Jesus The Egyptian:

Jesus the Egyptian Richard Gabriel, 2005 Jesus The Egyptian is a revolutionary attempt to examine the origins of Christianity as historical artifacts and not theological ones The author offers the theory that Christianity is historically rooted in the ancient Egyptian creed of Osiris and not only as is often claimed in Judaism presenting a radical break with established Christian tradition Professor Gabriel offers an intriguing analysis of Jesus psychological motivation to explain Jesus rejection of Judaism and his adoption of the Osiran Isis creed the most popular and practiced pagan theology of Christ s time **The Jesus Legend Traced in Egypt for Ten Thousand Years** Gerald Massey, 2008-11-01 It goes unappreciated by modern Egyptologists but it is embraced by those who savor the concept of a hidden history of humanity and those who approach all human knowledge from the perspective of the esoteric Gerald Massey s massive Ancient Egypt The Light of the World first published in 1907 and crowning achievement of the self taught scholar redefines the roots of Christianity via Egypt proposing that Egyptian mythology was the basis for Jewish and Christian beliefs Publisher s note **Christ 2.0** Horus Michael, 2016-12-17 Christ 2 0 by Horus Michael An analysis and comparison of Biblical information with Ancient Egyptian source material Contains original research by the Author Excerpt On December 25 during the reign of Caesar the soul of AmonRa impregnated a virgin woman named Mary and she gave birth to Christ Though the woman may have been a Priestess of Vesta or a Vestal Virgin a sacred woman in Rome Vestals could not be pregnant as this violated the Roman Laws because Vestals were required to be Chaste and Pure Wise men from the East saw the Star of Christ s birth and went looking for it said to number 3 If so the 3 Wise Men called the Three Kings were actually the 3 Kings of the Pyramids of Giza Egypt because the 3 Pyramids are in the night sky as Orion s Belt The star appeared in the Constellation Virgo the Virgin appearing over a Manger On Earth this meant within a Mastaba or trapezoid shaped tomb in Egypt following the line from the 3 Pyramids This line led to Saqqara to the Mastaba of Shepseskaf of the 4th Dynasty A Mastaba resembles a Manger The new born Christ was named after Djed ka Ra Isesi a King whose Pyramid was nearby the Mastaba in Saqqara His original name was revealed in a vision as being Immanuel In Roman Latin the name was spelled Iesus In Greek it is JESUS The Greek word for burial in a tomb was Christ from the Egyptian word QRST or KRST as a Mastaba is a tomb So the child was later to be known as JESUS the Christ Inside the Mastaba tomb were burial offerings for the dead Pharaoh Shepseskaf in the form of Gold Frankincense and Myrrh The Pharaoh Isesi of the 5th Dynasty once raided the nations of Punt for Myrrh and Nubia for gold He also raided Canaan Jesus was born in Bethlehem which meant House of Bread in Hebrew Aramaic The House of Bread in Egypt was the word for Offerings Chamber in the tomb It is also a city in Judea When the Julian Calendar was converted to the Christian Calendar the birth of Christ was moved from Summer Solstice to Winter Solstice and the 5 Epagomenal Days added in the Julian Egyptian Calendar the 5 birthdays of the Gods occurs after the Solstice with Christ s birthday on Dec 25 which is the birthday of Nephthys Osiris Horus Set Isis Aset and Nephthys So Christianity preserves

Ancient Egyptian Knowledge in religion Copyright 2016 Horus Michael All rights reserved *Ancient Egyptian Roots of Christianity, Expanded 2nd Edition* Moustafa Gadalla, 2016-12-02 Egyptian roots of Christianity both historically and spiritually This book reveals the Ancient Egyptian roots of Christianity both historically and spiritually This Expanded Version of the book consists of three parts to coincide with the terms of trinity The first part demonstrates that the major biblical ancestors of the biblical Jesus are all Ancient Egyptian prominent characters The second part demonstrates that the accounts of the historical Jesus are based entirely on the life and death of the Egyptian Pharaoh Twt Tut Ankh Amen The third part demonstrates that the Jesus of Faith and the Christian tenets are all Egyptian in origin such as the essence of the teachings message the creation of the universe and man according to the Book of Genesis as well as the religious holidays The very thing that is now called the Christian religion was already in existence in Ancient Egypt long before the adoption of the New Testament The British Egyptologist Sir E A Wallis Budge wrote in his book *The Gods of the Egyptians* 1969 The new religion Christianity which was preached there by St Mark and his immediate followers in all essentials so closely resembled that which was the outcome of the worship of Osiris Isis and Horus The similarities noted by Budge and everyone who has compared the Egyptian Osiris Isis Horus allegory to the Gospel story are striking Both accounts are practically the same e g the supernatural conception the divine birth the struggles against the enemy in the wilderness and the resurrection from the dead to eternal life The main difference between the two versions is that the Gospel tale is considered historical and the Osiris Isis Horus cycle is an allegory The spiritual message of the Ancient Egyptian Osiris Isis Horus allegory and the Christian revelation is exactly the same The British scholar A N Wilson pointed out in his book *Jesus The Jesus of History and the Christ of Faith* are two separate beings with very different stories It is difficult enough to reconstruct the first and in the attempt we are likely to do irreparable harm to the second This book will demonstrate that the Jesus of History the Jesus of Faith and the tenets of Christianity are all Ancient Egyptian This will be done without causing any irreparable harm as per A N Wilson s concern for two main reasons Firstly the truth must be told Secondly explaining Christian tenets via their original Ancient Egyptian contexts will enhance the idealism of Christianity This Expanded Version of the book consists of three parts to coincide with the terms of trinity the Three that are Two that are One The first part demonstrates that the major biblical ancestors of the biblical Jesus are all Ancient Egyptian prominent individuals The second part demonstrates that the accounts of the historical Jesus are based entirely on the life and death of the Egyptian Pharaoh Twt Tut Ankh Amen The third part demonstrates that the Jesus of Faith and the Christian tenets are all Egyptian in origin such as the essence of the teachings message the creation of the universe and man according to the Book of Genesis as well as the religious holidays There is an undeniable irony and a profound deep undeniable truth in Hosea s prophetic saying Out of Egypt have I called my Son A deep irony indeed Let us open our minds and review the available evidence For the truth is a composite of different and complementary pieces of a puzzle Let us put the pieces in the right location time and order **Christ in Egypt D. Murdock, Acharya S, 2008-12 This comparative religion book contains a startling perspective of the extraordinary history of the Egyptian religion and its profound influence upon the later Christian faith The text demonstrates that the popular god Horus and Jesus possessed many characteristics and attributes in common THOTH Louise Toth, 2012-10-08 As I lay in the sarcophagus thoughts race I am laying where great kings have lain in this very sarcophagus in the king's chamber This title combines reality fantasy history mythology humanity and spirituality into one exciting package The content regarding Jesus time in Egypt will be of interest to Christian scholars but is not so heavy handed to turn off those less spiritually inclined All that is required to enjoy this title is a spirit of adventure and an open mind The US Review of Books Before the Ancient Egyptian's knowledge of the Biblical Genesis the god Thoth was considered their god of wisdom 2000 years ago the Holy family fled King Herod's wrath and young Jesus spent His formative years on Egypt soil At the educational conference in Cairo I was chosen by Lakota Elder Chief Wallace Black Elk for a three hour ceremony in the Great Giza Pyramid and an afternoon in the tomb of Tutankhamun beside Tut's mummy Join us and spend time with my professor Doctor Zahi Hawass of the Supreme Council of Antiquities and others discovering the rich history of the iconic African nation If we believe God is our Creator and we are created in His image then let us ask Him to strengthen and empower us to fulfill His call on our life I dedicate this book to my old friend Ben Vereen for his encouragement of the arts Jesus, Last of the Pharaohs Ralph Ellis, 1998-05-01 New revised and expanded 2015 edition Jesus was descended from the Egyptian royal line The exodus of the Hyksos pharaohs from Egypt to Jerusalem is an incredibly similar event to the exodus of the Israelites from Egypt to Jerusalem Classical historians will not entertain any connection between the two because this infers that the Israelite leaders were actually pharaohs of Egypt However Ralph Ellis has taken this obvious comparison and demonstrated the royal Egyptian ancestry of the Judaic patriarchs and also of Jesus Ralph has also uncovered evidence for the New Testament Saul St Paul in the historical record a discovery that brings with it several new accounts of the life of Jesus Saul the inventor of Christianity was actually Josephus Flavius a well known historian Jesus was the governor of Tiberias and owned a castle there and he may have died during the siege of Jerusalem in about AD70 rather than AD 33 This is the first book in this Egyptian Testament series This book followed by Egyptian Testament Series Tempest Exodus or King Jesus Trilogy Cleopatra to Christ V5 6 **Jesus in Egypt** Paul Perry, 2019-12 The Bible contains but a few verses about the years the Holy Family spent in Egypt their flight from Herod's death sentence the weary journey and their return to Israel after Herod died But what exactly happened to Jesus and His parents in this ancient land of myth and magic How did the sojourn in Egypt change Jesus life and influence His teachings In search of answers bestselling author Paul Perry set out to follow the Holy Family's mysterious journey himself In this fascinating book Perry tells the story of his own amazing trek into Egypt and the deeper story of the miracles and marvels he uncovered along the way With the help of the Egyptian Christian Pope and the narratives of the apocrypha Perry was able to draw a rough map of the Holy Family's route through Egypt from their

entrance into the country across the burning sands of the Sinai Desert to their zigzagging path down to the Nile With devout guides and temperamental transportation he ventured to find the places where Jesus had slept suffered performed miracles and engaged in innocent acts of mischief Near Bubastis he came upon an enormous field of fallen idols that legend says the infant Jesus had toppled and broken At Belbeis Perry almost started a riot when he questioned an Egyptian girl about the site of a tress that Jesus and Mary had rested under On the wall of a hermit cave in Abu Hinnis he found fourth century paintings of Jesus coming to Egypt Near the spot where an angel was said to have appeared to Joseph Perry photographed an apparition of light a photo that has now been declared a spiritual message from the Lord by an Egyptian bishop Part travel adventure part spiritual journey part historical detective story Chasing Jesus recounts a modern day pilgrimage into an ancient and often baffling land In the teeming back streets of Cairo in the shrines thronged by worshipers and desert wastes haunted by saints Perry turned up shards of the past tales passed down through countless generations and ghostly emanations of antiquity This extraordinary book unfolds a chapter in the life of Jesus that has been shrouded in mystery and misunderstanding for two thousand years Combining ancient texts interviews with local experts and his own startling encounters with contemporary Egypt Perry has fashioned a book of wonder and revelations

The Royal Egyptian Bastard Jesus Doug Brown, 2018-06 Doug Brown PhD physics has researched historical and literary sources in an attempt to identify the historical Jesus The Caesarion Jesus identification is pursued by invoking the Clemency policy of Octavian for survival of Cleopatra's family A Hegelian Dialectic of Christology provides a dating procedure for separating the earliest of the Nag Hammadi tractates as an original Jesus family corpus of writings This identifies the synoptic gospels Mark Matthew and Luke as misappropriating an originally Roman Greek royal Egyptian bastard Gentile Jesus as instead not only Jewish but also as the Jewish Christ contrary to how he was known by his family Jesus was instead originally introduced to the world via the strictly first century Gospel of Thomas written by Alexander Helios Antonius the twin younger step brother of Caesarion The identification of Paul of Tarsus as a fictional character based on the Autobiography of Josephus is set within the Christology Dialectic dating the Pauline corpus as a post Markan antithesis after 100CE a later period than

conventionally understood The resulting identification of a Gentile Jesus Corpus of writings left behind by the family of Jesus then suggests a possible alternative understanding of the Marcion corpus different from conventionally understood finally a post 170CE Era of Christian Fiction introduces an Apostolic Corpus including the Gospel of John inventing new ecclesiastical authorities intended to replace the Jesus family in a new unrelated proto orthodox church Lastly DNA testing in conjunction with remains of Arsinoe the half sister of Cleopatra is suggested as a means of attempting to verify the Gentile Jesus family model in the event of discovery of human remains

The Egyptian Origin of Christianity Lisa Ann Bargeman, 2003-05 My book titled *Alzheimer's Unmasked* is the culmination of over 7 years of self funded full time research that started in 1998 The initial goal was to identify what causes the neurodegenerative disease known as Alzheimer's dementia What advances this disease from mild cognitive impairment to moderate cognitive impairment and finally to the end stage of severe cognitive impairment which terminates in death Alzheimer's dementia completely destroyed my mother's cognitive functions over a 10 year period of time She died in May of 1999 My research was unproductive until this disease started to affect me Using a 3 year process of elimination diet and testing on myself I was able to isolate what caused my Cognitive impairment It took a couple more years of research before I was able to understand the mechanisms involved Trace minerals by themselves will not reverse Alzheimer's but I have found that by using them in conjunction with a restricted diet that removes certain chemicals in the foods I eat I have completely restored my cognitive functions back to normal If you are looking for answers as to what causes this Alzheimer's disease and what to do about it you will want to read *Alzheimer's Unmasked*

Ancient Egypt, the Light of the World Gerald Massey, 1992 Gerald Massey was one of the first Egyptologists in modern times to realize that with the final eclipse of the incredibly old Land of Kam a k a ancient Egypt a light had been extinguished in world civilization He was a man of protean interests and concerns at once a poet socialist Shakespearean scholar mythographer and Egyptologist Part of his genius was the ability to look truth in the face and not flinch Massey did in the cultural domain what modern paleontologists have done in the anthropological pinpoint Africa as the crucible of humanity s story In the first volume of *Ancient Egypt* Massey was primarily concerned with elaborating how the first humans emerge in Africa created thought What had been evident to him from the outset was that the myths rituals and religions of ancient Egypt or Old Kam had preserved virtually intact a record of the psychomythic evolution of humanity In the second volume Massey examines the celestial phenomenon known as the Precession of the Equinoxes He believed only by understanding this phenomenon was it possible to fathom Nile Valley history He provides the reader with extensive detail on the interconnection of the two The last half of the second volume is devoted to the Kamite sources of Christianity Massey demonstrated the manner in which New Testament Christianity evolved directly out of the Osirian mysteries Massey pioneered the effort to connect Old Kamite thought to its origin in Africa s antiquity His conclusions which are constantly being verified showed that Kamite thought was the direct progenitor to the philosophy metaphysics religion and science that eventually shaped Western civilization from back cover
