## **Jesus And The Hidden Bible:**

**Jesus and the Hidden Bible** Joseph Hayyim Krinsky, 1951      **Jesus, Interrupted** Bart D. Ehrman, 2009-03-03  
Addresses the issue of what the New Testament actually teaches and it's not what most people think      **Where Is Jesus Hidden** Maura Roan McKeegan, 2020-10-15 Where is Jesus Hidden Jesus has a face like yours With eyes and nose and ears But sometimes we can't see Him Even though He's very near Sometimes He is hidden Or He's wearing a disguise But we can learn to find Him If our hearts will help our eyes In Where is Jesus Hidden award winning author Maura Roan McKeegan points to the many places and ways Jesus can be found With a series of clues from Scripture to guide them young children will learn that if they search for Jesus he is never far Recommended for ages 4 and up      *Hidden Truths of the Bible* Bishop Leighton Gordon, 2013-11-19 Do you desire to know the truth There are a lot of misconceptions about the Bible Lies are often passed down from generation to generation manipulating the word of God The only way to really and truly gain a full understanding of the Bible is by intensely studying it with great aspiration Some may be fine with not knowing the complete truth or pretending to be a sold out Christian and not honestly knowing what God's word says about many issues faced on a daily basis Individuals may be fine displaying that tag that reads Jesus is my co pilot on the front of their car In all reality Jesus is the pilot he operates the vehicle that drives us though life Most of us are driving underage and need some parental guidance God is our father and wants to keep us on the right path by nurturing us with his unique and supernatural word The Bible Jesus gives us the freedom to run to him or away from him Hidden Truths challenges you to consider the truth and what it entails Leighton directly approaches the truth in a daring way that reveals Jesus love for you and causes you to re evaluate your relationship with Jesus Leighton urges you to redevelop principles that you have been practicing the wrong way The only right way to do things is by following God's holy word      **Hidden Bible Truths in Plain View** Windell Gillis, 2019-01-22 Jesus Christ and the apostles along with Polycarp Ignatius and Hermes carried the true Word of God deep into the first church age Yet Satan attempted to infiltrate the true path of the Word with help from unbelievers who were more than willing to do his dirty work Because of this the structural religious imprints left by ancient pagan civilization began to take a toll on the religious denominational world in such a subtle manner that it has gone unnoticed In Hidden Bible Truths in Plain View author Windell Gillis explains how since the Bible is the only real and perfect truth Christian history can only be real and true if it agrees completely with the Bible This history does Messengers to the seven church ages who are revealed here were able to turn the people back to God in each age if only for a season With Philo having perverted the definition of the Logos which changed the way people worshipped with respect to the Godhead and with so much confusion in the religious world as proven by the forty thousand different denominational groups today something must happen And it did The revelation of Malachi 4 and Revelation 10 7 concerning the mystery of God is unveiled in Hidden Bible Truths in Plain View to the shock of Christians worldwide      **The Hidden Jesus** Dan R. Mitchell, 2014-11-12 This book will shake your faith

in Jesus Christ History has hidden who Jesus really is The information from reputable sources forces us to change our image of Jesus We fail to see the struggles of a normal man in a Jewish life While the narrative text struggles to remain true to the Gospel it also uses information of recent discoveries It leaves you wondering just what has come to us in the selective texts of the Bible and why other texts have not been put in the Bible by a faith that wanted only a God and not a man **Hidden Gospels** Philip Jenkins,2002-12-05 This incisive critique thoroughly and convincingly debunks the claims that recently discovered texts such as the Gospel of Thomas the Gospel of Mary and even the Dead Sea Scrolls undermine the historical validity of the New Testament Jenkins places the recent controversies surrounding the hidden gospels in a broad historical context and argues that far from being revolutionary such attempts to find an alternative Christianity date back at least to the Enlightenment By employing the appropriate scholarly and historical methodologies he demonstrates that the texts purported to represent pristine Christianity were in fact composed long after the canonical gospels found in the Bible Produced by obscure heretical movements these texts have attracted much media attention chiefly because they seem to support radical feminist and post modern positions in the modern church Indeed Jenkins shows how best selling books on the hidden gospels have been taken up by an uncritical drama hungry media as the basis for a social movement that could have powerful effects on the faith and practice of contemporary Christianity **Things Hidden** Richard Rohr,2022-02-01 There are a number of misconceptions about the Bible Many look at it as information only but what they are missing is the key the Bible is about transformation World renowned author Richard Rohr invites you to revisit the Bible to experience the Scripture as spirituality This can help your relationship with God evolve into something more meaningful and fulfilling This book will help you discover how reading the Bible and understanding it in a new way can change your life Only when the two come together inner and outer authority do we have true spiritual wisdom We have for too long insisted on outer authority alone without any teachings of prayer inner journey and maturing consciousness The results for the world and for religion have been disastrous I offer these reflections to again unite what should have been separated Sacred Scripture and Christian Spirituality from the introduction This spiritual companion unearths the Bible s take on morality power wisdom and the generosity of God in a way that demands a life changing response from believers It illustrates the Biblical God as full of grace and abundance and who calls us to be fully alive in a world full of scarcity judgement and fear Rohr s intention is to revitalize your relationship with the Bible and leave you feeling hopeful fulfilled and better able to embody a Christ based spirituality This in turn will help you to change how you treat yourself others and the world ***Hidden Bible Health Secrets*** Reginald Cherry,2017 Uncover the God given health secrets that are available to you through nature Whether you have questions about vitamins or you are battling heart disease diabetes vision problems or menopause Dr Reginald Cherry removes the guesswork and answers frequently asked questions that point you toward better health Publisher s description **The Presence of a Hidden God** Dr. D. *Hidden Bible Taboos Forbidden By Organized Christianity* James Slobodzien, 2014-05-01 Have you ever wondered about the Mysteries of God's wisdom or the secret to knowledge Jesus condemned the religious leaders of his day for taking away the Key to Knowledge Luke 11:52 This remarkable article anthology may have accidentally uncovered some of these ancient mysteries that are now considered TABOO to help you to read and really understand the Bible Less Could the 7 Pillars or dimensions of Wisdom Pro 9:1 possibly be related to the Key to Knowledge Hidden Bible Taboos began as one short essay that just for fun proposed a 7 Dimension Theory of Everything but several readers encouraged me to continue researching it and I soon discovered that it is the nature of the Universe for things to exist in 7's For example there are 7 types of Matter and 7 forms of Energy in the universe When we consider Time the 7 Day calendar week continues to be universal and immemorial in its observance among all nations and in all times Space our earthly physical space is divided up into 7 Continents 7 Oceans and 7 Seas After studying the multiple patterns of 7's in the universe's numerical DNA I turned my focus to ancient cultures and was shocked to find that in the ancient wisdom writings including Christianity the number 7 stands for spiritual perfection and divine completeness For example the Bible's book of Isaiah mentions the 7 Spirits of God the Father Isaiah 11:2 The Apostle John mentions the 7 Stars of God the Son Rev 1:20 and the Apostle Paul mentions the 7 Gifts of God the Holy Spirit Rom 12:6-8 In addition Zechariah mentions the 7 Eyes of the Lord which range throughout the earth Zech 4:10 This incredible phenomenon of multiples of 7 cannot be explained by chance or human design It is in these 7 Pillars of God's Wisdom that I have experienced a paradigm shift that has opened my eyes to see this divine tapestry to gain a better understanding of the Bible The 7 Dimension articles were written as independent brief essays over a period of 7 years After receiving comments from many readers over the years sometimes secretly a theme became apparent that seemed to be pointing to the fact that these divine truths of the 7 dimensional 7D biblical patterns of 7 were not being taught by the professional religious leaders of Catholic and Protestant Churches because they were forbidden by custom or tradition They are TABOO This compilation of independent articles indirectly provides a historical overview of the ancient world that leads up to the time of Jesus and the Early Church and reveals some Taboos related to sex drugs violence and racism The majority

of the Taboos in this book however are not related to ancient mysterious pagan practices The most significant Taboos in this book are coming from professional church leaders of organized religions of Christianity today who forbid their church members from knowing and practicing what is written in the New Testament and commanded by Jesus and his Apostles Hidden Bible Taboos is a collection of these 7D articles that have accidentally uncovered and systematically integrated ancient religious mythologies archeological mysteries scientific and historical facts and End Time prophecies to reveal the Christian Sun god conspiracy It is not a formal theological treatise on spirituality and or religion as it is a work in progress that is very very far from perfect With the above disclaimer to having and or knowing the absolute truth I would like to present what I believe to be the 7 dimension 7D origins of ancient religious knowledge and ageless wisdom that have been passed down to us by our ancestors So put on your 7D glasses Dedication This book is dedicated to Peter Waldo Founder of the Waldensians and the 50 million other Christians who were persecuted and slaughtered by the Organized Religion of Christianity Papacy in the middle ages and later Spiritual Religious Reading Material Warning The contents of this article anthology may shock and inspire you into developing your spiritual life Don t let yourself or your friends go without reading this life changing book

**Jesus's Hidden Mission and Our Hidden Uniqueness** Stephen Bettum,2022-08-01 Section one We know very little because of our limitations Our limitations have affected all human history especially religious and scientific Humanity has actually succeeded because we had to act even in the midst of our ignorance We developed hubris Section two Our mental evolution is different from our physical evolution and is unique to each person We understand and can think in future time This our freedom and our opinions are what give us our hidden uniqueness Section three We rely on our opinions We have very elaborate religions and sciences that are not filled with facts We have been thinking using opinions for so long that in our own minds facts and opinions are equal Our opinions are sometimes wrong Section four We have oversold God We have made up absolute definitions of God and have trapped God and ourselves in these definitions Given our real limits we do not even have the correct words or concepts to grasp God in any significant detail Jesus bridged the gap between God and humanity Section five We have undersold Jesus The Trinity Doctrine about Jesus is wrong This led to the Hidden Mission of Jesus For this mission Jesus needed to assume human form so that God could completely understand humanity This is why Jesus is unique and why he changed everything in the relationship between God and each of us Section six This is a call for the old People of the Book to become the People of God Judaism Christianity and Islam must realize that they are all worshiping the same God God is not happy with them fighting and killing each other Humanity needs to get over itself and get into a right relationship with God and with other people Then at least humanity has a chance
