**Jesus Loves Children Vol. 1** Ph. D. Annie N. Mundeke, 2005-08 This book is written to teach and encourage young children to use all defensive mechanisms for their safety when they are in danger Prevention is better than medicine but if a child is a victim relying on God is helpful Calling upon the Name of the Lord Jesus Christ is a powerful defensive mechanism children should learn The Lord Jesus Christ is A Living Being The Lord Jesus Christ is Real He is not a myth He is Reality Jesus Christ loves all the children regardless of their ethnic religious and philosophical backgrounds All of the children of the world are encouraged to call upon the Name of the Lord Jesus Christ for their safety Even if some of their parents do not believe in God and in creation they still need to allow children to learn about the Power of the Lord Jesus Christ His love for children and His assistance to mankind As children learn about the Word of God they can draw a comparison between Christianity other religions and philosophical trends to develop critical thinking for better academic achievement Now there are several stories of survival that show children who have escaped danger easily yet there are also sad stories that cause pain and grief in our hearts These are stories of heartbreaking cases when the unthinkable happened to young children and even to adults Cases of children murdered slaughtered raped and ripped from their childhood while they are innocents For such cases only God knows why We can grieve and pray for peace but we cannot condemn God for God is sovereign He acts according to His divine will and plan

**Like A Little Child** Eunyoung Lim, 2021-09-07 What does it mean to be like a child in antiquity How did early Christ followers use a childlike condition to articulate concrete qualifications for God's kingdom Many people today romanticize Jesus's welcoming of little children against the backdrop of the ancient world or project modern Christian conceptions of children onto biblical texts Eschewing such a Christian exceptionalist approach to history this book explores how the Gospel of Matthew 1 Corinthians and the Gospel of Thomas each associate childlikeness with God's kingdom within their socio cultural milieus The book investigates these three texts vis vis philosophical historical and archaeological materials concerning ancient children and childhood revealing that early Christ followers deployed various aspects of children to envision ideal human qualities or bodily forms Calling the modern reader's attention to children's intellectual incapability asexuality and socio political utility in ancient intellectual thought and everyday practices the book sheds new light on the rich and diverse theological visions that early Christ followers pursued by means of images of children **The Children's Friend**, 1912

*Kids and Kingdom* James Murphy, 2013-09-10 Kids and Kingdom challenges the traditional view that Jesus was deeply concerned over children Instead it is argued that despite the Synoptic authors attempts to convince us that children are fully included in the kingdom of God that Jesus loves the little children their presentations fail to conceal images of household disruption and alienation of children brought about by Jesus eschatological movement After establishing what Greco Roman and Jewish sources reveal about children by the end of the first century a deconstructive literary approach is applied to the Synoptic Gospels foregrounding children over other characters in relation to Jesus adult ministry Murphy scrutinizes prominent healing narratives involving children and teachings involving children such as The Child in the Midst Mark 9 36 37 and parallels One of These Little Ones Mark 9 42 and parallels and Let the Young Children Come to Me Mark 10 13 16 and parallels These are examined against sayings of Jesus relativizing family ties and the lifestyle indicative of the radical call to discipleship in the Synoptic narratives Fundamentally this study does not seek to resolve but to highlight the tensions in the Synoptic Gospels between attempts at child inclusivity and the radical demands of discipleship *The Recording Locator*, 1986 *Homiletical Index* John Hancock Pettingell, 1878 **Charlotte Mason Summaries** Leslie Noelani
