ARON HIRT-MANHEIMER

Jews The Essence And Character Of A People

Yuval Lurie

Jews The Essence And Character Of A People:

Jews Arthur Hertzberg, 1998-05-19 What makes a Jew a Jew In the most controversial book on Jewish identity to come along in decades two influential Jewish leaders dare to answer that provocative question There is an essential Jewish identity shaped by the legacy of history and faith which bridges divergent cultures politics and even beliefs So argues author Rabbi Arthur Hertzberg the outspoken and influential leader at the forefront of the world Jewish community who together with Aron Hirt Manheimer the distinguished editor of Reform Judaism magazine presents a myth shattering view of Jewish character Jews is a landmark work that provocatively explores the meaning of Jewish identity through the ages Hertzberg and Hirt Manheimer present an original and insightful look at the entire Jewish experience and what it means for Jews and non Jews alike The authors boldly advance a series of radical arguments They dare to define the essential Jew They dare to say that the Jewish character has remained the same since the time of Abraham and Sarah They dare to propose that anti Semitism is not a Christian invention it is a reaction to Jews as persistent dissenters in every society They dare to suggest that the Holocaust was a reenactment of the Crucifixion in which the traditional roles were reversed They dare to examine the illness of self hatred that has afflicted Jews from Karl Marx to Woody Allen This book offers a new and startling perspective on how Jews relate to people of other traditions while also defining the challenge responsibility and essence of being a Jew in our time **Jews The Essence and Character of a People** defies the conventional view of Jews that has prevailed for centuries and presents a compelling and realistic portrait of contemporary Jews This important book is sure to stimulate passionate debate among both Jews and non Jews

The Jews as a Chosen People S. Leyla Gurkan, 2008-12-05 The concept of the Jews as a chosen people is a key element of the Jewish faith and identity This book explores the idea of chosenness from the ancient world through modernity and into the Post Holocaust era Analysing a vast corpus of biblical ancient rabbinic and modern Jewish literature the author seeks to give a better understanding of this central doctrine of the Jewish religion She shows that although the idea of chosenness has been central to Judaism and Jewish self definition it has not been carried to the present day in the same form Instead it has gone through constant change depending on who is employing it against what sort of background and for what purpose Surveying the different and sometimes conflicting interpretations of the doctrine of chosenness that appear in Ancient Modern and Post Holocaust periods the dominant themes of Holiness Mission and Survival are identified in each respective period The theological philosophical and sociological dimensions of the question of Jewish chosenness are thus examined in their historical context as responses to the challenges of Christianity Modernity and the Holocaust in particular This book will be of interest to scholars and students of Jewish Studies the Holocaust religion and theology

Coming Out Jewish Jon Stratton, 2003-09-02 Like many Jews of our generation Jon Stratton grew up in a family more concerned about assimilation than about preserving Jewish tradition While he could easily pass among non Jews he found himself increasingly torn between his fear of not belonging and a deeply felt

commitment to his family's past *Coming Out Jewish* examines the unique challenge of constructing an identity amid the clash between ethnicity and conformity For many Jews the idea of full assimilation ended with the Holocaust But the pressure to adapt to the mainstream Stratton eloquently argues remains powerful especially for those with anglicized names assimilationist parents a history of recent immigration or ambivalent experiences of themselves as Jews With reference to the work of Daniel Boyarin Ien Ang and Homi Bhabha among others Stratton offers fresh analysis on a wide range of topics including the Jewish origins of pluralism in the US anti-Semitism in Germany the Jewishness of sitcoms like *Seinfeld* and the Yiddishization of American culture since World War II More than a book about Jews and Jewishness *Coming Out Jewish* smartly and accurately mines the Jewish experience in the West to give voice to the issues of migration Diaspora assimilation and identity that affect those displaced and othered around the world [The Figural Jew](#) Sarah Hammerschlag, 2010-05-15 The rootless Jew wandering disconnected from history homeland and nature was often the target of early twentieth century nationalist rhetoric aimed against modern culture But following World War II a number of prominent French philosophers recast this maligned figure in positive terms and in so doing transformed postwar conceptions of politics and identity Sarah Hammerschlag explores this figure of the Jew from its prewar usage to its resuscitation by Jean Paul Sartre Emmanuel Levinas Maurice Blanchot and Jacques Derrida Sartre and Levinas idealized the Jew's rootlessness in order to rethink the foundations of political identity Blanchot and Derrida in turn used the figure of the Jew to call into question the very nature of group identification By chronicling this evolution in thinking Hammerschlag ultimately reveals how the figural Jew can function as a critical mechanism that exposes the political dangers of mythic allegiance whether couched in universalizing or particularizing terms Both an intellectual history and a philosophical argument *The Figural Jew* will set the agenda for all further consideration of Jewish identity modern Jewish thought and continental philosophy [Index to Jewish Periodicals](#), 2001 An author and subject index to selected American Anglo Jewish journals of general and scholarly interests

Jewish Aspects in Avant-Garde Mark H. Gelber, Sami Sjöberg, 2017-07-19 This volume deals with the significance of the avant-garde's for modern Jewish culture and the impact of the Jewish tradition on the artistic production of the avant-garde be they reinterpretations of literary artistic philosophical or theological texts traditions or novel theoretical openings linked to elements from Judaism or Jewish culture thought or history *Christian Engagements with Judaism* W. D. Davies, 1999-08-01 This volume gathers together studies on various engagements between Judaism and Christianity The author examines such topics as the nature of Judaism canon and Christology Torah and dogma law in Christianity and the promised land in Jewish and Christian tradition *Jews Among the Nations* Erich Kahler, 2018-12-12 This is an augmented edition of a superb volume by one of the foremost analysts of European institutions and ideas Here the late Erich Kahler turns his attention to the special character of the Jewish people formed uniquely through the interaction of internal and external circumstances in which past and present merge The chapters in this book deal with persistent problems of Jewish

identity Kahler claims these can be fully understood only by awareness of the close interconnection between the singular ethnic nature and the unique social structure of the Jewish people He discusses the Jews in Europe specifically the historical implications of a strict tribal ritual that yet permitted the widest spiritual scope The second half of the book concerns anti-Semitism in relation to Jews and Germans How did the German people seemingly so congenial to the Jews develop a murderous revulsion against them ending a long and fruitful symbiosis Kahler sees this as a parallel to the parricidal rejection of the Jews by the Christian church His argument is deepened in an added chapter new to this volume on the major forms and features of anti Judaism in which the earlier theme of the universal and the specific are seen as central not only to the inner history of Judaism but also to the specific interaction of Jews and Gentiles throughout social history

Wittgenstein on the Human Spirit Yuval Lurie,2012 Provides a new understanding of Wittgenstein s discourse as an edifying philosophy of culture pursued through self reflection Investigates the conceptual underpinnings of culture revealing them as shared expressive spiritual forms of life *Maimonides on Judaism and the Jewish People* Menachem Marc Kellner,Professor Menachem Kellner,1991-01-01 Maimonides on Judaism and the Jewish People explores Maimonides philosophical psychology his ethics his views on prophecy providence and immortality his understanding of the place of gentiles in the Messianic area his attitude toward proselytes his answer to the question Who is a Jew his conception of the nature of Torah and his arguments concerning the nature of the Chosen People With respect to each of these issues Kellner shows that Maimonides adopted positions that reflected his emphasis on nurture over nature and his insistence that it is intellectual perfection and not ethnic affiliation which is crucial **The Vanishing American Jew** Alan M. Dershowitz,1998-09-08 Explores the meaning of Jewishness in light of the increasing assimilation of America s Jews and suggests ways to preserve Jewish identity *Jewish Frontier* ,1999 **Jewish Theology and Process Thought** Sandra B. Lubarsky,David Ray Griffin,2012-02-01 This collection constitutes the first extended discussion of the relationship between Judaism and process thought In the last half century the philosophies of Alfred North Whitehead and Charles Hartshorne have become important sources for contemporary theological reflection Recently a number of Jewish thinkers have examined process thought as a potentially valuable resource for postmodern Jewish theology This book brings together many Jewish thinkers who have pioneered this discussion Jewish thinkers who have found process thought to be a useful framework for contemporary Jewish thought discuss issues that are primarily theological such as God s transcendence and immanence the problem of evil the idea of revelation Also included is a dialogue between Jewish and Christian thinkers on the appropriateness of process thought for their religious traditions Critical reflection on the continuities and discontinuities between Judaism and the process model is also covered Sharing the Land of Canaan Mazin B. Qumsiyeh,2004-06-20 There is no more compelling and dramatic unfolding story with more profound international ramifications than the conflict in the Middle East Sharing the Land of Canaan is a critical examination of the core issues of the conflict that dares to put

forward a radical but logical solution that a shared state is the best way to achieve justice and peace for Israelis and Palestinians Mazin B Qumsiyeh offers an overview of the issues at stake and outlines his vision for a lasting peace based on upholding the principles of human rights for all Tackling taboo subjects myths and obstacles he argues convincingly that apartheid in the form of a two state solution is no longer a feasible way to achieve enduring peace At this critical time when the road map to peace looks more uncertain than ever this book provides a refreshing counterpoint to the failed strategies of the past It is a direct and accessible account of the history and mythology of the fabled Land of Canaan which lays out hopeful ideas for the future of this truly multiethnic and multicultural region 20th Century Jewish Religious Thought

Arthur A. Cohen,Paul Mendes-Flohr,2010-01-01 JPS is proud to reissue Cohen and Mendes Flohr s classic work perhaps the most important comprehensive anthology available on 20th century Jewish thought This outstanding volume presents 140 concise yet authoritative essays by renowned Jewish figures Eugene Borowitz Emil Fackenheim Blu Greenberg Susannah Heschel Jacob Neusner Gershom Scholem Adin Steinsaltz and many others They define and reflect upon such central ideas as charity chosen people death family love myth suffering Torah tradition and more With entries from Aesthetics to Zionism this book provides striking insights into both the Jewish experience and the Judeo Christian tradition **Jewish Currents** ,2002

The Reform Advocate ,1921 **Modernity and the Final Aim of History** F. Tomasoni,2013-03-09 This book is intended for scholars and students in humanities history Jewish studies philosophy Christian theology and for those concerned with the roots of anti Semitism and with the need for toleration and intercultural pluralism The book combines the development of German philosophy from the Enlightenment to Idealism and from Idealism to the revolutionary turning point of the mid nineteenth century with the Jewish question *The International Jewish Labor Bund after 1945* David

Slucki,2012-01-17 The Jewish Labor Bund was one of the major political forces in early twentieth century Eastern Europe But the decades after the Second World War were years of enormous difficulty for Bundists Like millions of other European Jews they faced the challenge of resurrecting their lives so gravely disrupted by the Holocaust Not only had the organization lost many members but its adherents were also scattered across many continents In this book David Slucki charts the efforts of the surviving remnants of the movement to salvage something from the wreckage Covering both the Bundists who remained in communist Eastern Europe and those who emigrated to the United States France Australia and Israel the book explores the common challenges they faced building transnational networks of friends family and fellow Holocaust survivors while rebuilding a once local movement under a global umbrella This is a story of resilience and passion passion for an idea that only barely survived Auschwitz *Antisemitism and Anti-Zionism* Rusi Jaspal,2016-04-15 Antisemitism and anti Zionism are complex delineable yet inter related social psychological phenomena While antisemitism has been described as an irrational age old prejudice anti Zionism is often represented as a legitimate response to a rogue state Drawing upon media and visual sources and rich interview data from Iran Britain and Israel Antisemitism and Anti Zionism Representation Cognition and

Everyday Talk examines the concepts of antisemitism and anti Zionism tracing their evolution and inter relations and considering the distinct ways in which they are manifested and responded to by Muslim and Jewish communities in Iran Britain and Israel Providing insights from social psychology sociology and history this interdisciplinary analysis sheds light on the pivotal role of the media social representations and identity processes in shaping antisemitism and anti Zionism As such this provocative book will be of interest to social scientists working on antisemitism race and ethnicity political sociology and political science media studies and Middle Eastern politics

Jews The Essence And Character Of A People Introduction

In the digital age, access to information has become easier than ever before. The ability to download Jews The Essence And Character Of A People has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Jews The Essence And Character Of A People has opened up a world of possibilities. Downloading Jews The Essence And Character Of A People provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Jews The Essence And Character Of A People has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Jews The Essence And Character Of A People. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Jews The Essence And Character Of A People. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Jews The Essence And Character Of A People, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Jews The Essence And Character Of A People has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Jews The Essence And Character Of A People Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Jews The Essence And Character Of A People is one of the best book in our library for free trial. We provide copy of Jews The Essence And Character Of A People in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Jews The Essence And Character Of A People. Where to download Jews The Essence And Character Of A People online for free? Are you looking for Jews The Essence And Character Of A People PDF? This is definitely going to save you time and cash in something you should think about.
