Jesus The Prophet:

Jesus the Prophet R. D. Kaylor, 1994-01-01 R David Kaylor believes that Jesus vision of a just society and his prophetic engagement with social political and economic conditions led to his execution by the Romans Here he presents Jesus message of a just society based on Israel s covenant tradition He shows the prophetic background and social content of Jesus ethical teaching and demonstrates that the parables especially those with economic and agricultural associations critiqued the social conditions and called for a restructuring of community life He provides evidence that Jesus vision remains offering criticism of the present and promise of a future **Jesus** Muhammad 'Ata ur-Rahim, 1979 Jesus a Prophet of Islam Muhammad 'Ata ur-Rahim, 2000-12 In this edition Ahmad Thomson adds to the original written 1977 text of Muhammad A There is extensive coverage of the history of Unitarianism in the middle of the second millennium which is interesting to read but not relevant to the title of the book There is also no need to reprint verbatim all of the verses in the Koran which mention Jesus since they are readily available elsewhere Instead the book should concentrate on the key Islamic messages and provide the Koranic authority for them **Jesus, prophet of Islam** Muhammad Áta ur-Rahim, 2004 **The prophet of Nazareth; or, A critical inquiry into the prophetical, intellectual and moral character of Jesus Christ, essay** Evan Powell Meredith, 1864 **Who Is This Jesus?** E. M. Hicham, 2010 Without doubt the key figure of human history is Jesus If you live in the western world the date written on the currency in your pocket and on today s newspaper has been fixed with reference to his birth Jesus never wrote a book or song yet more books and songs have been written about him than about any other person who has ever lived The opinions about Jesus are countless People often agree that he was a good man and did great works but many refuse to accept his and the Bible s claims that he was divine or that he came into this world to save people from their sins Is there any evidence that Jesus is God Here E M Hicham looks at the facts and shows us clearly that Jesus is indeed exactly who he claimed to be the Son of God and the Saviour of sinners If all Jesus taught is true then the inevitable conclusion is that there is nothing more important in life than what you think about Jesus Who Is This Jesus Christ? John S. Benjamin, 2012-11-05 The whole world is groaning under the pain infl icted by atrocities such as diseases poverty misery wars murders famines climatic catastrophes moral decay and the list goes on All these have always taken place in the past but the intensity and frequency with which these are unfolding we find no parallel What are the causes behind these problems and is there any hope and a way out for man Though man has made astronomical advances in science and technology does he have answers and solutions to these problems What does the future hold for mankind Is this world coming to an end For centuries man has been grappling and seeking answers to these questions This book deals with these questions The name Jesus has been the subject of much controversy In His time He was the subject of constant scrutiny and under the watchful eyes of the religious and government leaders who tried very hard and failed miserably to find any opportunity where they could find fault in Him His teachings and actions and prove Him wrong in any way whatsoever In our

time He is venerated revered and worshipped by some while others swear and use His name in vain Some consider Him a prophet a teacher a guru one of the gods etc whereas others consider Him the Son of God Messiah King and more He has impacted the world in a positive way Who Is This Jesus Christ reveals why Jesus Christ came to this Earth and for what purpose and what He had to say about all of these events

Jesus Bart D. Ehrman,1999-09-23 In this highly accessible discussion Bart Ehrman examines the most recent textual and archaeological sources for the life of Jesus along with the history of first century Palestine drawing a fascinating portrait of the man and his teachings Ehrman shows us what historians have long known about the Gospels and the man who stands behind them Through a careful evaluation of the New Testament and other surviving sources including the more recently discovered Gospels of Thomas and Peter Ehrman proposes that Jesus can be best understood as an apocalyptic prophet a man convinced that the world would end dramatically within the lifetime of his apostles and that a new kingdom would be created on earth According to Ehrman Jesus belief in a coming apocalypse and his expectation of an utter reversal in the world s social organization not only underscores the radicalism of his teachings but also sheds light on both the appeal of his message to society s outcasts and the threat he posed to Jerusalem s established leadership

Following Jesus Timothy R. Gaines,2018 *Following Jesus* Prophet Priest King draws from biblical history to explore the origin and significance of three Old Testament offices and the way Jesus both fulfills and redefines them in a manner no one expected Jesus the prophet cries out for and establishes justice Jesus the priest mediates to us a God we never expected Jesus the king offers to us a politic all his own

Jesus Christ, the Everlasting Prophet Dave Engelbrecht,2017-08-31 The Word of God is as infinite as God and the Holy Spirit Himself written by Holy Men inspired by the Holy Ghost of God therefore anyone even imagine interpreting it only in the physical dimension will find numerous of controversies within It is of utmost importance that the interpreter of the Word also abides in the Spiritual dimension not defiling him with the worldly desires all included The office of prophets was both to bless and to prophesy in the name of the Lord As it is written in 2Pet_1 20 21 Knowing this first that no prophecy of the scripture is of any private interpretation For the prophecy came not in old time by the will of man but holy men of God spake as they were moved by the Holy Ghost In these words the apostle lays down another argument to prove the truth and reality of the gospel and intimates that this second proof is more strong and convincing than the former and more unanswerable makes out that the doctrine of the power and coming of our Lord Jesus Christ is not a mere fable or cunning contrivance of men but the wise and wonderful counsel of the holy and gracious God For this is foretold by the prophets and penmen of the Old Testament who spoke and wrote under the influence and according to the direction of the Spirit of God The description that is given of the scriptures of the Old Testament they are called a more sure word of prophecy 1 It is a prophetic declaration of the power and coming the Godhead and incarnation of our Saviour which we have in the Old Testament It is there foretold that the seed of the woman shall bruise the serpent s head His power to destroy the devil and his works and his being made of a woman are there

foretold and the great and awful Old Testament name of God Jehovah as read by some signifies only He will be and that name of God Ex_3 14 is rendered by many I will be that I will be and thus understood they point at God s being incarnate in order to the redemption and salvation of his people as what was to come But the New Testament is a history of that whereof the Old Testament is a prophecy All the prophets and the law prophesied until John Mat_11 13 And the evangelists and the apostles have written the history of what was before delivered as prophecy Now the accomplishment of the Old Testament by the New and the agreeableness of the New Testament to the Old are a full demonstration of the truth of both The first controversy occurs at the raising of the PROPHET called That Prophet As written in Deu 18 18 I will raise them up a Prophet from among their brethren like unto thee and will put my words in his mouth and he shall speak unto them all that I shall command him Let us look at a few words in the text above 1 The Word Prophet begins with a Capital P indicating an Entity 2 This Prophet will come among his brothers 3 God will put His words in the mouth of this Prophet delivering the message to the people When one is looking for a prophet in the flesh one who marries bearing an offspring one will find many dissimilarities between Moses and Jesus Christ However when one look s for a prophet in the spirit the actual plan of God in action one will find some similarities between Moses and Jesus Christ The spiritual implication was all about the freedom from bondage and captivity for the Israeli nation from where Jesus Christ should derive **Jesus** Christopher J. Street,1890

Jesus the Rabbi Prophet Jacques Baldet,2005-08-16 Restores the historical context of the gospels and the Jewish nature of the message of Christ Uses the latest historical findings to explore the life of Jesus in its true historical setting Shows that Jesus was a Jewish teacher who sought to restore dignity to the ostracized members of his society The canonical gospels were in large part written by authors who were not eyewitnesses to the events they described and their writings were slanted to fill the needs of the new Church As a result a huge gulf exists between the Christ of the Christian church and the historical Jesus In Jesus the Rabbi Prophet scholar and historian Jacques Baldet seeks to restore the historical context and true nature of the Jewish society in which Jesus lived and through which his actions assume on an entirely different meaning The research of modern historians has shed much new light on the historical circumstances at work in Judaea and the Roman provinces that Jesus knew Looking at the life of Jesus in its broader historical setting has given Jacques Baldet answers to many of the questions that have puzzled historians such as when did Jesus really live and what was the true nature of his family convictions and spiritual beliefs From this vibrant and highly informed perspective the deeper story of the man from Galilee emerges Rabbi Jesus was both a Jew imbued with the monotheistic teaching of the Torah and a visionary who preached of the kingdom within Viewed in their proper historical context the Stations of the Passion and Christ s betrayal by Judas and death on Calvary take on a new light Baldet shows that the true life and original message of Jesus were concealed beneath the literary creations that primarily reflected the agenda of the early Church Jesus was not trying to start a new religion He was a Jewish teacher who sought to reform the faith of his fathers by restoring dignity to the

unfortunate and ostracized members of his society

The Signs of a Prophet Morna D. Hooker, 2010-04-01 Here is a fascinating study that contributes much to our understanding of the Gospel tradition and in addition provides evidence that biblical theology is still alive and flourishing Morna Hooker reviews the prophetic actions in the Old Testament and compares these with the way in which prophetic figures behaved in Jesus's day in particular John the Baptist and the so-called sign prophets She then turns to Jesus and considers those actions that can be described as prophetic signs or dramas Hooker discusses the sign of Jonah Jesus's refusal to perform signs the miracles and other prophetic actions like the renaming of Simon Jesus's eating with tax collectors and sinners and the prophetic signs associated with Jerusalem reaching a climax in the Last Supper A final chapter examines the different ways in which the four evangelists interpreted Jesus's prophetic actions

Jesus's epithets "Teacher" and "Prophet": a cognitive semantics approach to social roles Aurel-Onisim LEHACI, The book explores the complementarity of these roles highlighting their portrayal of Jesus's key attributes and his dual human/divine identity Cognitive linguistics provides the perspective for delving into these social roles emphasizing their significance in understanding the complexity of Jesus's character It shows that Jesus embodies two complementary epithets teacher and prophet representing distinct approaches to knowledge transmission either through human activity or divine intervention The book illustrates the intricate complexity of Jesus's character proving that Jesus not only fulfills but surpasses typical expectations in both roles consistently revealing his dual identity and the permanent truth of both epithets

The Testimony of Jesus: The Words of God's Holy Prophet John F. Finkbeiner, The Testimony of Jesus had to be written and therefore needs to be read studied then acted upon The days in which we live teem with factual misrepresentations outright falsehoods key omissions and leaders who play fast and loose with the truth Surely we are near the end of the age In each of the 22 chapters a separate facet of The Testimony of Jesus is brought into view There is one standard by which we measure truth it is the straight vertical line that points to the Highest Heaven where God is enthroned Another name for this straight line is the Word of God or Jesus the Way the Truth and the Life When God's Word or the Scripture is misapplied misstated or thrown into the mud then Truth will give way to the Lie Truth must be loved or it will make itself absent at least until it is sought again The Light of God dims because men love darkness more than the light Take heart the Light of Truth will never be extinguished for a day is coming when Jesus's testimony will be all there is Inside The Testimony of Jesus we see that Jesus is the Word and the Word of God is Jesus Sermons and books such as this run the risk of watering down what the Lord said leaving out or explaining away the hard sayings and Scripture's troubling prophecies It is with the utmost regard for completeness and accuracy as well as awareness of the fearful warnings to anyone who alters Jesus's words that the writer began and ended this noble undertaking This book goes back to the source the Word itself to represent God's Words the red ink black blue or whatever color just as

the spirit of prophecy intended for the spirit of prophecy is the testimony of Jesus The authority with which Jesus spoke packed a punch that shut the mouths of his opposition and amazed the people The same authority from God was gifted to the Apostles then felt by the gospel s friends and enemies It is hoped that the power of the testimony of Jesus will explode in the heart and mind of each reader in a wonderful transforming way Is not His Word like fire At first readers may become angry with the writer or with the content but this emotion is misplaced Why be upset with the messenger or the message Take it up with the originator the Creator of The Word Maybe no one told you what Jesus our Savior is really like and you never discovered it for yourself It is time we became wise God s people perish for lack of knowledge Why perish when God wants us to have LIFE The proof of the book s reliability is in the Scriptures for all to see It is in the book s pages where the passages of testimony are cited or quoted Read them then examine their context Do not be deceived instead be enlightened by the Spirit of God The Testimony of Jesus encourages rational thinking and critical analysis or putting each thought to the test The writer did and so did the book s Bible minded editors readers must as well Truth is transformational but only when we recognize it and then obey You will read that what Jesus said came from directly from the Father His testimony will challenge readers and inspire their faith to take a giant step forward by submitting to Him God s idea has always been to produce Christ likeness in His Son s disciples In following truth wherever it leads we find the narrow path that leads to eternal salvation Buckle up We may wonder why we ever sat behind the wheel for this Some of the book may seem bumpy but the prize at the end will be well worth it Allow the Word to dwell in you heart richly Meditate and pray You may not agree but think for yourself Let the evidence from the true and faithful witness of God do the persuading You will want company on this magnificent journey so share The Testimony of Jesus with a friend and watch what happens **Jesus in the Minor**

Prophets: Hosea-Malachi Donald Louis Giddens,2007-11-01 On the road to Emmaus Jesus told two of His followers all the references concerning Himself in Moses and the Prophets What were those references In Jesus in the Minor Prophets you can examine for yourself the amazing prophecies of Jesus of Nazareth identified as the Lord of Hosts by the prophets Hosea through Malachi Ample room for notes for personal or class study **Jesus the Seer** Ben Witherington III,20174-10-01 Increasingly scholars recognize that prophetic traditions expressions and experiences stand at the heart of most religions in the ancient Mediterranean world This is no less true for the world of Judaism and Jesus Ben Witherington III offers an extensive cross cultural survey of the broader expressions of prophecy in its ancient Mediterranean context beginning with Mari moving to biblical figures not often regarded as prophets Balaam Deborah Moses and Aaron and to the apocalyptic seer in postexilic prophecy showing that no single pattern describes all prophetic figures The consequence is that different aspects of Jesus s activity touch upon prophetic predecessors his miracles on Elijah and Elisha his self understanding as the Son of Man on Daniel and 1 Enoch his warnings of woe and judgment on the writing prophets in Judean tradition and his messianic entry into Jerusalem on Zechariah 9 Witherington also surveys the phenomenon of apocalyptic prophecy in early

Christianity including Paul Revelation the Didache Hermas and the Montanist movement Jesus the Seer is a worthy complement to Witherington's other volume on Jesus Jesus the Sage Fortress Press 2000
