**From Nonresistance to Justice** Ervin R. Stutzman, 2011-03-29 The more things change the more they stay the same From Nonresistance to Justice explores how this is true when it comes to teaching about peace for the former Mennonite Church now part of Mennonite Church USA Has the church changed in regard to its beliefs and practices about peace over the past 100 years Yes Has it remained the same Yes Reading this book will show that both are true Through the book Ervin Stutzman shows how the church moved from an emphasis on nonresistance and nonconformity to engage in advocacy for peace and justice At the same time he presses for a greater emphasis on the way that God's activity must guide our work in the world arguing for a stronger link between God's grace justice and peace Volume 46 in the Studies in Anabaptist and Mennonite History Series

Journey for Justice Nandini Gunewardena, 2017-06-02 This biography of the late Rev Fr Michael Rodrigo OMI 1930 1987 of Sri Lanka chronicles a life fearlessly devoted to the service of the poor efforts to witness Christ to the poor through an innovative interfaith dialogue and a collaboration for their social and economic empowerment As a Catholic priest whose life parallels that of the recently

martyred Oscar Romero of El Salvador also assassinated for exposing the exploitation and marginalization of the poor Fr Michael was engaged in a selfless journey for justice The volume analyzes the driving force of his quest to forge a healing bridge between the Christian and Buddhist populations of Sri Lanka through his spiritual grounding in Catholic social teaching and his unique formulation of an interreligious dialogue It documents the indelible imprint of interfaith understanding he forged up to his untimely death Interwoven with ethnographic methodology the book offers a window for understanding the class and religious ruptures stemming from Sri Lanka s colonial history contextualized in the social realities of poverty in rural Sri Lanka the political and economic forces implicated in deepening poverty the resistance struggle by oppressed youth and Fr Mike s legacy of justice through peace Just Discipleship Michael J. Rhodes,2023-08-08 Biblical scholar Michael Rhodes argues that the Bible offers a vision of justice oriented discipleship that is critical for the formation of God s people Grounded in biblical theology virtue ethics and his own experiences he shows that justice is central to the Bible central to Jesus and central to authentic Christian discipleship Seeds of Justice Wiesendanger, Alex Tindal,2020-03-18 Practical tools for organizing communities and congregations to promote social change Justice on the Cross Kathleen Christison,2023-03-09 At its heart liberation theology is a modern theology of resistance to the oppression imposed by colonialist and post colonialist systems and even by churches that cooperate with secular centers of power to oppress the poor and disadvantaged It is a grassroots social justice theology a *cri de c ur* that seeks to give spiritual succor and hope to those living in seemingly hopeless circumstances Palestinians a people whose suffering has largely been forgotten by the world since Israel s establishment and who are most often stereotyped as extremists and enemies of Israel with no legitimate claim to their own homeland are among the world s most marginalized populations The small Palestinian Christian community an indigenous population descended from Jesus s first followers has created a liberation theology for the Palestinian context that reaches out to its own Christian faithful and their Muslim compatriots This is a nonviolent political theological resistance that follows Jesus s teaching that God is present with all God s children and heeds Jesus s gospel injunctions to comfort the suffering and let the oppressed go free For Palestinians their very survival in the land is resistance to Israel s efforts to remove them and liberation theology sustains their resistance Jesus was the first liberation theologian *Jesus and Justice* Peter Goodwin Heltzel,2009-07-21 This timely book investigates the increasing visibility and influence of evangelical Christians in recent American politics with a focus on racial justice Peter Goodwin Heltzel considers four evangelical social movements Focus on the Family the National Association of Evangelicals Christian Community Development Association and Sojourners The political motives and actions of evangelical groups are founded upon their conceptions of Jesus Christ Heltzel contends He traces the roots of contemporary evangelical politics to the prophetic black Christianity tradition of Martin Luther King Jr and the socially engaged evangelical tradition of Carl F H Henry Heltzel shows that the basic tenets of King s and Henry s theologies have led their evangelical heirs toward a

prophetic evangelicalism in a shade of blue green blue symbolizing the tragedy of black suffering in the Americas and green symbolizing the hope of a prophetic evangelical engagement with poverty AIDS and the environment This fresh theological understanding of evangelical political groups shines new light on the ways evangelicals shape and are shaped by broader American culture

**Promise of Peace, Call for Justice** Thomas Eugene Ridenhour,1986-09

**False Justice** Stuart Greaves,2012-12-18 Justice for all False Justice specifically calls for a paradigmatic shift in the way most people think about justice Having a right paradigm of fairness is crucial to withstanding the type of deception that is rapidly permeating our culture today False Justice equips you with the Christ focus and the biblical backing needed to form a right and godly mindset regarding social justice Distinct from other Christian books about social justice False Justice has a Christ centric focus it defines justice in relation to Jesus Himself doesn t simply suggest methodologies it calls for a change in the foundational paradigm of justice tells how Jesus intends to bring godly justice upon the earth reveals how the message of the gospel is the message of justice False Justice brings you closer to God by clearly revealing His desire for righteousness honesty and integrity in the earth setting Christ as the ultimate vision of justice and calling you to set your attention solely on Him

**Justice** Walter J. Houston,2016-04-29 What does the Bible have to say about justice and what relevance has this for people particularly Christians today Justice The Biblical Challenge offers readers a balanced assessment of the biblical treatment of justice and what we might learn from this The book opens with a brief overview of the differing social contexts which shaped how people thought about justice in biblical times The examples of justice are grouped under three key narratives the story of creation justice as cosmic order the story of the Exodus justice as faithfulness and the story of Israel justice as a community of equals The story of Jesus in Mark is then examined as exemplifying all three narratives The book then applies these biblical stories to the world we live in now applying an innovative justice audit which uses the three biblical narratives of justice as yardsticks The book concludes with an exploration of how readers might apply the ideas raised in the book to working for justice

**The Empowerment Process** Mary Ellen Durbin,1994 The Empowerment Process is a user friendly manual that is designed for those who wish to integrate and center social ministry into the ongoing life of their local Christian community

*The Politics of Jesús* Miguel A. De La Torre,2015-06-10 The Politics of Jes s is a powerful new biography of Jesus told from

the margins Miguel A De La Torre argues that we all create Jesus in our own image reflecting and reinforcing the values of communities sometimes for better and often for worse In light of the increasing economic and social inequality around the world De La Torre asserts that what the world needs is a Jesus of solidarity who also comes from the underside of global power The Politics of Jesus is a search for a Jesus that resonates specifically with the Latino a community as well as other marginalized groups The book unabashedly rejects the Eurocentric Jesus for the Hispanic Jesus whose mission is to give life abundantly who resonates with the Latino a experience of disenfranchisement and who works for real social justice and political change While Jesus is an admirable figure for Christians The Politics of Jesus highlights the way the Jesus of dominant culture is oppressive and describes a Jesus from the barrio who chose poverty and disrupted the status quo Saying no to oppression and its symbols even when one of those symbols is Jesus is the first step to saying yes to the self to liberation and symbols of that liberation For Jesus to connect with the Hispanic quest for liberation Jesus must be unapologetically Hispanic and compel people to action The Politics of Jesus provocatively moves the study of Jesus into the global present

**Seek First** Jeremy R. Treat,2019-04-09 FIND WHAT MATTERS MOST BUILD YOUR LIFE AROUND IT In an age of distraction everyone is looking for something that gives purpose and perspective on life

Jesus says it's the kingdom of God. But the kingdom is not just another religious idea. Rather, God's loving reign brings clarity and coherence to all of life: identity, work, play, relationships, justice, character, in a way that is profound and practical. *Seek First* brings theology to the streets, giving a vision for the kingdom that will truly change your life. Treat presents the message of the kingdom in a way that gives us a grander vision for life, whether in the workplace or on the basketball court. CHRIS BROUSSARD, NBA analyst and sports broadcaster: Few books do as good a job as this one in showing us how giving up everything for Christ and his kingdom is the pathway to our greatest gain. *Seek First* is a gem. SCOTT SAULS, author and senior pastor, Christ Presbyterian Church: With insight and passion, *Treat* reveals why we ought to reorient our lives and reprioritize our loves, practical and powerful. MARIELLE WAKIM, editor, *Los Angeles* magazine: A prophetic and urgent note to the generations, a clearly written and much needed book. KEVIN J. VANHOOZER, professor, Trinity Evangelical Divinity School:

United States. Congress. Senate. Committee on Appropriations, 1978. **Evangelical Theologies of Liberation and Justice** Mae Elise Cannon, Andrea Smith, 2019-09-10. Despite the current evangelical focus on justice work, evangelical theologians have not adequately developed a theological foundation for this activism. In this insightful resource, evangelical academics, activists, and pastors come together to survey the history and outlines of liberation theology, opening a conversation for developing a specifically evangelical view of liberation that speaks to the critical justice issues of our time.
