# Jewish First Names First Names

**Arnoud-Jan Bijsterveld**

## **Jewish First Names First Names:**

**A Dictionary of First Names** Patrick Hanks, Flavia Hodges, Kate Hardcastle, 2006-07-27 This Dictionary is part of the Oxford Reference Collection using sustainable print on demand technology to make the acclaimed backlist of the Oxford Reference programme perennially available in hardback format The fascinating and informative Dictionary of First Names covers over 6 000 names in common use in English including the very newest names as well as traditional names From Alice to Zanna and Adam to Zola this book will answer all your questions it will tell you the age origin and meaning of the name as well as how it has fared in terms of popularity and who the famous fictional or historical bearers for the name have been It covers alternative spellings short forms and pet forms and masculine and feminine forms as well as help with pronunciation The book includes extensive appendices covering names from languages including Scottish Irish French German Italian Arabic and Chinese names Tables of the most popular names by year and by region are also included From the traditional to the rare and unconventional this book will tell you everything you need to know about names [Jewish given Names and Family Names](#) David L. Gold, 2001-12-01 This work identifies and describes over 3 000 books essays in books and articles on Jewish given names and family names throughout history spanning the Biblical period to modern times The bibliography is a highly analytic one recording published materials in a wide variety of research languages treating Jewish anthroponymy in the broadest sense from historical sociological and linguistic perspectives The bibliography will be an invaluable resource for any researcher engaged in etymological studies Jewish intralinguistics or Jewish family history **A Dictionary of Jewish Names and Their History** Benzion C. Kaganoff, 1996-06-01 This ebook is now available from Bloomsbury Academic Bloomsbury Academic publish acclaimed resources for undergraduate and postgraduate courses as well as the general reader across a broad range of subjects including Archaeology Art Visual Culture Biblical Studies Business Management Drama Performance Studies Economics Education Film Media History Linguistics Literary Studies Music Sound Studies Philosophy Politics International Relations Psychology Religious Studies Social Work Social Welfare Sociology Study Skills Theology and Wellbeing Health Lifestyle Visit bloomsbury com for more information [A Rosenberg by Any Other Name](#) Kirsten Fermaglich, 2016-02-02 A groundbreaking history of the practice of Jewish name changing in the 20th century showcasing just how much is in a name Our thinking about Jewish name changing tends to focus on cliché s ambitious movie stars who adopted glamorous new names or insensitive Ellis Island officials who changed immigrants names for them But as Kirsten Fermaglich elegantly reveals the real story is much more profound Scratching below the surface she examines previously unexplored name change petitions to upend the cliché s revealing that in twentieth century New York City Jewish name changing was actually a broad based and voluntary behavior thousands of ordinary Jewish men women and children legally changed their names in order to respond to an upsurge of antisemitism Rather than trying to escape their heritage or pass as non Jewish most name changers remained active members of the Jewish community While name changing allowed

Jewish families to avoid antisemitism and achieve white middle class status the practice also created pain within families and became a stigmatized forgotten aspect of American Jewish culture This first history of name changing in the United States offers a previously unexplored window into American Jewish life throughout the twentieth century A Rosenberg by Any Other Name demonstrates how historical debates about immigration antisemitism and race class mobility gender and family the boundaries of the Jewish community and the power of government are reshaped when name changing becomes part of the conversation Mining court documents oral histories archival records and contemporary literature Fermaglich argues convincingly that name changing had a lasting impact on American Jewish culture Ordinary Jews were forced to consider changing their names as they saw their friends family classmates co workers and neighbors do so Jewish communal leaders and civil rights activists needed to consider name changers as part of the Jewish community making name changing a pivotal part of early civil rights legislation And Jewish artists created critical portraits of name changers that lasted for decades in American Jewish culture This book ends with the disturbing realization that the prosperity Jews found by changing their names is not as accessible for the Chinese Latino and Muslim immigrants who wish to exercise that right today Winner 2019 Saul Viener Book Prize given by the American Jewish Historical Society      **House of Memories** Arnoud-Jan Bijsterveld, 2016 Accompanying videodisc contains Here was Bertram search for a lost life Kan hayah Ber ram ipu a ar ayim avudim a film by Carine Van Vugt and Jeroen Neus Verhalis Production Co 2012      **Jewish Survival** Ernest Krausz, 2023-04-14 These essays address Jewish identity Jewish survival and Jewish continuity The authors account for and analyze trends in Jewish identification and the reciprocal effects of the relationship between the Diaspora and Israel at the end of the twentieth century Jewish identification in contemporary society is a complex phenomenon Since the emancipation of Jews in Europe and the major historic events of the Holocaust and the establishment of the State of Israel there have been substantial changes in the collective Jewish identity As a result Jewish identity and the Jewish process of identification had to confront the new realities of an open society its economic globalization and the impacts of cultural pluralism The trends in Jewish identification are toward fewer and weaker points of attachment fewer Jews who hold religious beliefs with such beliefs held less strongly less religious ritual observance attachment to Zionism and Israel becoming diluted and ethnic communal bonds weakening Jews are also more involved in the wider society in the Diaspora due to fewer barriers and less overt anti Semitism This opens up possibilities for cultural integration and assimilation In Israel too there are signs of greater interest in the modern world culture The major questions addressed by this volume is whether Jewish civilization will continue to provide the basic social framework and values that will lead Jews into the twenty first century and ensure their survival as a specific social entity The book contains special contributions by Professor Julius Gould and Professor Irving Louis Horowitz and chapters on Sociological Analysis of Jewish Identity Jewish Community Boundaries and Factual Accounts from the Diaspora and Israel      **Tracing Your Jewish Ancestors** Rosemary Wenzerul, 2008-10-30 Rosemary Wenzerul s

lively and informative guide to researching Jewish history will be absorbing reading for anyone who wants to find out about the life of a Jewish ancestor In a clear and accessible way she takes readers through the entire process of research She provides a brief social history of the Jewish presence in Britain with descriptions of the principal communities all over the country She gives a concise account of the history of genealogy and looks at practical issues of research how to get started how to organize the work how to construct a family tree and how to use the information obtained to enlarge upon the social history of the family She describes in practical detail the many sources that researchers can go to for information on their ancestors their families and Jewish history Vivid case studies are a feature of her book for they show how the life stories of individuals can be reconstructed with only a small amount of initial information Her invaluable handbook will be essential reading and reference for anyone who is trying to gain an insight into the life of an ancestor or is researching any aspect of Jewish history

Finding Our Fathers Dan Rottenberg, 1986 In this work Dan Rottenberg shows how to successfully trace your Jewish family back for generations by probing the memories of living relatives by examining marriage licenses gravestones ship passenger lists naturalization records birth and death certificates and other public documents and by looking for clues in family traditions and customs

**Essays on the arts and sciences** Miloslav Rechcigl, 2019-02-01 To celebrate the 270th anniversary of the De Gruyter publishing house the company is providing permanent open access to 270 selected treasures from the De Gruyter Book Archive Titles will be made available to anyone anywhere at any time that might be interested The DGBA project seeks to digitize the entire backlist of titles published since 1749 to ensure that future generations have digital access to the high quality primary sources that De Gruyter has published over the centuries

*Jews in Nazi Berlin* Beate Meyer, Hermann Simon, Chana Schütz, 2009-12-15 Though many of the details of Jewish life under Hitler are familiar historical accounts rarely afford us a real sense of what it was like for Jews and their families to live in the shadow of Nazi Germany's oppressive racial laws and growing violence With *Jews in Nazi Berlin* those individual lives and the constant struggle they required come fully into focus and the result is an unprecedented and deeply moving portrait of a people Drawing on a remarkably rich archive that includes photographs objects official documents and personal papers the editors of *Jews in Nazi Berlin* have assembled a multifaceted picture of Jewish daily life in the Nazi capital during the height of the regime's power The book's essays and images are divided into thematic sections each representing a different aspect of the experience of Jews in Berlin covering such topics as emigration the yellow star Zionism deportation betrayal survival and more To supplement and importantly to humanize the comprehensive documentary evidence the editors draw on an extensive series of interviews with survivors of the Nazi persecution who present gripping first person accounts of the innovation subterfuge resilience and luck required to negotiate the increasing brutality of the regime A stunning reconstruction of a storied community as it faced destruction *Jews in Nazi Berlin* renders that loss with a startling immediacy that will make it an essential part of our continuing attempts to understand World War II and the Holocaust

Jewish

Family Names and Their Origins Heinrich Walter Guggenheimer, Eva H. Guggenheimer, 1992      **The Jews of the Titanic** Eli Moskowitz, 2018-03-14 During an era when millions of Jews fled the pogroms of Eastern Europe the Titanic sailed on her maiden voyage At the time she was the largest and most luxurious ship ever built and many of her 2 200 passengers were Jewish At 23 40 April 14 28th of Nissan 5672 the Titanic swiped an iceberg and sank within two and a half hours Most of her passengers lost their lives The sinking of the Titanic was one of the worst and well known maritime disasters of the 20th century The entire world mourned the Titanic The grief was universal and shared by people of many nations and religions This book focuses on the lives and deaths of the Jewish passengers who sailed on the Titanic It covers various Jewish aspects of the voyage and of the sinking Aspects such as keeping kosher the Agunot dilemma and Jewish burial The book outlines the life story of the passengers and the effect the disaster made on world Jewry This book is the result of a long research on the subject including an attempt to compose a unique and complete list of all the Jews who sailed on the Titanic and identifying many of them who were previously unknown      *The Jewish Cultural Tapestry* Steven M. Lowenstein, 2001-05-17 Here in one compact volume is an illuminating survey of Jewish folkways on five continents Filled with fascinating facts and keen insights The Jewish Cultural Tapestry is a richly woven fabric that vividly captures the diversity of Jewish life All traditional Jews are bound together by the common thread of the Torah and the Talmud notes author Steven Lowenstein but this thread takes on a different coloration in different parts of the world as Jewish tradition and local non Jewish customs intertwine Lowenstein describes these widely varying regional Jewish cultures with needlepoint accuracy highlighting the often surprising similarities between Jewish and non Jewish local traditions and revealing why Jewish customs vary as much as they do from region to region From Europe to India Israel to America The Jewish Cultural Tapestry offers an engaging overview of the customs and folkways of a people united by tradition yet scattered to the far corners of the earth      **The Sabra** Oz Almog, 2000-11-28 The Sabras were the first Israelis the first generation born in the 1930s and 1940s to grow up in the Zionist settlement in Palestine Socialized and educated in the ethos of the Zionist labor movement and the communal ideals of the kibbutz and moshav they turned the dream of their pioneer forebears into the reality of the new State of Israel While the Sabras made up a small minority of the new society's population their cultural influence was enormous Their ideals their love of the land their recreational culture of bonfires and singalongs their adoption of Arab accessories their slang and gruff straightforward manner together with a reserved almost puritanical attitude toward individual relationships came to signify the cultural fulfillment of the utopian ideal of a new Jew Oz Almog's lively methodical and convincing portrayal of the Sabras addresses their lives thought and role in Jewish history The most comprehensive study of this exceptional generation to date The Sabra provides a complex and unflinching analysis of accepted norms and an impressive appraisal of the Sabra one that any examination of new Israeli reality must take into consideration The Sabras became Palmach commanders soldiers in the British Brigade and later officers in the Israel Defense Forces They served as a source of inspiration and an object of

emulation for an entire society Almog's source material is rich and varied he uses poems letters youth movement and army newsletters and much more to portray the Sabras attitudes toward the Arabs war nature work agriculture cooperation and education In any event the Sabra remained central to the founding myth of the nation the real Israeli against whom later generations will be judged Almog's pioneering book juxtaposes the myths against the realities and in the process limns a collective profile that brilliantly encompasses the complex forces that shaped this remarkable generation The anti-Jewish racist mania of Hitler, the Jews in Fritzlar and its boroughs, and their few friends Paulgerhard Lohmann,2014-12-23 This work of non fiction wants to impart knowledge encourage reflection and awaken sympathy It provides information about the anti Jewish race politics of National Socialism and the increasingly more difficult effects it had on individual Jews in Fritzlar and its surrounding towns year after year It reports on the few people who helped those Jews who returned from concentration camps and about the de Nazification process from 1944 to 1948 Additionally it documents in both words and pictures the different forms of lasting memorials This book reminds us not only of past peaceful neighborly coexistence and on the growing contempt and oppression of the Jewish citizens and their consequent expulsion and terrible murder but also on personal salvation and the efforts toward forgiveness and atonement Photos gravestone inscriptions family trees and lists of names will aid in researching Jewish family histories Dies Sachbuch will Wissen vermitteln zum Nachdenken anregen und Mitgef hl erwecken Es informiert ber die antij dische Rassenpolitik des Nationalsozialismus und deren von Jahr zu Jahr h rteren Auswirkungen auf die einzelnen Juden in Fritzlar und seinen Ortsteilen Es berichtet von den wenigen Helfern von den 1945 aus den KZs zur ckkehrenden Juden und von der Entnazifizierung 1944 bis 1948 Ferner dokumentiert es in Wort und Bild verschiedene Formen dauerhaften Gedenkens Dies Buch erinnert an friedliches Zusammenleben als Nachbarn doch auch an zunehmende Verachtung und Verdr ngung der j dischen Mitb rger schlie lich an ihre Vertreibung und schreckliche Ermordung aber auch an Errettung Einzelner an Bem hen um Verzeihung und Vers hnung Fotos Grabsteininschriften Stammb ume und Namenslisten helfen bei der Erforschung von j dischen Familiengeschichten *Jews and the French Revolutions of 1789, 1830 and 1848* Zosa Szajkowski,1970 Approaches to Internet Pragmatics Chaoqun Xie,Francisco Yus,Hartmut Haberland,2021-04-15 Internet mediated communication is pervasive nowadays in an age in which many people shy away from physical settings and often rely instead on social media and messaging apps for their everyday communicative needs Since pragmatics deals with communication in context and how more gets communicated than is said or typed applications of this linguistic perspective to internet communication under the umbrella label of internet pragmatics are not only welcome but necessary The volume covers straightforward applications of pragmatic phenomena to internet interactions as happens with speech acts and contextualization and internet specific kinds of communication such as the one taking place on WhatsApp WeChat and Twitter This collection also addresses the role of emoticons and emoji in typed text dialogues and the importance of physical place in internet interactions exhibiting an interplay of online offline environments as is the case

in the role of place in locative media and in broader place related communication as in migration      The Nazi Years Joachim Remak,1990-08-01 The Nazi Years brings together documents that tell the whole essential story of National Socialism from its obscure ideological beginnings to its seizure of power to the exercise of that power in Germany and abroad to the bitter end of the Third Reich Historian Joachim Remak has collected and has introduced with illuminating commentaries key letters speeches memoirs political tracts secret memos and tabulations written by the actors victims or simple witnesses of the time Here is the fanatical enthusiasm of dedicated Nazis as revealed in their own writings a catalog of anti-Semitism and propaganda volkisch idealism and pan Germanism ideas of natural selection and race eugenics Here too is the history of sincere but ill fated resistance to Nazism by church people and plain citizens of the anti Nazi underground and of Count von Stauffenberg's plot to assassinate Hitler Now available from Waveland Press these vivid accounts by Germans at every level of society and of every political and moral persuasion provide a shattering view of one of the most terrible tempestuous periods of modern history      Caring for Jewish Patients Joseph Spitzer,2003 Covering the practical and ethical issues surrounding caring for Jewish patients this guide includes advice on how to provide care in a culturally appropriate manner Jewish practices and customs that are relevant to healthcare are outlined      **The Holocaust in the Soviet Union** Lucjan Dobroszycki,Jeffrey S. Gurock,1993 Three major areas of inquiry are examined in these papers from an October 1991 conference Soviet government policies toward Jews during the Holocaust and the subsequent treatment of the Holocaust in Soviet historiography mass media commemorations etc a quantification of Jewish losses in the Soviet Union using census data and sources for future research into the history of the Holocaust in the Soviet Union The subject has long been hushed up Paper edition unseen 24 95 Annotation copyright by Book News Inc Portland OR
