Jesus Journey:

Jesus' Journey to the Cross Jeanne Kun, 2009 Accompany Jesus through the events of his passion death and resurrection in this newest Scripture guide of our popular Keys to the Bible series In Jesus Journey to the Cross you can follow Jesus on his jubilant entry into Jerusalem sit with him during his last supper with the apostles pray with him during his agony in Gethsemane and stand at the foot of the cross on Golgotha where with a love unto death he offered his life for our salvation What a blessed way to spend the six weeks of Lent **Jesus Journey** Trent Sheppard, 2017-02-07 Jesus was human like you and me If the gospel is true he still is Christians worldwide believe that Jesus is God But this belief wasn't the starting point for Jesus earliest followers While Jesus humanity was a given for the disciples his divinity was a truth they grew into believing it was a journey of faith As Christians today we are also called into a faith journey this time to rediscover Jesus humanity Yes we believe that Jesus is God but do we truly believe that Jesus is human And if so how does that transform our own experience of being human Through eye opening yet down to earth reflections Jesus Journey invites you to encounter Jesus again as if for the first time by experiencing his breathing heart beating body and blood crying and laughing humanity Join Bible teacher and storyteller Trent Sheppard as he shines new light on the vibrant humanity of the historical Jesus through an up close look at Jesus relationships with Mary and Joseph with the God he called Abba with his closest friends and followers and how ultimately his crucifixion and resurrection finally and forever redefine what we mean by the word God Come encounter the human who radically transforms our view of God Come encounter the God who forever changes what it means to be human **Journey Through Life** Randy A. Christianson, 2020-07-30 Father in heaven through the Holy Spirit You have faithfully kept Your promise and have carried us all the way through our journey of life with You We owe all our life love obedience and thanksgiving to You In the glorious name of our Lord and Savior Jesus Christ we pray amen It was while reading the gospel of John that Randy Christianson first began to see parallels between Moses and Israel's wilderness journey with God and our own journey in this world with Jesus Journey through Life is a volume of fifty two devotions that explore the resemblances of Israel's journey from slavery in Egypt to freedom abundant life in Canaan and our journey from slavery of sin to freedom abundant life in Christ Each devotion is divided into five sections that include a word or words whose meanings arise from a biblical perspective and end with a prayer and a verse of the week or day that summarizes the devotional Throughout his devotions Christianson reminds those belonging to Christ and spiritual seekers that God is faithful and never forsakes those who are in Christ despite our daily struggle with sin **The Lucan Journey** Maria Yen Thi Do, 2010 This work investigates the Lucan journey motif from a literary and theological perspective It starts by examining the indications of movement in the narrative sequence of the Gospel Using the historical critical method the author continues with a study of the Transfiguration Luke 9 28 36 and the Ascension Acts 1 6 11 narratives and presents a comparison between them The work concludes with an investigation of the Lucan journey in the two volume work of Luke On the literary

level the author suggests that the Transfiguration and the Ascension narratives are composed as an architectural pair and in turn serve as the respective starting points for the parallel journeys in Luke Acts On the theological level she shows that the two journeys are in fact two stages of the one unique journey namely the journey of the Salvific Message Thus the author provides a further confirmation of the unity of the two volume work of Luke Jesus Unleashed Ron Clark,2014-01-03 Luke s narrative of Jesus was presented to Christians who had already heard and read stories of Jesus and the birth of this new movement Christianity Luke seemed to rewrite the story of Jesus similar to ancient epics of the history of a nation a movement and the tale of a hero Jesus and the church emerged in occupied Judea a nation that was not only oppressed but was in exile Occupied Judea however struggled for power and honor and in turn for marginalized people who needed God Jesus the epic hero journeyed to earth and Jerusalem to free those on the margins of society This epic story lives on today in a church that also has heard the story of Jesus but has forgotten that the friend of sinners calls Christians to also reach those who are marginalized by our occupied culture Luke invites Christians to emerge as a movement that seeks and saves those ostracized by our communities **Joining Jesus on the Way** Phil Mayo,2019-12-10 What does it mean to take up your cross daily Sell your possessions and give to the poor really Deny yourself Jesus says How does all of this fit together in a world two thousand years removed Joining Jesus on the Way takes a look at the discipleship teachings of Jesus through the lens of the Gospel of Luke Luke s unique emphasis on discipleship has long been recognized among the Gospel traditions One might even call Luke s Gospel a discipleship manual In Luke Jesus prepares his disciples for the power packed ministry they will live out in Luke s second volume Acts Jesus teaches his disciples about self denial obedience to his commands proper attitude toward possessions faith and prayer and after his resurrection promises them the presence and power of the Holy Spirit to continue the ministry he began Most of Jesus discipleship teachings are found in the travel narrative portion of the Gospel of Luke In these ten chapters Jesus is traveling up to Jerusalem and his ultimate destiny the cross This is a journey on which Jesus invites all would be disciples to join him On the way we learn what it means to be true followers of Jesus The ultimate goal of the journey is the cross which every disciple must bear but the journey does not end here Death to self means resurrection to new life in Christ Two thousand years later Jesus is still calling his followers to join him on the way but we don t always know how to answer that call It s not necessarily our fault as we seem to hear very little these days about true discipleship Some are answering the call but don t know what to do next Their pursuit of Jesus is avid but they need someone to help them along the way This book is written to be that help In **Joining Jesus on the Way** Mayo considers the implications of Jesus discipleship teachings for would be disciples both then and now This book is written to challenge 21st century believers to deepen their walk with Jesus and to choose to take up that proverbial cross and follow him daily **For This He Came** Bill Crowder,2018-02-26 Jesus death on the cross and resurrection from the grave are the cornerstone of our Christian faith But it s important to remember the events leading up to that time the ones in which Christ taught His

disciples important lessons that should still be imprinted on our hearts today Bill Crowder walks you through those key moments of the Last Supper the garden of Gethsemane and the trial before Pilate as well as Christ's death and resurrection to give you a complete picture of the Savior Walking in His Footsteps Major A. Patrick J. Hartin,2025-01-15 Within each of the four gospels there is a foundational spirit a rich spirituality based on each gospel s unique understanding of Jesus and what it means to be his disciple In this study Fr Patrick Hartin looks at each gospel and asks such questions as Who is Jesus and What transformation does this encounter with Jesus invite Hartin thoroughly unpacks these questions and then follows with examples of people who embody the transformative power of these spiritualities from Saint Francis and Dorothy Day to Saint Augustine and Archbishop Romero Hartin s twofold approach gives us a deeper appreciation for the spiritual dimension of the gospels and helps us to be transformed in Christ by their message and vision Commentary study and reflection questions prayers and access to online lectures are included 6 lessons **Luke**

the Historian of Israel's Legacy, Theologian of Israel's 'Christ' David Paul Moessner,2016-07-25 David Moessner proposes a new understanding of the relation of Luke s second volume to his Gospel to open up a whole new reading of Luke s foundational contribution to the New Testament For postmodern readers who find Acts a generic outlier dangling tenuously somewhere between the mainland of the evangelists and the Peloponnese of Paul diffused and confused and shunted to the backwaters of the New Testament by these signature corpora Moessner plunges his readers into the hermeneutical atmosphere of Greek narrative poetics and elaboration of multi volume works to inhale the rhetorical swells that animate Luke s first readers in their engagement of his narrative In this collection of twelve of his essays re contextualized and re organized into five major topical movements Moessner showcases multiple Hellenistic texts and rhetorical tropes to spotlight the various signals Luke provides his readers of the multiple ways his Acts will follow all that Jesus began to do and to teach Acts 1 1 and consequently bring coherence to this dominant block of the New Testament that has long been split apart By collapsing the world of Jesus into the words and deeds of his followers Luke re configures the significance of Israel s Christ and the Reign of Israel s God for all peoples and places to create a new account of Gospel Acts discrete and distinctively different than the narrative of the many Luke 1 1 Luke the Historian of Israel s Legacy combines what no analysis of the Lukan writings has previously accomplished integrating seamlessly two generically estranged volumes into one new whole

from the intent of the one composer For Luke is the Hellenistic historian and simultaneously biblical theologian who arranges the one plan of God read from the script of the Jewish scriptures parts and whole severally and together as the saving script for the whole world through Israel's suffering and raised up Christ Jesus of Nazareth In the introductions to each major theme of the essays this noted scholar of the Lukan writings offers an epitome of the main features of Luke's theological thought and in a final Conclusions chapter weaves together a comprehensive synthesis of this new reading of the whole

The Narrative Unity of Luke-Acts Robert C. Tannehill, Tannehill shows how the narrative contributes to the impact of Luke's literary whole The study further shows that Luke's use of recurring words patterns of repetition and contrast irony pathos and many other features of this narrative contribute to the total fabric of Luke's masterpiece **Introduction to the Bible**, 1971-01-01 This profusely illustrated book is doubly valuable It introduces the reader to both the content of the Bible and to the life faith and history of ancient Israel early Judasim and early Christianity **The Collegeville Bible**

Commentary Robert J. Karris, 1992 The Collegeville Bible Commentary is available in an affordable two volume paperback edition Special ease binding allows the volumes to lie open without assistance Perfect for classroom use or personal study

Dennis W. Chadwick, 2022-04-13 Kings Deliverers and Prophets brings a new biblical perspective to the much debated question of the meaning of Luke's journey narrative Dennis W Chadwick identifies and documents three extended sequences of Old Testament echoes in Luke 9 19 by which Luke confirms that Jesus is the eschatological king the eschatological deliverer and the eschatological prophet **A Public and Political Christ** Bart B. Bruehler, 2011-08-05 Was Jesus a public figure A political figure Yes according to Luke's gospel Jesus was a Christ who was both public and political

Recent developments in the theory and practice of the study of space have provided tools to classify ancient social spatial spheres with greater nuance and depth A broad survey of literary and archaeological resources in the ancient world as well as an in depth look at Plutarch's Political Precepts and Philostratus's Life of Apollonius reveals that the familiar dichotomy of public and private does not suffice to describe the Hellenistic Roman milieu that shaped the author and audience of the third gospel This study employs social spatial analysis to explore how Luke uses the power of place to portray Jesus frequently engaging the unofficial public sphere and local politics specifically in 18 35 19 43 the public healing of the blind beggar the unexpected impact of Zacchaeus's hospitality the political implications of the parable of the king and his subjects and the publicity and politics of Jesus entry into Jerusalem The result is an illuminating look at the overall spatial character of Luke's gospel the development of Christianity in the latter half of the first century and the role of place in contemporary Christianity
