Jesus One Hundred Years Before Christ:

Jesus Alvar Ellegard,2011-12-31 The starting point for the book is the following anomaly If Jesus lived as has been supposed at the beginning of the 1st century AD the only NT documents written by a near contemporary the Epistles of St Paul make no mention of him as an historical figure neither do they record any of his sayings but rather they talk of him as a vision or mystical experience of the risen Christ Further the same is true of the earliest Christian non NT texts such as the Epistles of St Clement roughly contemporary with Paul Furthermore contemporary records of the region from non Christian sources such as those by the Jewish historian Josephus fail to mention Jesus at all where we would expect them to the mentions that there are have recently been shown to be later interpolations by medieval Christian apologists the gospel accounts of Jesus and his milieu are inaccurate in all major respects e g the relative dates of Herod and Pilate if contemporary Roman and Jewish historians who had no theological axe to grind are taken as measure By comparative textual studies the author shows that the gospel accounts of Jesus life and sayings were written approximately 100 years after Jesus is supposed to have lived and so 100 years later than alleged contemporaries such as Paul Clement Josephus etc The Jesus Legend Paul Rhodes Eddy,Gregory A. Boyd,2007-08-01 Even mature Christians have trouble defending the person and divinity of Christ The Jesus Legend builds a convincing interdisciplinary case for the unique and plausible position of Jesus in human history He was real and his presence on the planet has been well documented The authors of the New Testament didn't plant evidence though each writer did tell the truth from a unique perspective This book carefully investigates the Gospel portraits of Jesus particularly the Synoptic Gospels assessing what is reliable history and fictional legend The authors contend that a cumulative case for the general reliability of the Synoptic Gospels can be made and boldly challenge those who question the veracity of the Jesus found there **Jesus** Alvar Ellegård,1999 **The Crash of A Civilization** Kanchan Banerjee,2022-07-13 The Current condition of each citizen the society and the nation are the result of a deeply complex history But what we know from history books especially academic textbooks are constructs based on the narratives of political powers colonists and outdated socioeconomic analysts The time has come to know and understand our true history from fresh and updated perspectives The subject of this book is how foreign ideologies and forces Christian Islamic and later colonists western and Marxists profound and long term influence have impacted India her society and people With a computer science back ground Kanchan Banerjee makes this remarkable and significant contribution attempting to depict the current era with unique and lively storytelling using carefully studied evidence logical deduction and analysis He has given detailed and comprehensive descriptions and assessments from pre Islamic Arabia s history foreign attacks and invasions of the Huns the Turks to the Islamic rule and occupation in Delhi and the British colonial and imperial atrocities How did the crash and fall of a great ancient civilization happen How has it been wounded the body and soul of a nation to break into several pieces And what is the way to change the direction to the path of recovery and revival This book is an

effort to find the answers to these questions from our true history If we know our past we can change our future as well

You and Jesus are Twins Joseph Edhuine,2024-10-31 Praise for Jesus and You Are Twins We have always believed a book is a set of writings that define the author s theme But when it becomes a clarification leading us to a denser and deeper spirituality then we are not only in front of the writings but we dive into knowledge that will never leave us as we were before being in possession of these revelations The relationship between Christ and us is clearly detailed by the theme of this tool of knowledge and spirituality Jesus and you are twins Daring to say it and explaining it well as was done in this book today allows Christians to reach a level of a spiritual relationship with Christ that makes us enjoy all the benefits of the person of Christ and His great power The beauty of Joseph Edhuine s book is the fact that it leads us not only to discover our relationship with Christ but also to love Him deeply and put Him in our lives in a position that no one and nothing can replace The discoveries of this work reveal to us all the beauty and value of belonging to Christ Thanks to the revelations in this book the idleness of the Christendom of many will be transformed without forcing into a fervor for Christ with a life full of demonstrative proofs of Christ through His life in us as twins Pastor Levi Kongolo Kazadi Jesus Light for Nations Mission Congo

Inventing Christic Jesuses, Volume 1 Charles A. Wilson,2017-11-09 Inventing Christic Jesuses is the first comprehensive proposal for how revisionist theology can deploy historical Jesus research in a methodologically sophisticated way Rejecting positions that insulate theology from Jesus research the proposal sets out warrants and rules for a quested Christology in dialogue with an analysis of the conduct of historians of Jesus from the period of the Third Quest c 1980 2010 The volume Method analyzes for theology the methods and values of historical research on Jesus It argues that the methodic construction of historical images of Jesus in conversation with sources is simultaneously a retrojective activity of value production First in defining the terms of the inquiry Wilson locates a middle ground between hostility to questing and a too ready application of historical results to Christology He then identifies rules and warrants for the deployment of Jesus research in theology and reconstructs the notion of the retrojection of value in the production of a historical Jesus The volume ends with a case study of retrojective Jesus production an analysis and assessment of the new notion that Jesus is a sage in the tradition of wisdom

The First One Hundred Years of Christianity Udo Schnelle,2020-06-30 Beginning as a marginal group in Galilee the movement initiated by Jesus of Nazareth became a world religion within 100 years Why among various religious movements did Christianity succeed This major work by internationally renowned scholar Udo Schnelle traces the historical cultural and theological influences and developments of the early years of the Christian movement It shows how Christianity provided an intellectual framework a literature and socialization among converts that led to its enduring influence Senior New Testament scholar James Thompson offers a clear fluent English translation of the successful German edition

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they

forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

The Secret Initiation of Jesus at Qumran Robert Feather,2005-07-28 An examination of the early mysterious Essene community at Qumran that links it with John the Baptist Jesus and the beginnings of Christianity Offers an eyewitness account of the final burial place of John the Baptist Makes the case that Christianity grew out of a form of monotheism first formulated by the Egyptian pharaoh Akhenaten Includes physical and photographic evidence never before published In his earlier book The Mystery of the Copper Scroll of Qumran Robert Feather analyzed the Dead Sea Scroll engraved on copper that is considered the work of the secretive devout Jewish sect known as the Essenes who lived at Qumran around the time of Jesus To continue his research into the Essene community s way of life and how its beliefs may have influenced the beginnings of Christianity he met with Father Jozef Milik one of the scholars who worked on deciphering the Dead Sea Scrolls in the 1950s Feather learned that during Milik s work somewhere near the Qumran ruins he had excavated a headless corpse that he believed to be that of John the Baptist Feather presents persuasive powerful evidence illustrating the strong link between the Qumran Essenes and New Testament teachings and showing that both John the Baptist and Jesus were intimately involved with this community at Qumran He further supports the claim that early Christians continued a belief system centered on a form of monotheism first formulated by the Egyptian pharaoh Akhenaten and uniquely espoused by the Essenes at Qumran
