Jews Of Kurdistan:

The Jews of Kurdistan Erich Brauer, 1993 Following World War II members of the sizable Jewish community in what had been Kurdistan now part of Iraq left their homeland and resettled in Palestine where they were quickly assimilated with the dominant Israeli Jewish culture Anthropologist Erich Brauer interviewed a large number of these Kurdish Jews and wrote *The Jews of Kurdistan* prior to his death in 1942 Raphael Patai completed the manuscript left by Brauer translated it into Hebrew and had it published in 1947 This new English language volume completed and edited by Patai makes a unique ethnological monograph available to the wider scholarly community and at the same time serves as a monument to a scholar whose work has to this day remained largely unknown outside the narrow circle of Hebrew reading anthropologists *The Jews of Kurdistan* is a unique historical document in that it presents a picture of Kurdish Jewish life and culture prior to World War II It is the only ethnological study of the Kurdish Jews ever written and provides a comprehensive look at their material culture life cycles religious practices occupations and relations with the Muslims In 1950 51 with the mass immigration of Kurdish Jews to Israel their world as it had been before the war suddenly ceased to exist This book reflects the life and culture of a Jewish community that has disappeared from the country it had inhabited from antiquity In his preface Raphael Patai offers data he considers important for supplementing Brauer's book and comments on the book's values and limitations fifty years after Brauer wrote it Patai has included additional information elicited from Kurdish Jews in Jerusalem verified quotations corrected some passages that were inaccurately translated from Hebrew authors completed the bibliography and added occasional references to parallel traits found in other Oriental Jewish communities *The Jews of Kurdistan* Ora Shwartz-Be'eri, Muze'on Yisra'el (Jerusalem), 2000 Kurdish Jews like so many Jewish populations carried to Israel their unique ancient culture and ways of life Finding collecting identifying and preserving Kurdish artifacts are the means of understanding this remarkable aspect of the Israeli cultural melange The roots and traditions of Kurdish Jewry have special meaning for second and third generation members of the Israeli born Kurdish community and serve as a bridge between generations and among related communities abroad *The Jews of Kurdistan* is profusely illustrated with wonderful color and black and white photographs of Kurdish Jews at home work and leisure It presents a comprehensive visual and written portrait of this people's rich heritage history religious and spiritual life daily life clothing needlework metalwork and jewelry illuminated manuscripts synagogues and ceremonial and ritual objects It includes striking paintings of Kurdish Jewish women a table of common weaving patterns a glossary and a selected bibliography In the two decades since the publication of the Hebrew edition of this seminal work the culture of the Jews of Kurdistan has largely been integrated into mainstream Israeli culture allowing Shwartz Be'eri's study to resonate as an ever more important ethnographic and historical document

Jewish Subjects and Their Tribal Chieftains in Kurdistan Mordechai Zaken, 2007-01-01 This volume deals with the experience and the position of non tribal Jewish subjects and their relationships with their tribal chieftains aghas in urban

centers and villages in Kurdistan It is based on new oral sources diligently collected and carefully analyzed **The Jews of Kurdistan** Ora Shwartz-Be'eri,1982 *End of Story? Remnants of Kurdistan's Jews in the 21st Century* Thomas Schmidinger,2025-01-04 For more than 2 600 years Jews lived in the region now mainly inhabited by Kurds and for the past several centuries referred to as Kurdistan Over time many of these Jewish communities had developed strong cultural similarities with their Kurdish and Christian neighbours and in addition to their own dialects of Northeastern Neo Aramaic also spoke Kurdish and depending on the region Arabic Persian and Turkish Almost all of these communities were crushed in the Middle East conflict in the course of the 20th century Based on extensive fieldwork this book documents what material culture remains of these communities in the 21st century and what discourses have developed in the various parts of Kurdistan about this part of the region s historical heritage It focusses on Iraqi Kurdistan where most of the Jewish communities existed but also includes the remains of the communities in the Iranian Syrian and Turkish part of Kurdistan

My Father's Paradise Ariel Sabar,2025-05-01 In a remote corner of the world forgotten for nearly three thousand years lived an enclave of Kurdish Jews so isolated that they still spoke Aramaic the language of Jesus Mostly illiterate they were self made mystics and gifted storytellers and humble peddlers who dwelt in harmony with their Muslim and Christian neighbors in the mountains of northern Iraq To these descendants of the Lost Tribes of Israel Yona Sabar was born Yona s son Ariel grew up in Los Angeles where Yona had become an esteemed professor dedicating his career to preserving his people s traditions Ariel wanted nothing to do with his father s strange immigrant heritage until he had a son of his own Ariel Sabar brings to life the ancient town of Zakho discovering his family s place in the sweeping saga of Middle Eastern history This powerful book is an improbable story of tolerance and hope set in what today is the very center of the world s attention

Unwitting Zionists Haya Gavish,2010 A study of the Iraqi Jewish community of Zakho that investigates the community s attachment to the Land of Israel the effects of Zionist activity and immigration to Palestine and Israel *Unwitting Zionists* examines the Jewish community in the northern Kurdistan town of Zakho from the end of the Ottoman period until the disappearance of the community through aliyah by 1951 Because of its remote location Zakho was far removed from the influence of the Jewish religious leadership in Iraq and preserved many of its religious traditions independently becoming the most important Jewish community in the region and known as Jerusalem of Kurdistan Author Haya Gavish argues therefore that when the community was exposed to Zionism it began to open up to external influences and activity Originally published in Hebrew *Unwitting Zionists* uses personal memoirs historical records and interviews to investigate the duality between Jewish tradition and Zionism among Zakho s Jews Gavish consults a variety of sources to examine the changes undergone by the Jewish community as a result of its religious affiliation with Eretz Israel its exposure to Zionist efforts and its eventual immigration to Israel Because relatively little written documentation about Zakho exists Gavish relies heavily on folkloristic sources like personal recollections and traditional stories including extensive material from her own fieldwork with an

economically and demographically diverse group of men and women from Zakho She analyzes this firsthand information within a historical framework to reconstruct a communal reality and lifestyle that was virtually unknown to anyone outside of the community Appendixes contain biographical details of the interviewees for additional background Gavish also addresses the relative merits of personal memoirs optimal interviewer interviewee relationships and the problem of relying on the interviewees memories in her study Folklore oral history anthropology and Israeli studies scholars as well as anyone wanting to learn more about religion community and nationality in the Middle East will appreciate Unwitting Zionists
