## **Jews And Christians Rethinking Our Relationships:**

**After the Evil** Richard Harries, 2003-07-03 This text develops the work of Jewish scholarship to discern resonances between central Christian and Jewish beliefs Offering fresh approaches to contentious and sensitive issues it argues that God's basic covenant is not with either Judaism or Christianity but with humanity *Rethinking Jewish Faith* Steven L. Jacobs, 2012-02-01 This book addresses the faith of a member of the Second Generation the offspring of the original survivors of the Shoah It is a re examination of those categories of faith central to the Jewish Religious Experience in light of the Shoah God Covenant Prayer Halakhah and Mitzvot Life Cycle Festival Cycle Israel and Zionism and Christianity from the perspective of a child of a survivor *Studies in Matthew* Ulrich Luz, 2005-07-13 Translated by Rosemary Selle The work of one of the world's foremost New Testament scholars Ulrich Luz this book gathers eighteen penetrating studies of Matthew's Gospel available here in English for the first time Luz's groundbreaking work ranges widely over the critical issues of Matthean studies including the narrative structure and sources of the Gospel and its presentation of such themes as christology discipleship miracles and Israel Several chapters also outline and demonstrate the hermeneutical methods underlying Luz's acclaimed commentary on Matthew for which this book can serve as a companion Luz is particularly conscious of the Gospel's reception history a history of interpretation connecting us with the past that determines so many of our questions categories and values *Studies in Matthew* thus constitutes a noteworthy contribution to biblical hermeneutics as well as to exegesis *Jew & Gentile Serving The Same God, The Shocking Revelation of Truth* Arch Bishop D. A. Miller, DD, 2012-01-15 Messianic Judaism is a movement of Jewish people who believe that Yeshua Jesus original name in Hebrew is the Messiah of Israel and the Savior of the world Yeshua is the most Jewish of Jews Yeshua was a descendant of both Abraham and King David was raised in a Jewish home and went to synagogue He perfectly kept the entire Torah see Galatians 4:4 He taught that He came to fulfill not set aside the Torah see Matthew 5:17-19 He was a rabbi who performed unparalleled miracles bringing great blessing to the nation of Israel All His early disciples also lived very Jewish lives The Messianic movement was entirely Jewish at its inception and continued to exist as an authentic Jewish movement for 700 years after Yeshua's death and resurrection Messianic Jews have not stopped being Jewish On the contrary we remain strongly Jewish in our identity and lifestyle **Post-Holocaust Religious Education for German Women** Gabriele Mayer, 2003 After beginning with the problem of the inability of German postwar generations to relate to the Holocaust focuses on ways German Christian women can learn to acknowledge German women's share of responsibility for Nazi crimes against the Jews i.e. women's role as part of the perpetrator nation Explores ways German women have been encouraged to try to integrate knowledge of this past into their identity formation and internalize post-Holocaust theology into their own views and lives Notes ways that Holocaust studies and women's studies can combine to move German Christian women from complacency and individualism to involvement in tikkun olam that includes existential encounters with members of the victim

nation     **Jewish-Christian Dialogue and the Life of Wisdom** Matthew Levering, 2011-10-27 This book inquires as to whether theological dialogue between Christians and Jews is possible not only in itself but also as regards the emergence of communities of Messianic Judaism In light of David Novak's insights Matthew Levering proposes that Christian theological responses to supersessionism need to preserve both the Church's development of doctrine and Rabbinic Judaism's ability to define its own boundaries The book undertakes constructive philosophical theology in dialogue with Novak Exploring the interrelated doctrines of divine providence theonomy the image of God and natural law Levering places Novak's work in conversation especially with Thomas Aquinas whose approach fosters a rich dialogue with Novak's broadly Maimonidean perspective It focuses upon the relationship of human beings to the Creator with attention to the philosophical entailments of Jewish and Christian covenantal commitments aiming to spell out what true freedom involves It concludes by asking whether Christians and Jews would do better to bracket our covenantal commitments in pursuing such wisdom Drawing upon Novak's work the author argues that in the face of suffering and death God's covenantal election makes possible hope lacking which the quest for wisdom runs aground     *Jews and Christians in the Roman World* Steve Mason, 2023-07-10 Roman Judaea Christian origins and Roman Judaeian Christian relations are flourishing fields of endless fascination Amid the flurry of new research however which uses ever new methods in the humanities and social sciences basic questions about what happened and how people then understood events are easily obscured This book argues that a simple but consistent historical method can throw new light and challenge entrenched views on such familiar topics as Roman provincial governance the Jewish War Flavian politics Judaea after King Herod Jewish and Christian historiography Pharisees and Essenes John the Baptist the apostle Paul and Luke Acts     **Jewish-Christian Relations** Abel Mordechai Bibliowicz, 2019-03-01 I am in fundamental agreement with Bibliowicz's thesis that the anti Jewish polemic in the New Testament reflects debates between Jewish and Gentile followers of Jesus not a polemic between Christians and Jews and with the implications which he has drawn for Christian theology May this book find a wide readership among people devoted to the cause of the healing of memories between Jews and Christians Peter C Phan Professor Chair of Catholic Social Thought Georgetown University President of the Catholic Theological Society of America Standing on a brilliant and insightful reconstruction of Paul and on a quite shocking but perhaps compelling reading of Mark the author offers a number of original and in some cases quite compelling theoretical reconstructions of the context and purposes of early Christian texts a work of sublime moral passion David P Gushee Distinguished University Professor of Christian Ethics and Director Center for Theology and Public Life Mercer University President elect American Academy of Religion Author of Kingdom Ethics Following Jesus in Contemporary Context An intrepid excursion into the Christian discourse The quest of an intellectual a humanist Interesting and in fact overwhelming A timely and honest engagement of the Christian texts authors and scholars by a Jewish intellectual Burton L Mack Professor of Early Christianity Claremont School of Theology California author of A Myth of Innocence Mark and

Christian Origins There is great merit to Bibliowicz's approach I highly recommend this book for anyone interested in the Jewish Christian dialogue Scholars may disagree with a number of Bibliowicz's conclusions as I do with his interpretation of the Epistle to the Hebrews But even in disagreeing scholars in the field of Jewish Christian studies will learn new ways of challenging and thinking about old presumptions Eugene J Fisher Distinguished Professor of Theology Saint Leo University Former staff person for Catholic Jewish relations for the U S Conference of Catholic Bishops Consultor to the Vatican Commission for Religious Relations with the Jews member of the International Catholic Jewish Liaison Committee representing the Holy See An important work Sensitive and deeply researched In the deepest sense a profound theological work Clark M Williamson Professor Christian Theological Seminary Indiana author of *Way of Blessing* *Way of Life* A Christian Theology I very much appreciated the depth and scope of the scholarship accompanied by the kind and humble spirit of the author it may also prove to be one of the formidable and formative scholarly contributions of the decade for both biblical and historical scholars Michael Thompson Professor Religious Studies Oklahoma State University In methodical and precise fashion Bibliowicz takes the reader through the relevant ancient Christian texts bearing on the question at hand In so doing he proposes an intriguing compelling thesis The book should prove to be a major voice in the ongoing debate Brooks Schramm Professor of Biblical Studies Lutheran Theological Seminary Impressive work With this impassioned study available to us it will no longer be possible for us to ignore the unintended ways the unthinkable came to be and still say we did not know Didier Pollefeyt Professor Faculty of Theology and Religious Studies Katholieke Universiteit Leuven Belgium coauthor of *Anti Judaism and the Fourth Gospel* and *Paul and Judaism* An original and plausible claim that goes beyond most of modern scholarship a solid contribution to the study of anti Judaism in early Christianity Joseph B Tyson Professor Religious Studies Southern Methodist University author of *Marcion and Luke Acts A Defining Struggle* Well researched and thorough Intelligent and thoughtful accessible the argumentation compelling Michele Murray Professor Bishop's University Canada author of *Playing a Jewish Game* *Gentile Christian Judaizing in the First and Second Centuries C E* A detailed and insightful exploration of the writings of the early Jesus movement argues convincingly that the origins of Christian anti Judaism are to be found among early non Jewish followers of Jesus who were in conflict with Jesus's disciples and first followers a must read Tim Hegedus Professor of New Testament Waterloo Lutheran Seminary Wilfrid Laurier University Canada Bibliowicz uses solid scholarship to engage large and difficult topics while managing to be balanced and clear invites Christians to walk a deep journey toward truth and suggests a compelling nuance that the conflicts in the early texts were between Jewish and Gentile followers of Jesus not between Jews and Christians David L Coppola Executive Director Center for Christian Jewish Understanding Sacred Heart University A meticulous study a mammoth endeavor goes beyond others in his interpretation of the evidence tracing and documenting distinctions and tensions in the early Jesus movement N A Beck Professor of Theology and Classical Languages Texas Lutheran University author of *Mature Christianity in the 21st Century* The Recognition and

Repudiation of the Anti Jewish Polemic of the New Testament The topics Bibliowicz engages are complex Although some of his interpretations are controversial Gentile Christians should set aside apologetical agendas and honestly ponder the challenges put forward by the author Dale C Allison Jr Professor of New Testament Princeton Theological Seminary author of *Constructing Jesus History Memory and Imagination* *Christians and Jews in Dialogue* Mary C. Boys, Sara S. Lee, 2008-09 Discover the Power of Dialogue to Heal Religious Division How can members of different faith traditions approach each other with openness and respect How can they confront the painful conflicts in their history and overcome theological misconceptions For more than twenty years Professors Mary C Boys and Sara S Lee have explored ways that Catholics and Jews might overcome mistrust and misunderstandings in order to promote commitment to religious pluralism At its best interreligious dialogue entails not simply learning about the other from the safety of one's own faith community but rather engaging in specific learning activities with members of the other faith learning in the presence of the other Drawing upon examples from their own experience Boys and Lee lay out a framework for engaging the religious other in depth With vision and insight they discuss ways of fostering relationships among participants and with key texts beliefs and practices of the other's tradition In this groundbreaking resource they offer a guide for members of any faith tradition who want to move beyond the rhetoric of interfaith dialogue and into the demanding yet richly rewarding work of developing new understandings of the religious other and of one's own tradition *Seeing Judaism Anew* Mary C. Boys, 2005-03-22 In September 2002 twenty one prominent Catholic and Protestant scholars released the groundbreaking document *A Sacred Obligation* which includes ten statements about Jewish Christian dialogue focused around a guiding claim Revising Christian teaching about Judaism and the Jewish people is a central and indispensable obligation of theology in our time Following the worldwide reception of their document the authors have expanded their themes into *Seeing Judaism Anew* The essays in this volume offer a conceptual framework by which Christians can rethink their understanding of the church's relationship to Judaism and show how essential it is that Christians represent Judaism accurately not only as a matter of justice for the Jewish people but also for the integrity of Christian faith By linking New Testament scholarship to the Shoah Christian liturgical life and developments in the church this volume addresses the important questions at the heart of Christian identity such as Are only Christians saved Why did Jesus die Why is Israel so important to Jews and what should we think about the conflict in the Middle East How is Christianity complicit in the Holocaust What is important about Jesus being a Jew

**Judaism, Christianity, and Liberation** Otto Maduro, 2009-01-01 This collection of original essays addresses a new and controversial avenue for Jewish Christian dialogue the project of liberation theology While some Jews have welcomed the work of Latin American liberation theologians others have been critical both of Christian liberation theology its treatment of Jewish history and scripture and of any project of Jewish liberation theology This dialogue has prompted Latin American liberation theologians to develop in turn their own responses to such issues as the state of Israel the Palestinian question the

approach to the Hebrew Bible the meaning of the Holocaust the legacy of anti-Semitism and the problem of empowerment in both Christian and Jewish history Contributors Judd Kruger Levingston Marc H Ellis Richard L Rubenstein Arthur Waskow Michael Lerner Rosemary Radford Ruether Leonardo Boff Pablo Richard Julio de Santa Ana Phyllis B Taylor Dorothee S Iltis and Norman Solomon      *Converging Destinies* Stuart Dauermann, 2017-03-14 While all have reason to celebrate the greening of Christian Jewish relations since the Shoah and the promulgation of Nostra Aetate 4 few will deny that much work remains to be done by Christians and Jews seeking the best way forward that they might best serve God's purposes in the world the mission of God This book addresses that need by first surveying how each community has historically conceived of its own mission and from that stance assigned an identity to the other The text illuminates how such constructions have often impeded progress and therefore need to be upgraded and supplemented But how shall this be done *Converging Destinies* proposes an eschatological vision and practical suggestions to summon Jews and Christians to prepare for that day when each will be both commended and reproved by the judge of all sounding a call for more determined action greater humility and cooperative effort as together Jews and Christians serve the mission of God accountable to him for how they have served him and each other in the world that he has created according to his will      **Yeshua** Leonard J. Swidler, 1988 The author speaks as a modern Christian theologian not so much about Christ but about the historical Jesus or rather Yeshua that religious Jew who walked this earth almost two thousand years ago Examines the Jewishness of Yeshua looking at him through the refracting lenses of the Gospel and other helpful documents Shows how Yeshua provides a model on how to live a full human life taking on responsibility for the oppressed society breaking through anti feminine stereotypes and providing an androgynous model for all to follow      **Christians & Jews—Faith to Faith** Rabbi James Rudin, 2013-07-13 In time for Pope Francis's new initiatives We now have the potential to end two thousand years of hostility will we succeed New in paperback With keen wisdom and a masterful understanding of history Rabbi James Rudin an acclaimed authority in the field of Jewish Christian relations provides the context necessary for Christians and Jews to recognize the critical challenges posed by the past and the future of their two religions Spanning twenty centuries of controversy horror and promise Rudin's narrative examines The sources of both conflict and commonality between the two religions The need to address and redress past wrongs The agenda required to create a shared future free of bigotry It includes proven approaches for successful interreligious dialogues including tips on session organization project ideas and a discussion guide to enhance Christians and Jews knowledge of each other      *The Future of Interreligious Dialogue* Cohen, Charles L., Knitter, Paul F., Rosenhagen, Ulrich, 2017-09-14      **The Jewish Jesus** Zev Garber, 2011-04-12 There is a general understanding within religious and academic circles that the incarnate Christ of Christian belief lived and died a faithful Jew This volume addresses Jesus in the context of Judaism By emphasizing his Jewishness the authors challenge today's Jews to reclaim the Nazarene as a proto rebel rabbi and invite Christians to discover or rediscover the Church's Jewish heritage The essays in this volume cover

historical literary liturgical philosophical religious theological and contemporary issues related to the Jewish Jesus Several of them were originally presented at a three day symposium on Jesus in the Context of Judaism and the Challenge to the Church hosted by the Samuel Rosenthal Center for Judaic Studies at Case Western Reserve University in 2009 In the context of pluralism in the temper of growing interreligious dialogue and in the spirit of reconciliation encountering Jesus as living history for Christians and Jews is both necessary and proper This book will be of particular interest to scholars of the New Testament and Early Church who are seeking new ways of understanding Jesus in his religious and cultural milieu as well Jewish and Christian theologians and thinkers who are concerned with contemporary Jewish and Christian relationships

Understanding the Jewish Roots of Christianity Gerald McDermott, 2021-03-17 How Jewish is Christianity The question of how Jesus followers relate to Judaism has been a matter of debate since Jesus first sparred with the Pharisees The controversy has not abated taking many forms over the centuries In the decades following the Holocaust scholars and theologians reconsidered the Jewish origins and character of Christianity finding points of continuity Understanding the Jewish Roots of Christianity advances this discussion by freshly reassessing the issues Did Jesus intend to form a new religion Did Paul abrogate the Jewish law Does the New Testament condemn Judaism How and when did Christianity split from Judaism How should Jewish believers in Jesus relate to a largely gentile church What meaning do the Jewish origins of Christianity have for theology and practice today In this volume a variety of leading scholars and theologians explore the relationship of Judaism and Christianity through biblical historical theological and ecclesiological angles This cutting edge scholarship will enrich readers understanding of this centuries old debate
