Making Faith Magnetic Daniel Strange,2021-10-01 How to talk about Jesus in a way that connects with modern culture As followers of Jesus we know that the good news is deeply attractive But we often fear that to those on the outside it comes across as irrelevant or even repellent Sometimes the Christian worldview feels so out of step with everything else going on that we don t know how to share our faith However author Daniel Strange wants to show you that the connections are there in fact the longings that our culture cannot help but express are the very ones that Jesus fulfils Building on the work of theologian J H Bavinck Dan reveals five recurring themes that our culture can t stop talking about or as he puts it the five permanent itches that in our work rest and play we have to vigorously scratch From TV to books to social media these are the questions we can t stop asking and the tensions we can t stop wrestling with and Jesus speaks powerfully into each one This book will help you to spot these connections in our culture excite you about how Jesus makes sense of humankind s deepest questions and longings apply them to your own life first and then equip you to speak of him to others in a way that is truly magnetic Dan Strange has written another terrific down to earth book to help believers engage in fruitful conversations with friends about faith Dr Timothy Keller who has also written the foreword to this book Sunday School Plays for Preschoolers Hope Paden Beck,1997 These short programs fill a much needed void in preschool resources Children will learn the great Bible stories while enjoying activities and skits They contain clear and simple directions for props and costumes with creative verses in language that is easy for preschoolers to learn and understand *#iBelieve* Keith Chow,2015-08-25 While today s culture tends to equate believing with simply concurring and agreeing Jesus beloved disciple reminds us how to believe or to in the context of our faith means so much more Leadership trainer and former Christian minister Keith Chow guides us through the Apostle John s retelling of Jesus life and ministry in pursuit of a richer faith and a deeper sense that believing in Jesus as Lord and Savior radically transforms our perspective and way of life **Spiritual Game** Olinda Capece,2015-09-20 Seek the seeker instead of enlightenment Once you find the seeker enlightenment is already there This book isn t about enlightenment but about you the seeker To Kiran Baba when people come to India seeking a spiritual life or enlightenment as it is better known among seekers they come with many misunderstandings and misconceptions about life itself These misunderstandings and misconceptions if not properly understood can lead people to much more misunderstandings and confusion and even make them prone to get easily caught in what Kiran Baba calls The Holy Business which seems to be an increasing factor in India due to the number of foreigners who are heading to the Country every year in search of spiritual guidance In his discourses Kiran Baba shares with his friends the seekers his understanding about life how it naturally functions He speaks about the many misunderstandings that one has while entering into the spiritual life He warn us about the so many games we can fall for in name of enlightenment He clarifies the most important concepts related to the

nature of the mind and the ego how they function and how they are naturally required by life He invite us to have our own understanding about what we believe we are missing in our lives and start realizing each of us as an unique divine creation And if you are available his discourses can also give you some clues where you can connect to life again but this time having your own understanding that it is possible to relax and celebrate life in whatever situation it is bringing to you You will understand that life cannot be a misery life cannot be suffering Life when deeply understood is just a play and it is absolutely beautiful

This book is an epic drama in rhyming verse about the life and teaching records of the Lord Jesus Christ from His humble birth on earth up to His victorious ascension to heaven It also throws light on His three years of stay in Ethiopia between the age of twenty two and twenty five It claims that the wise men from the East that took presents to baby Jesus guided by a star were none other than twelve Ethiopian kings whose ancestors had been waiting for the birth of the Messiah for two thousand years The Bible doesn't mention where and how in Egypt Jesus Mary and Joseph lived This book does basing itself on ancient Ethiopian records It depicts His life as a kid in the Ethiopian community of Amarna Egypt and at the bank of the River Nile It contends that Ruth the great grandmother of King David and his mother Adolia were all Ethiopians living in Moab in those days It reveals that six of Jesus's apostles including Bartholomew Matthew and Thomas had preached to Ethiopians shortly after the ascension of Jesus Promise Fulfilled is suitable for stage performance movie animation opera and reading enjoyment 259 Behold Your God!
