Spiritual Obedience Volume 4 Ollie Fobbs,2016-04-29 The Spirit of Direct obedience was a book that flared the creativity of hope within me to continue to write there were six hundred pages of notes that were scheduled to go into that first book so after several years I had to find something to do with all of those notes and this is the outcome Spiritual Obedience was a book that told me a lot about who I was and who I was to become this writing is not a this is going to change your life kind of thing however if properly applied and you dedicate your life to study and prayer then yes this will change your life Spiritual Obedience as said has very little to do with who we are as a people but it has everything to do with who God is The reason God sent his Son to die for us is that through the revealed Glory of who he actually is we then can find life in Christ and we then can find the key to the gate that will lead us to the path that will take us all to the Kingdom of God

The World Is Very Round Maurice Siegel,2014-12-20 Unlike words of a novel where the author may wish to inform the reader of unspoken but intended feelings for the reader the author adds an aside with additional lines Such asides in a play will cause the listener s building emotional connection to get diminished But it is the double purpose with the words spoken that produce both information and emotion each with their separate purposeful existences struggling with each other at the very same moment That is so fascinating in plays and makes me want to try my best at this art form
