Jesus Never Was A Christian:

Jesus Was Not a Christian Arnim 'von Brachdte', 2008-04-15 The title of this book *Jesus Was Not A Christian* will startle thousands of Christians throughout the world To devout Christians such an opinion of Jesus is contrary to the traditional portrayal by clergymen To the Christians Jesus Christ was all that they think the Gospels say he was the founder of Christianity the God incarnate Messiah conceived by the virgin Mary and dedicated to spreading the message of the salvation to the Gentiles the most startling fact that I have uncovered from my study of the New Testament is not describing one man when it refers to Jesus The first Jesus appeared at the beginning of the first century Jesus considered himself to be a descendant of the house of the King of David and that he was the God Sent King of the Jewish people the Messiah a title which when translated from the Greek means Christos or Christ roughly corresponding to the Hebrew Anointed One This was the Jesus of History The second Jesus never lived He is a composite and more often contradictory personality who is described in the new Testament as God the Son Incarnate The is the Jesus who is credited with founding the Christian Church He is the product of falsifications misunderstandings epileptic seizures of Paul of Tarsus Historians have come to call this character the Jesus of Theology Concerning the rise of Christianity Christians are absolutely ignorant In the early Church martyrdom and sainthood were not of the slightest importance to its development What did the closest associates of Jesus think about him What effect did the Jewish War have on Christian origins What part did criminal forgery play in Christian history More questions will be answered with no holds barred *Jesus Never Was a Christian* Jonathan Edward Alder, 1987-10-01 *The Historicity of Jesus* Shirley Jackson Case, 1912 **Ten Things I Wish Jesus Never Said** Victor Kuligin, 2006 With honesty and humility this book examines ten of Christ's difficult sayings and offers practical advice for following Christ *Jesus Never Lived!* Laurence Dalton, Shirley Dalton, 2013-04-20 *Jesus Never Lived* Volume 1 *Jesus Christ A Pagan Myth* 3rd Revised and Expanded Edition Over 225 pages have been added to the previous edition *Jesus Christ A Pagan Myth* explores the pagan origins of Christianity and shows that Jesus Christ never lived This book is for doubting Christians x believers atheists agnostics and those who are just plain curious about whether a man could walk on water We have focused on the evidence of the Roman Empire in the first and early second centuries CE Part 1 is a 170 page detailed analysis of the Gospel of Mark It shows that the religious beliefs of Mark were derived from the pagan world The Gospel is a pagan myth in Jewish dress as Bruno Bauer pointed out more than 100 years ago Our analysis deals with questions like Why does Mark share anti Jewish beliefs like those of the pagan historian Tacitus Why are the last words of Jesus dying on the cross Why have you God abandoned me Why does Jesus feel he is dying a failure that he has been abandoned by God Part 2 Who Created Jesus Paul was a member of a mystery religion otherwise why is there a striking similarity between the religion of Paul and the pagan mystery religions which surrounded him The 225 pages of Part 2 provide a detailed analysis which shows that the Paulinists followers of Paul created the Jesus of the Gospel of Mark or at least proto Mark The reader may

wonder if the followers of Paul created the Markan Jesus how do we deal with the following questions Why does Paul s cosmic savior the triumphant divine Christ not appear in the Markan Gospel but rather Jesus a human failure dying in despair on the cross Why were Jesus and his disciples spiritually defective Jesus s lack of faith of Jesus on the cross Peter s three denials of Jesus Why does Paul know nothing about the historical Jesus Christ of Mark s Gospel Paul does not know that Jesus was born in Bethlehem performed miracles taught people was tried by Pilate and died in Jerusalem etc How was it that Paul s savior offered salvation to all at least to non Jews whereas the mission of Mark s historical Jesus was only to Jews Why does the human Jesus become semi divine in the birth scenes in Matthew and Luke and totally divine in John s Gospel Jesus Never Lived Volume 1 Jesus Christ A Pagan Myth answers all of the questions listed above and more The 400 pages provide much evidence to show that Jesus is a pagan myth in Jewish dress Jesus never existed For more see the Look Inside feature for the Table of Contents etc Also see Jesus Never Lived Volume 2 Jesus and Plato on Hell is a supplemental volume which examines the Pagan views on how one is saved and on the afterlife as found in Plato and the Stoic writings of Seneca These pagan views are compared with the Christian views found in the Gospel of Mark and the letters of Paul Our conclusion is that the Christian views on salvation and the nature of the afterlife were derived from the pagan world thus providing more evidence for the mythical Jesus Jesus Christ never lived Jesus is a pagan myth Christ is a literary fiction Jesus Never Lived Volume 3 The Pagan Morals of Jesus Christ provides supplementary evidence that Jesus is a pagan myth by showing that Christian ethics were derived from the pagan world particularly from the Roman Stoics

Jewish-Christian 2000 Years War Against Jesus Christ Mohammad Fawzi,2014-12-12 Noticing how the world today is sinking into darkness as it did many times before through its history seeing how the Muslims are working hard against the message that Allah sent how Christian created their own preaching and faith how the Jews worked all of their lives against the LORD and the men that the LORD sent Mohammad Fawzi saw the need to do something and this book is the first of many he is working on in hope he may be able to correct the mistakes done today from all the beliefs he will also deal with the darkness of the Atheists In a world full with darkness and evil done against the LORD the need for those who have the truth is increasing not the false truth some claim to have but the genuine truth that is supported with solid proofs and convincing evidence It is time for those who can do something to step up

Rescuing Jesus from the Christians Clayton Sullivan,2002-03-01 A serious attempt to free Jesus from the confining garments of both New Testament studies and orthodox Christianity to discover a better understanding of Jesus

The Christian Way David W. Durgin III,2011 What are the Seven Dynamics of Christianity What are the five levels of Christians What are the four tracks of Christianity How is the Soul defined What is meant by the Articles of Christian Conversion Who is the Christian Witness and how does he operate What does the Bible contain and what does it not contain What are the seven facts concerning the Devil AND MUCH MORE

Luke Was Not A Christian: Reading the Third Gospel and Acts within Judaism Joshua Paul Smith,2023-12-18 In this volume Joshua Paul Smith challenges the

long held assumption that Luke and Acts were written by a gentile arguing instead that the author of these texts was educated and enculturated within a Second Temple Jewish context Advancing from a consciously interdisciplinary perspective Smith considers the question of Lukan authorship from multiple fronts including reception history and social memory theory literary criticism and the emerging discipline of cognitive sociolinguistics The result is an alternative portrait of Luke the Evangelist one who sees the mission to the gentiles not as a supersession of Jewish law and tradition but rather as a fulfillment and expansion of Israel's own salvation history

Rescuing God from Christianity Sven E.

Erlandson,2004-09 Erlandson articulates the growing frustration that many people have with Christianity and shows how a church is not needed to create a challenging and life changing new path based on the simple call to love God and love one's neighbor

Jesus Never Lived! Volume 2 Jesus and Plato on Hell Laurence Dalton, Shirley Dalton,2013-10-18 In our series on the nonexistence of Jesus Christ the main evidence is found in Jesus Never Lived Volume 1 Jesus Christ A Pagan Myth Jesus Never Lived Volume 2 Jesus and Plato on Hell is a supplemental volume which examines the Pagan views on how one is saved and on the afterlife as found in Plato and the Stoic writings of Seneca These pagan views are then compared with the Christian views found in the Gospel of Mark and in the letters of Paul Our conclusion is that Christian views on salvation and the nature of the afterlife were derived from the pagan world thus providing more evidence for the mythical Jesus Jesus Christ never lived Jesus is a pagan myth Christ is a literary fiction Jesus Never Lived Volume 2 Jesus and Plato on Hell answers the following questions PART 1 Do good deeds alone save people Faith and good deeds Faith alone Do bloody sacrifices save us Was not the mythical Jesus a bloody sacrifice PART 2 Why does a good and powerful God not destroy evil PART 3 Is there a Hell and Heaven Do human beings have free will or does God determine everything Why did the mythical Jesus believe that all non Christians go to Hell Why did mythical Jesus believe that most Christians go to Hell Is it moral for God to trick humans so that they will go to Hell Why did Christians borrow the beliefs on salvation and on the afterlife from the ancient pagans Why did Thomas Jefferson believe that institutionalized Christianity was a perverted religion For more see the Look Inside feature for the Table of Contents etc Also see Jesus Never Lived Volume 1 Jesus Christ A Pagan Myth provides evidence for the idea that the origin of Christianity was pagan Jesus never existed he was the pagan creation of some of the Paulinists followers of the apostle Paul Jesus Never Lived Volume 3 The Pagan Morals of Jesus Christ provides supplementary evidence that Jesus is a pagan myth by showing that Christian ethics were derived from the pagan world particularly from the Roman Stoics

What Did Jesus Really Say-How Christianity Went Astray Peter

Cayce,2005-01-06 No dogma please And hold the mustard For something to be called Christianity it should be based on the teachings of Jesus Christ Jesus never said he needed to die for our sins so we could be saved Only Paul and John make this claim Christianity has therefore become a form of Paulism and Johnism that emphasize the Savior aspect of Jesus And Paul had never met Jesus or heard him teach while Jesus was alive and John tells a story that's so different from the other

disciples that we must seriously question him as a source Did you also know there are two different biblical stories about how Judas dies And Mary Magdalene wasn't a prostitute until the Pope made her one in the sixth century Pope Urban II even made killing non Christians acceptable in the eleventh century Other subjects include ancient Buddhist records about Jesus traveling to India and studying Buddhism Jesus may even have studied and practiced Kabbalah Subsequently What Did Jesus Really Say is an easy to read introduction that also reflects on God Karma Buddhism Kabbalah Reincarnation Politics and even Astrophysics 10 Things Jesus Never Said Will Davis Jr.,2011-07 Popular author and pastor helps Christians stop trying to live up to standards Jesus never set for us and embrace the life giving things he did say **Christian Ethics** Norman L. Geisler,2010 This update of a classic text evaluates contemporary ethical options and pressing issues of the day from a biblical perspective **Christianity And The Supernatural: Why the Bible is Relevant Today** Mark Apelt,2017-01-09 All of us want to believe in an afterlife If it's true then we must have a soul or spirit We question this however because we are taught science has all the answers It is science vs the bible Physical vs supernatural To believe in the afterlife is to believe in God One area of research that has not been thoroughly examined in relationship to Christianity is the supernatural This book explores how archaeology scientific studies and personal stories reveal the accuracy of the bible Discover how we know we have a spirit why select people encounter angels and why some prayers are answered It will show you that there is an afterlife there is hope and that there is a God The stories of today resemble the stories of the bible The mystical events that happened then are similar in almost all aspects to what the bible tells us will happen Prophecies are continuing to be fulfilled The foreknowledge He gave his chosen people are still applicable today Angels are still sent to serve and protect us Our spirit will rejoin with God as told by near death experiencers God does exist and millions of people maybe even yourself have witnessed Him through the supernatural This leads to the conclusion God the bible and the supernatural are relevant today Psychology & Christianity Integration Daryl H. Stevenson,Brian E. Eck,Peter C. Hill,2007 *Was Frankenstein Really Uncle Sam? Vol. VII* Richard J. Rolwing,2008-02-05 This is one of eight volumes on the Declaration of Independence These last four contain only about 25 extended essays each Rolwing examines nearly all the major writers on our Basic Charter most of whom repudiate it He focuses on their manifold criticisms and rejections reveals their multiple distortions and misunderstandings rebukes their self contradictions and inconsistencies and pities their general theophobia He argues that while America was Founded almost completely by Protestant Christians the only two deists were not even deists what was Founded was formally only a philosophical product not a faith based or Christian one although the philosophy had been more Catholic than Protestant Rolwing makes a great deal of American history law ethics politics philosophy and theology easily accessible to the average reader Each 5 minute essay can give you a high for the whole day Certainly the Declaration is worth many an hour explaining and defending it Mr Rolwing seeks to make the problems brought up about the document capable of being understood by both scholar and ordinary citizen Christian Apologetics Norman

L. Geisler,1988-03 The standard for Christian apologetics this systematic approach presents both the methods and reasons for defending Christianity Christianity Reformed From its Roots Jairo Mejia,2008-03-24 Offering positive alternatives to open minded believers and unbelievers alike Christianity Reformed from Its Roots challenges the traditional beliefs of the Roman Catholic Church on God Jesus and the Bible Using the text of the New Testament theologian and philosopher Jairo Mejia challenges us to rediscover the real Jesus a humble Peasant of Nazareth glorified by his resurrection Mejia argues compellingly that a true concept of God is more vital today than ever before and can be understood by both agnostics and atheists thus asserting that there is no contradiction between science and religion but a smooth and fulfilling meshing of the two **The Blessed Life of Christian Singles** Joseph Saunders,2007-08-01 Reverend Saunders currently on duty in Iraq teaches Christian singles how to lead the abundant life Christ declares in John 10 10 how to fulfill their calling and how to fully experience Christ s blessings
