Jesus The Authorized Biography:

Jesus Gary Wharton,2004-09 Includes such features as a chronological all scripture account of the 4 Gospels 4 indexes offer a summary of Old Testament prophecies and more This work also includes a biography of the greatest life ever lived It is useful for devotions and meditation or for scholarly reference or teaching or preaching **The Authorized Biography of Jesus Christ** Mano Govindaraj,2012 The author describes how as a high school student he first met the scientific approach to the study of the Gospels and learned that the Gospel of St Matthew was copied from an older document called Q The question arose if Matthew was a disciple of Jesus why would he need another document to write about Jesus A life long struggle to answer that question resulted in the development of this new Interpretation Matthew was a trained tax accountant Taxation is all about keeping records and diaries Jesus called Matthew to be a disciple Matthew did what he knew best keeping records and diaries as directed by Jesus Analyzing its contents using principles of information assurance Mano concludes that this gospel is in two parts The first nine chapters happened before the call of Matthew and the source of data is Jesus After chapter ten Matthew is the source of data He recorded events as indicated by Jesus including events after the arrest This is the justification for calling it an authorized biography of Jesus Christ The Ascension is omitted That significant omission proves that this gospel was not written by a later Christian believer or organization but happened because Matthew ceased his diaries before the Ascension These diaries were obtained by Christians many years later and recognized as a gospel **Jesus** Gary C. Wharton,2004 *Jesus* Lester Meredith,2009-07 As I read the Gospels I was disturbed by the perceived discrepancies between their accounts of Jesus life I knew that this was not possible because it is Gods Word So I decided to set the gospels side by side and organize each event in chronological order I did discover that all of the recorded events in Jesus life did line up after all I decided to collect other historical records and Jewish cultural writings that would go along side the Gospels I have recorded many fascinating events about Jesus and his followers that were not recorded in the Gospels Somewhere along the way I felt that I should share these writings with others But how could I really relate this great love story to the reader I was born about 2000 thousand years to late to be able to be with Jesus during his earthly ministry So I decided to write as one of Jesus followers Not as one of the 12 apostles but as one of the many who were not named This book should not and does not replace the Gospels of Matthew Mark Luke and John It does provide an interesting and chronologically accurate account of the earthly life of Jesus the Christ *Authorized Biography of Jesus, Mary, Joseph and their Disciples 2nd Edition* Alejandro Cuevas-Sosa,2019-08-16 Twenty seventh anniversary of the bioenergemal spiritual research Patriarchs prophets Buddha Jesus Mary Joseph and associates Lamas and Mohammad apologize to their followers for the millenarian fake they have been promoting All the religious figures promote themselves through parasitizing of dreams inducing in appropriated scenes and images in the dreamer conforming to their convenience Without this resource they had been unable to publicise themselves Nevertheless this book is not on religions but about whom the religious figures

Nair,2017-08-25 When Mary Magdelene is born into a Jewish family in a small town on the western bank of the Sea of Galilee no one has any idea of the impact she will have on biblical history for thousands of years to come As she grows up learning to have a reverence for God celebrating auspicious days and listening to the prayers and readings of the Torah Mary eventually matures into a young woman who understands the value of charitable work her familys business and loving God Eventually Marys lifes journey leads her to realize that she enjoys her freedom more than the idea of marrying It is only after she learns to ask for forgiveness for her sins that fate leads Mary to meet the prophet Jesus of Nazareth and realize divine elation After he recruits her to join his ministry Mary sets down a path to meet her destiny as she defies the odds and throws herself into pioneering work to develop the early Christian church In this inspirational novel the coming of age journey and subsequent tumultuous life of Mary Magdalene is revealed as she meets Christ and influences the genesis of Christianity The mere fact that Mary Magdelene is mentioned at least 12 times within the four Gospels more than most of the apostles tells me how important she is to biblical tradition In this well researched and creatively imagined story the other Mary comes alive for readers and reveals more about this mysterious woman Kathryn Johnson Author of *The Gentleman Poet* The author has done a lovely job of researching and imaging Marys life perspectives and thoughts It is very comprehensive and my own eyes grew misty as I reached the end of the book and thus the end of Marys life Elizabeth Zack **The Autobiography of Mary Magdalene** Beth Ingber-Irvin,Annie O.
