Jews For Nothing On Cults Intermarriage And Assimilation:

Jews for Nothing Dov A. Fisch, 1984-06-01 Sects and Sectarianism in Jewish History Sacha Stern, 2011-04-21

Several Jewish groups from Antiquity until today have been traditionally identified as sects or as sectarian most famously the Qumran community and the Qaraites This volume questions the appropriateness of this interpretation of social and religious movements in Jewish history The Vanishing American Jew Alan M. Dershowitz, 1998-09-08 Explores the meaning of Jewishness in light of the increasing assimilation of America's Jews and suggests ways to preserve Jewish identity

Evangelizing the Chosen People Yaakov Shalom Ariel, 2000 Evangelizing the Chosen People Missions to the Jews in America 1880 2000 How to Prevent an Intermarriage Kalman Packouz, Intermarriage is more than a problem it's an epidemic in the Jewish nation and we must do all we can to stem the tide This practical down to earth book is designed to help parents stop their children from intermarrying It explores the entire gamut of questions issues and hot points for parents who face the possibility of their children marrying out of the Jewish faith and offers much wisdom and many important suggestions The author Rabbi Packouz has spoken on national radio and television on the topic of intermarriage and Jewish survival He is the director of Aish HaTorah Jerusalem Fund in Miami It All Begins with a Date Alan Silverstein, 1995-09 The former president of the Rabbinical Assembly addresses the Conservative movement's approach to interdating and intermarriage **The Seforim Newsletter** , 1985 *On the Road to Armageddon* Timothy P. Weber, 2004 Examines dispensationalism the evangelical relationship with Israel and how it affects American politics regarding the Middle East **Perfect Strangers** Avraham Jacobovits, 2006 **Journal of Vaisṇava Studies** , 2004 The Anti-Jewish Phenomenon Benzion Allswang, 2008 Why have Jews been the target of such great dislike What is the historical significance of hatred towards the Jewish nation and is there a relationship between this social malady and peace on earth for all peoples Based on many years of research and teaching Rabbi Allswang demonstrates that clear and optimistic answers to the above questions do in fact exist Through thorough historical and scientific investigation he adeptly demonstrates that by a return to Jewish tradition true security prosperity and the promise of extended peace can in reality be achieved **Perfect Strangers (pb)** Jahnna N. Malcolm, 2005 **Yiddishkeit** , 1991 **Preserving Jewishness in Your Family** Alan Silverstein, 1995-09 This volume offers answers to the myriad of questions that arise from interfaith marriage the material Appeals to Jewish people of all stages of life and at all levels of religious practice it is intended to empower American Jews to seriously identify and confront the problems intermarriage poses to Jewish continuity **The Invention of the Jewish People** Shlomo Sand, 2020-08-04 A historical tour de force that demolishes the myths and taboos that have surrounded Jewish and Israeli history The Invention of the Jewish People offers a new account of both that demands to be read and reckoned with Was there really a forced exile in the first century at the hands of the Romans Should we regard the Jewish people throughout two millennia as both a distinct ethnic group and a putative nation returned at last to its Biblical homeland Shlomo Sand argues

that most Jews actually descend from converts whose native lands were scattered far across the Middle East and Eastern Europe The formation of a Jewish people and then a Jewish nation out of these disparate groups could only take place under the sway of a new historiography developing in response to the rise of nationalism throughout Europe Beneath the biblical back fill of the nineteenth century historians and the twentieth century intellectuals who replaced rabbis as the architects of Jewish identity The Invention of the Jewish People uncovers a new narrative of Israel s formation and proposes a bold analysis of nationalism that accounts for the old myths After a long stay on Israel s bestseller list and winning the coveted Aujourd hui Award in France The Invention of the Jewish People is finally available in English The central importance of the conflict in the Middle East ensures that Sand s arguments will reverberate well beyond the historians and politicians that he takes to task Without an adequate understanding of Israel s past capable of superseding today s opposing views diplomatic solutions are likely to remain elusive In this iconoclastic work of history Shlomo Sand provides the intellectual foundations for a new vision of Israel s future

The Zionist Illusion Haim

Ben-Asher,2010-12-22 What is the use of Zionism To restore our pride as Jews comes the ready answer Now just when did we lose this precious pride Could it be that without the State of Israel Zionists might be ashamed of being Jews And how can one be proud of a country that drops white phosphorous bombs on defenseless civilians Instead of combating anti Semitism Zionism cultivates it An essential dogma of this new creed is that anti Semitism is immutable and permanent Zionists claim that we are still in 1938 and that a new Holocaust is in the offi ng Every passing year becomes a year of broken glass So we must rally around the State of Israel which alone can save us A fear based religion allows Jewish leaders in the Diaspora to retain power over their flock To free themselves from such blackmail to break out of the vicious Auschwitz Israel circle Jews have only to disconnect from Zionism and take up their historic vocation explaining Torah to the nations But first they will have to understand it themselves Haim Ben Asher is a historian
