Jesus Myths Mebage:

Jesus : God, Man, Or Myth? Herbert Cutner, 2000 Did pagan mythologies represent Christs miracles in order to convince them to accept the Christian faith Beyond these miracles is there enough evidence to prove there was a Jesus Cutner says no He also says that the Apostle Paul never portrayed Jesus as a man but as a spiritual being To Paul Christ is found in a spiritual sense within oneself as opposed to being an actual historical personage When the Church accepted Paul this inner reflection was outwardly projected by the Church into an actual man saviour according to Cutner This might be why Paul was almost rejected by the Church his views posed a danger to those who might rely on their own spiritual knowledge rather than the authority of the Church Whether Jesus lived or not we still have a lot to learn about ourselves and our true place in the universe This book although critical may be useful in that respect *Jesus: Myth, Man, Or God* James Martin Peebles, 1870 **The Christ Myth** Arthur Drews, 2023-10-23 Arthur Drews The Christ Myth is a groundbreaking exploration of the origins of Christianity that challenges traditional beliefs Drews boldly asserts that Jesus Christ is a mythical figure rather than a historical person challenging centuries of religious doctrine In this meticulously researched book Drews dissects ancient texts and historical accounts to present a compelling argument for the mythical nature of Jesus Christ shedding light on the evolution of Christian beliefs His writing style is academic and thorough appealing to readers interested in theological debates and historical analysis The Christ Myth offers a provocative and thought provoking perspective on Christianity s foundational figure inviting readers to reassess their understanding of one of the world s most influential religions Arthur Drews extensive research background and critical analysis make The Christ Myth a must read for anyone interested in the intersection of religion history and mythology **Jesus** Lisa Spray, 1992 A fresh innovative approach to Christian doctrine It looks at the historical Jesus from a fascinating new viewpoint bridges the gap between Jesus s own teachings existing Christian doctrines Written in a direct but provocative style it is easily readable by the general public scholars alike The main source is the Bible itself The views of many noted Christian Scholars are also incorporated into the text along with quotes from other scriptures notably the Apocrypha the Dead Sea Scrolls the Quran The truths which Jesus taught are an integral part of human spirited development of the development of Western civilization in general Those who truly wish to follow the religion of this man wish to worship God as he taught will find many questions raised I hope many more answered in this volume Fascinating reading for anyone interested in Christianity or the search for spiritual truth The picture of Jesus emerges with clarity Introduction appendix references Indices A must for all libraries colleges Available thru the publisher 1 800 995 1938 **The Truth About Jesus : Is He a Myth?** M. M. Mangasarian, 2019-11-29 In The Truth About Jesus Is He a Myth M M Mangasarian embarks on a provocative exploration of the historical and mythological underpinnings of the figure of Jesus Christ Anchored in a critical analysis of religious texts and the socio cultural milieu of early Christianity Mangasarian employs a blend of rigorous scholarship and accessible prose to engage readers in questions

surrounding the authenticity of Jesus existence He meticulously examines various aspects of biblical narratives drawing upon historical philosophical and theological perspectives to challenge conventional beliefs concerning the life and divinity of Jesus Mangasarian an Armenian American writer and a notable freethinker was usurped by the tenets of skepticism leading him to scrutinize religious dogmas His background as a former member of the Armenian Apostolic Church and experiences with the constraints of orthodox beliefs informed his critical approach to theological discussions This inquiry is part of his broader commitment to rationalism and secularism as his works often advocate for intellectual freedom and the scrutinization of sacred texts This book is highly recommended for those interested in history theology and philosophy Readers seeking to deepen their understanding of the rivalry between faith and reason will find Mangasarian s incisive arguments both compelling and enlightening making it a significant contribution to the discourse on religion and myth

Jesus Ian Curtis,2006-06 Are you strong enough to handle the truth about your faith and belief Since infancy you have been taught stories from the Bible Did you know that they are simply myths and superstitions gathered together from the veils of antiquity The priests of the ancient world were seeking a new method of power and control over the masses In this book you will be given truths and directed to paths of reality All religions are created for control and wealth Jesus never existed and there is no evidence that a benevolent God watches over his children There is also the same lack of proof that an Allah a Buddha or a Krishna ever existed or exists today What we have developed is a path to the total destruction of mankind Our planet earth is being torn apart by foolish beliefs which are promoted and supported by the weaknesses of a mass of human beings who have to have a security blanket Collectively the nations of the world are on an inevitable collision course and the cause is religion This is the ultimate results of a child s game of my God is bigger than your God

The Christ Myth Elizabeth E. Evans,2000 Was the entire story of Jesus nothing more than thatjust a story Evans presents an interesting argument According to her many things accepted as true regarding the story of Jesus may in fact not be true This book refutes aspects of Christ based on factual evidence combined with strong opinions of the author that may or may not be proven Many have been conditioned to accept Jesus in certain ways without the use of reason Evans provides us with a form of rational thinking that has been left out of our religious conditioning process Those who are open enough to read it will find it challenging and rewarding

The Truth about Jesus : Is He a Myth? M. M. Mangasarian,2022-05-28 In The Truth about Jesus Is He a Myth M M Mangasarian scrutinizes the historical existence of Jesus Christ with a blend of scholarly acumen and provocative inquiry Presented originally to the Independent Religious Society in Orchestra Hall this work is as daring as it is meticulous engaging readers with a thorough examination of Christian documents and traditions juxtaposed against secular historical records Mangasarian s literary style is marked by cogent arguments and methodical deconstruction of biblical narratives evaluating claims such as the virgin birth the crucifixion and the parallels with Paganism The book is shrouded within the broader realm of religious philosophy and the historical analysis of early Christianity and it challenges

the reader to consider the fusion of history myth and religion in the making of a central figure like Jesus Moses M Mangasarian a once Presbyterian minister who turned Rationalist employs his profound knowledge of theological doctrines and historical texts to pose challenging questions about religion s role and interpretations within society His own journey from orthodoxy to skepticism imbues the text with a unique perspective melding a deep understanding of Christian tenets with a robust challenge to their historical veracity This book is a testament to his life s work in seeking to elucidate the intersection of faith and fact and to offer an alternative discourse to traditional religious narratives Ideal for both students of theology and those interested in religious critique *The Truth about Jesus Is He a Myth* comes highly recommended It is an indispensable resource for anyone intrigued by the historical debate surrounding the figure of Jesus and the origins of Christianity Mangasarian s dissection of widespread assertions within Christendom is sure to evoke reflection discussion and renewed understanding whether one aligns with religious belief or maintains a secular or skeptical viewpoint This volume promises to be a thought provoking addition to any intellectual library and a catalyst for critical discourse on one of the most influential narratives of Western civilization

Jesus, Man or Myth? Carsten Meedom, 2014-01-17 Jesus Christ is one of the most revered and at the same time maligned figures in human history What is the truth about him Can we reliably know anything at all In this clear and authoritative book a leading historian and theologian faces head on the difficult questions about the historical Jesus He invites readers to lay aside any preconceived ideas that may have and to examine the evidence They may be surprised at the findings

Jesus and Myth Peter John Barber, 2021-02-15 Is Jesus mythological And is he a mere product of his cultural milieu Through narratological and social scientific analysis of the gospel account Barber systematically demonstrates that there are two opposing patterns structuring the gospel The first is the pattern of this world which is the combat myth with a typical sequence of motifs having mythological meanings It is lived out by everyone else in the accounts except Jesus because this pattern of the world is the pattern of myth culture which is the pattern of the old Adam and sin nature The pattern of Jesus is the pattern intended for Adam to walk in and is the unique pattern of the new Adam Jesus Christ Jesus s pattern inverts the sequence and subverts the significance of each and every motif and episode of the myth culture s pattern Barber shows that Jesus s failure to conform to this world s mythological pattern establishes that he is not mythological and not a product of his culture As the apostle Peter states we did not follow cleverly devised tales myths when we made known to you the power and coming of our Lord Jesus Christ but we were eyewitnesses of his majesty 2 Pet 1 16

Jesus Christ and Mythology Rudolf Bultmann, 1958

Library of Liberal Arts title

From the Green Man to Jesus: The Origin and Evolution of the Christ Myth Mark Amaru Pinkham, 2019-09-04 The story of the life of Jesus Christ was based on a series of much older Christ Myths that began with the Neolithic Green Man who was born to a virgin and a father in the heavens in December and later resurrected in the spring The Green Man Christ Myth evolved into the Christ Myths of many Near Eastern and Far Eastern Divine Sons of God

including the Hindu Murugan the Mesopotamian Tammuz the Egyptian Osiris and the Greek Dionysus It also evolved into the Persian Christ Myth of the Divine Son of God Mithras and in this form it was taken west by by Magi Priests to Tarsus of Cilicia and into the hands of the city s most famous resident St Paul When the future Apostle traveled to Palestine with the Roman Legions and heard the life story of Jesus he recognized the Jewish Messiah to be Mithras who according to ancient Persian prophecy was scheduled to incarnate at the same time as Jesus When it became time for him to spread the Gospel to the Gentiles St Paul amalgamated most of the important events in the life of Mithras onto the life of Jesus This became the authorized Christ Myth of Jesus taught within the Christian Church *The Christ Myth - A Critical Review and Analysis of the Evidence of His Existence* John E. Remsberg,2007-04-01 This volume on The Christ was written by one who recognizes in the Jesus of Strauss and Renan a transitional step but not the ultimate step between orthodox Christianity and radical Freethought By the Christ is understood the Jesus of the New Testament The Jesus of the New Testament is the Christ of Christianity The Jesus of the New Testament is a supernatural being He is like the Christ a myth He is the Christ myth

Jesus in the Gospels John W. Sweeley,2000 The author has utilized the tools of modern biblical criticism to strip away much of the mythology and misunderstanding about the nature of the historical Jesus His goal has been to discover Jesus in his setting of first century Palestine and to illuminate his life ministry death and resurrection from this context Jesus in the Gospels elucidates a more authentic Jesus allied to the liturgical and theological development of the early Christian church

Myth Man John R. Aurelio,1993 A life of Christ for the 1990s Aurelio s masterwork is now in paperback A wonderful retelling of the Gospel accounts as story Aurelio remains faithful to the essential truth of the Gospels but feels free to give Jesus and the other characters emotions and feelings Anyone who wants to see the Gospels from a fresh perspective will cherish this book ALA Booklist **The Christ Conspiracy** Acharya S.,2012-09-04 In this highly controversial and explosive book archaeologist historian mythologist and linguist Acharya S marshals an enormous amount of startling evidence to demonstrate that Christianity and the story of Jesus Christ were created by members of various secret societies mystery schools and religions in order to unify the Roman Empire under one state religion In developing such a fabrication this multinational cabal drew upon a multitude of myths and rituals that existed long before the Christian era and reworked them for centuries into the religion passed down to us today Contrary to popular belief there was no single man who was at the genesis of Christianity Jesus was many characters rolled into one These characters personified the ubiquitous solar myth and their exploits were well known as reflected by such popular deities as Mithras Heracles Hercules Dionysos and many others throughout the Roman Empire and beyond The story of Jesus as portrayed in the Gospels is revealed to be nearly identical in detail to that of the earlier savior gods Krishna and Horus who for millennia preceding Christianity held great favor with the people The Christ Conspiracy shows the Jesus character as not unique or original not divine revelation Christianity reinterprets the same extremely ancient body of knowledge that revolved around the celestial bodies and natural forces The

result of this myth making has been *The Greatest Conspiracy Ever Sold* *The Truth Behind the Christ Myth* Mark Amaru Pinkham, 2002-04 Return of the Serpents of Wisdom and Conversations With the Goddess author Pinkham tells us the Truth Behind the Christ Myth and presents radically new information regarding Jesus Christ and his ancient legend includes The legend of Jesus Christ is based on a much earlier Son of God myth from India the legend of Murrugan the Peacock Angel The symbol of the Catholic Church is Murrugan s symbol the peacock a bird native to south east Asia Murrugan evolved into the Persian Mithras and Mithras evolved into Jesus Christ Saint Paul came from Tarsus the centre of Mithras worship in Asia Minor He amalgamated the legend of the Persian Son of God onto Jesus life story The Three Wise Men were Magi priests from Persia who believed that Jesus was an incarnation of Mithras While in India Saint Thomas became a peacock before he died and merged with Murrugan the Peacock Angel The Emperor Constantine the first Christian Emperor of the Roman Empire was a lifelong devotee of Mithras He was baptised Christian on his deathbed The myth of the One and Only Son of God originated with Murrugan and Mithras

The Jesus Problem John Robertson, 2017-11-27 As was explained in the preamble to *The Historical Jesus* 1916 that work was offered as prolegomena to a concise restatement of the theory that the Gospel Jesus is a mythical construction That theory had been discursively expounded by the writer in two large volumes *Christianity and Mythology* and *Pagan Christs* and summarily in *A Short History of Christianity* the argument in the two former combining a negative criticism of the New Testament narrative with an exposition of the myth evidence Criticism having in large part taken the form of a denial that the records were unhistorical it was necessary to clear the ground by showing that all the various attempts of the past generation to find in the gospels a historical residuum have entirely failed to meet critical tests Those attempts conflicting as they do with each other and collapsing as they do in themselves give undesigned support to the conclusion that the gospel story is without historic basis It remains to restate with equal brevity the myth theory which long ago propounded on a very narrow basis has latterly been re developed in the light of modern mythology and anthropology and has in recent years found rapidly increasing acceptance Inevitably the different lines of approach have involved varieties of speculation Professors Drews and W B Smith have ably and independently developed the theory in various ways and a conspectus and restatement has become necessary for the sake of the theory itself no less than for the sake of those readers who call for a condensed statement This in turn is in itself tentative If the progressive analysis of the subject matter from the point of view of its historicity has meant a century

and a half of debate and an immense special literature it is not to be supposed that the theory which negates the fundamental assumptions of that literature can be fully developed and established in one lifetime at the hands of a few writers The problem What really happened is in fact a far wider one for the advocate of the myth theory than for the critic who undertakes to extract a biography from the documents In its first form as propounded by Dupuis and Volney the myth theory was confined simply to certain parallelisms between Christian and Pagan myth and to the astronomical basis of a number of these From this standpoint the actual historic inception of the cult was little considered Strauss again developed with great power and precision the view that most of the detail in the gospel narrative is myth construction on the lines of Jewish prophecy and dogma But Strauss never fully accepted the myth theory having always assumed the existence of a teacher as a nucleus for the whole As apart from the continuators of Dupuis and Volney it was Bruno Bauer who setting out with the purpose of extracting a biography from the gospels and finding no standing ground first propounded a myth theory from that point of view His construction being the substantially arbitrary one of a hypothetical evangelist who created a myth and thereby founded the cultus naturally made no headway and its artificiality strengthened the hands of those who claimed to work inductively on the documents It was by reason of a similar failure to find a historic footing where he had at first taken it for granted that the present writer was gradually led on lines of comparative hierology and comparative mythology and anthropology to the conception of the evolution of the Jesus cult from the roots of a pre Christian one The fact that this view has been independently reached by such a student as Professor W B Smith who approached the problem from within rather than by way of the comparative method seems in itself a very important confirmation
