despite these early successes she was not encouraged by her family nor her social circle and though she continued to write she did not publish anything again until her poem The Last Giustiniani was published in Scribner s Magazine in October 1889 Edith was engaged to Henry Stevens in 1882 after a two year courtship The month the two were to marry the engagement abruptly ended In 1885 at age 23 she married Edward Teddy Robbins Wharton who was 12 years her senior

Edith Wharton, Willa Cather, and the Place of Culture Julie Olin-Ammentorp,2019-10-01 Edith Wharton and Willa Cather wrote many of the most enduring American novels from the first half of the twentieth century including Wharton s The House of Mirth Ethan Frome and The Age of Innocence and Cather s O Pioneers My ntonia and Death Comes for the Archbishop Yet despite their perennial popularity and their status as major American novelists Wharton 1862 1937 and Cather 1873 1947 have rarely been studied together Indeed critics and scholars seem to have conspired to keep them at a distance Wharton is seen as our literary aristocrat an author who chronicles the lives of the East Coast Europe bound elite while Cather is considered a prairie populist who describes the lives of rugged western pioneers These depictions though partially valid nonetheless rely on oversimplifications and neglect the striking and important ways the works of these two authors intersect The first comparative study of Edith Wharton and Willa Cather in thirty years this book combines biographical historical and literary analyses with a focus on place and aesthetics to reveal Wharton s and Cather s parallel experiences of dislocation their relationship to each other as writers and the profound similarities in their theories of fiction Julie Olin Ammentorp provides a new assessment of the affinities between Wharton and Cather by exploring the importance of literary and geographic place in their lives and works including the role of New York City the American West France and travel In doing so she reveals the two authors shared concern about the culture of place and the place of culture in the United States

Twelve Poems Edith Wharton,1926 A Commentary on the Collected Poems of W. B. Yeats A. Norman Jeffares,1968-06-18

The Revolt of "Mother" and Other Stories Mary E. Wilkins Freeman,2012-07-12 Eight vivid poignant tales of self reliant New England women Well known title story plus A New England Nun Old Woman Magoun Gentian One Good Time plus 3 others

The New Statesman ,1914 **The Poetry of American Women from 1632 to 1945** Emily Stipes Watts,2014-09-10 American women have created an especially vigorous and innovative poetry beginning in 1632 when Anne Bradstreet set aside her needle and picked up her poet s pen The topics of American women poets have been various their images their own and their modes of expression original Emily Stipes Watts does not imply that the work of American men and that of American women are two different kinds of poetry although they have been treated as such in the past It is her aim rather to delineate and define the poetic tradition of women as crucial to the understanding of American poetry as a whole By 1850 American women of all colors religions and social classes were writing and publishing poetry Within the critical category of female poetry developed from 1800 to 1850 these

women experimented boldly and prepared the way for the achievement of such women as Emily Dickinson in the second half of the nineteenth century Indeed at times for example from 1860 through 1910 it was women who were at the outer edge of prosodic experimentation and innovation in American poetry Moving chronologically Professor Watts broadly characterizes the state of American poetry for each period citing the dominant male poets she then focuses on women contemporaries singling out and analyzing their best work This volume not only brings to light several important women poets but also represents the discovery of a tradition of women writers This is a unique and invaluable contribution to the history of American literature

Late Modernism and Expatriation Lauren Arrington, 2022-01-15 How did living abroad inflect writers perspectives on social change in the countries of their birth and in their adopted homelands How did writers reformulate ideas of social class race and gender in these new contexts How did they develop innovations in form and technique to achieve a style that reflected their social and political commitments The essays in this book show how the outward turn that typifies late modernist writing was precipitated in part by writers experience of expatriation Late Modernism Expatriation encompasses writing from the 1930s to the present day and considers expatriation in both its voluntary and coerced manifestations Together the essays in this book shape our understanding of how migration especially in its late twentieth and twenty first century complexities affects

late modernism's temporalities The book attends to major theoretical questions about mapping late modernist networks and it foregrounds neglected aspects of writers' work while placing other writers in a new frame

Collected Stories of Elizabeth Bowen Elizabeth Bowen, 2019-10-15 A beautiful hardcover edition of the collected short stories of one of the best short story writers who ever lived Newsweek with an introduction by the Booker Prize winning author of *The Sea* Widely known for her extraordinary novels including *The Heat of the Day* *The House in Paris* and *The Death of the Heart* Elizabeth Bowen established herself in the front rank of twentieth century writers equally through her short fiction This collection includes seventy nine magnificent stories written over the course of four decades including such beloved classics as *Mysterious K r* *The Demon Lover* *Summer Night* *Ivy Grippled the Steps* and *The Happy Autumn Fields* Whether placing her reader in a remote Irish castle or a seaside Italian villa or bomb scarred London during the Blitz Bowen was famous for scene setting of almost hallucinatory vividness but her ability to evoke inner landscapes of spellbinding intensity was even more remarkable Frustrated lovers acutely observed children and even vengeful ghosts inhabit her tales with an urgency and emotional complexity that make it clear that the drama of human consciousness was her central subject These stories are enduring testimony to Bowen's reputation as a creator of finely chiseled narratives rich in imagination psychological insight and craft that transcend their time and place

Augustan Studies Douglas Lane Patey, Timothy Keegan, 1985 Fifteen essays span the whole of the Augustan period 1660-1800 The volume concludes with a checklist of Ehrenpreis's published works
