

WHAT DOES BAPTISM IN THE SPIRIT PRODUCE IN OUR LIVES?

- Baptism in the Spirit produces a personal rediscovery of the Lordship of Jesus.
- It is one of the most important contributions to the Church of the current renewal taking place. Jesus is no longer a personage, but a person!
- The most beautiful songs are those about the Lordship of Jesus, "He is Lord!" Songs that sing about God are very different from songs that praise Him as Lord. These are the most inspiring songs.
- This title "Lord" is so powerful that if you say with your lips that Jesus is Lord and believe in your heart that He is raised you are saved (Rom. 10:9).
- This title was lost over time, forgotten, but is now being rediscovered by those who experience the baptism in the Spirit. Living Person vs. list of doctrines.
- Lord is more than just a statement, but it is a name for the one who is surrendered to Him. The Lordship of Jesus is a new world. When you say "Jesus is Lord" in the Spirit you are proclaiming the truth and making a decision.

Rediscovering Jesus is a book about taking a fresh new look at the claims of this amazing historical figure name Jesus Christ I say this in all humility but honestly I believe in my experience over the last 32 years of being a Christian and working with churches that the church has many misconceptions about who Jesus is When you do not have a proper understanding of the Bible as a Christian then your foundation will be faulty You cannot build a house to last for generations on a faulty foundation I have taken an apologetic approach to writing this book Apologetics can be defined as a defense of the Christian faith Apologetics is giving a rational presentation for and providing the intellectual basis of the truth claims of biblical Christianity I wanted to give the reader enough information where it s not too academic but academic enough that you could have a theological historical and philosophical understanding of the claims of Jesus I pray that this book will give you a revelation and understanding of the greatest man who ever lived Jesus Christ I believe that Jesus is fully God and fully man The purpose of this book is to show the evidence that you will know and consider that Jesus is truly the Son of God And that you may receive him as your Lord and Savior In this critical time in our history the only answer to true freedom and liberty is by Rediscovering Jesus the true Savior of the world **Rediscovering Jesus in Our Places** Elia Shabani Mligo,2020-05-28

The question of contextual theology and its relevance to Africa in this time of globalization whereby there are rampant uncontrolled changes in cultures technologies economic policies and even people s religious lives is very urgent How is contextual theology relevant in the ever changing contexts of the church in Africa Indeed there are a number of challenges which contextual theology faces within the church in Africa which need to be addressed contextually Some such challenges include poverty rampant violence homosexuality alcoholism the resurgence of prosperity gospel materialistic prophets and incurable illnesses like Ebola HIV and AIDS and the current coronavirus COVID 19 However which context in Africa Context in Africa as in other parts of the world is always in flux it is complex and fluid There is no permanent context The experience of Jesus in such a changing context needs to be rediscovered depending on what transpires in each particular place at a particular time This book addresses some of the overarching challenges that face contextual theology and how such challenges should be addressed by the church in Africa in contemporary ever changing context for it to be relevant in Africa It also highlights the need to move from liberation and inculturation theologies to reconstruction theology in dealing with the challenges of the current church Hence the book is important to students and scholars engaging in practical systematic biblical and contextual theologies in all their branches *Rediscovering Holiness* J. I. Packer,2009-09-15 There was a time

writes renowned theologian J I Packer in this classic book on biblical holiness when all Christians laid great emphasis on God's call to holiness. But how different it is today. To listen to our sermons and to read the books we write and then to watch the zany worldly quarrelsome way we behave you would never imagine that once the highway of holiness was clearly marked out for Bible believers. In this revised and updated edition of *Rediscovering Holiness* the highway is once more clearly marked out for a new generation of readers pointing to true freedom and joy both now and in eternity.

Rediscovering the Lord's Supper Markus Barth, 2006-09-01 Following his father's classic work *CHURCH DOGMATICS* Markus Barth considered the doctrine of the Lord's Supper which had not received a full treatment. His work resulted in an exegesis of the Lord's Supper texts in the Synoptics, the Fourth Gospel and the Pauline letters. His perspective sees the Lord's supper and its accompanying Agape meal as a symbolic event that allows God's people to commune in an atmosphere that remains open to all including the Jews whose Passover continues to shed light on this sacrament. His presentation covers the Lord's Supper, Passover, the relationship of Christians and Jews and the participation of children in communion. He challenges the definitions of Baptism, Eucharist and Ministry as expressed in the Lima Document offering one of the most sharply stated alternatives available. His discussion provides a reexamination of the Lord's Supper as a symbol of ecumenism, the opportunity for all God's people to celebrate together. This approach makes an important ecumenical contribution to understanding the Lord's Supper from a New Testament perspective.

The Hebrew God Bernhard Lang, 2002-01-01 Originally worshipped by the people of a small and politically insignificant eastern Mediterranean community, the Hebrew God rose to become the monotheistic deity of the entire Western tradition. Indeed, the God of Israel ranks as the most distinguished deity in human history. In this text, biblical scholar Bernhard Lang draws upon the available evidence including ancient Near Eastern and Egyptian texts and art to provide a portrait of the ancient Hebrew God.

The Man Who Rediscovered God Martin Luther, 2021-01-08 Martin Luther's *The Man Who Rediscovered God* Complete Works by Martin Luther. Theological Works, Sermons, Hymns, The Ninety-five Theses, The Bondage of the Will, A Treatise on Christian Liberty, Prayers, Hymns, Letters and many more. Martin Luther's theology is based on the Bible and not on dogmas. Referring to Paul's Epistle to the Romans, he claims that salvation is given through God's grace and not through deeds. It was adopted by Lutheran Churches and also by the other Reformed Churches in principle. Martin Luther was a German theologian, professor, pastor and church reformer. Luther began the Protestant Reformation with the publication of his Ninety-Five Theses on October 31, 1517. In this publication, he attacked the Church's sale of indulgences. He advocated a theology that rested on God's gracious activity in Jesus Christ rather than in human works. Nearly all Protestants trace their history back to Luther in one

way or another Luther's relationship to philosophy is complex and should not be judged only by his famous statement that reason is the devil's whore

Rediscovering Paul David B. Capes, Rodney Reeves, E. Randolph Richards, 2017-11-21 For some of us the apostle Paul is intimidating prickly and unpredictable But maybe it's time to get to know Paul on his own terms Drawing on the best of contemporary scholarship and with language shaped by conversations with today's students this expanded edition of *Rediscovering Paul* gives fresh consideration to Paul's conversion call and his ongoing impact on church and culture

Rediscovering the Holy Spirit Michael Horton, 2017-04-25 For the Spirit being somewhat forgotten is an occupational hazard The Holy Spirit is so actively involved in our lives that we can take his presence for granted As they say familiarity breeds contempt Just as we take breathing for granted we can take the Holy Spirit for granted simply because we constantly depend on him Like the cane that soon feels like an extension of the blind man's own body we too easily begin to think of the Holy Spirit as an extension of ourselves Yet the Spirit is at the center of the action in the divine drama from Genesis 1:2 all the way to Revelation 22:17 The Spirit's work is as essential as the Father's and the Son's yet the Spirit's work is always directed to the person and work of Christ In fact the efficacy of the Holy Spirit's mission is measured by the extent to which we are focused on Christ The Holy Spirit is the person of the Trinity who brings the work of the Father in the Son to completion In everything that the Triune God performs this perfecting work is characteristic of the Spirit In *Rediscovering the Holy Spirit* author pastor and theologian Mike Horton introduces readers to the neglected person of the Holy Spirit showing that the work of God's Spirit is far more ordinary and common than we realize Horton argues that we need to take a step back every now and again to focus on the Spirit himself his person and work in order to recognize him as someone other than Jesus or ourselves much less something in creation Through this contemplation we can gain a fresh dependence on the Holy Spirit in every area of our lives

Revisioning, Renewing, Rediscovering the Triune Center Derek J. Tidball, Brian S. Harris, Jason S. Sexton, 2014-11-10 An international cast of theologians come together in this volume to offer essays in tribute to the late Stanley J. Grenz one of the leading theologians of his generation Accordingly the volume includes timely

explorations in some of the most exciting areas in contemporary theology It is only fitting that these very explorations revolve around the key motifs of Grenz s theology Trinity community eschatology and the key sources from which he drew for theology s construction Scripture tradition culture While engaging key features seen in Grenz s work some of the essays here interact with Grenz s own writings reflecting on his theological journey and his contributions to evangelical theology In these ways this volume highlights the kind of evangelical theology that so many have experienced in recent years and of which Stan Grenz was a leading proponent Revisioning Renewing Rediscovering the Triune Center then makes a significant contribution to discussions in contemporary theology while itself setting out to honor the life and work of an eminent theologian who did so much for evangelical theology

Thiselton, 2017-04-03 Doubt faith certainty In this book celebrated theologian Anthony Thiselton provides clarity on these complicated long misunderstood theological concepts and the practical pastoral problems they raise for Christians He reminds us that doubt is not always bad faith can have different meanings in different circumstances and certainty is fragile Drawing on his expertise in the fields of exegesis and hermeneutics biblical studies and the history of Christian thought Thiselton works his way through the labyrinth of past definitions while offering better more nuanced theological understandings of these three interrelated concepts The result is a book that speaks profoundly to some of our deepest existential concerns

As I Have Loved You: Rediscovering Our Salvation in Christ Fr. Timothy V. Vaverek, 2022-08-12 Over many centuries Christians have lost sight of the heart of the Eternal Covenant our nuptial union with God in Jesus as members of his Body and Bride This has fueled a growing crisis of Christian identity and witness Only by rediscovering the depth and beauty of our salvation in Christ will we be drawn to share more fully in his life and saving mission But that requires encountering anew the scriptural and early Christian understanding of redemption as a nuptial bond rather than merely a juridical pardon of sin Beginning with the Trinity s revelation of himself and his Covenant in the person of Jesus *As I Have Loved You* examines our own existence as persons and how the Covenant relationship weds us to Christ in his loving service of God and neighbor That union prepares us for the Wedding Feast of the Lamb when we will know and love God even as he knows and loves us
