## **Jimmy Carter Story:**

The Jimmy Carter Story Margaret Poynter, 1978 A biography of the thirty ninth President of the United States Gift of Peace, Revised Edition Elizabeth Raum, 2014-08-26 From Peanut Farmer to President When Jimmy Carter was a boy he listened to his parents talk about local politics and watched them live out their Baptist faith in the community From the fields of his family farm to traveling the world negotiating peace talks God guided every step of Jimmy s journey His unwavering devotion to peace and faith helped him navigate the political waters of the governorship and presidency This revised edition includes updates on President Carter s continuing work on human rights and celebrates 30 years of Habitat of Humanity with focus on the Jimmy and Roslyn Carter work projects in Haiti and more Discover the extraordinary life of this world famous humanitarian and follow in the footsteps of this incredible man of God *Jimmy, the Story of the Young Jimmy Carter* Dorothy M. Callahan, 1979-01-01 A biography of the 39th President stressing the events of his childhood and Naval career

**Turning Point** Jimmy Carter, 1992 Discusses the origins of President Carter s commitment to human rights and his work to bring about advancements for human decency **An Hour Before Daylight** Jimmy Carter, 2001-06-29 An American classic The New Yorker In An Hour Before Daylight Jimmy Carter bestselling author of Living Faith and Sources of Strength recreates his Depression era boyhood on a Georgia farm before the civil rights movement forever changed it and the country Carter writes about the powerful rhythms of countryside and community in a sharecropping economy offering an unforgettable portrait of his father a brilliant farmer and a strict segregationist who treated black workers with respect and fairness his strong willed and well read mother and the five other people who shaped his early life three of whom were black Carter s clean and eloquent prose evokes a time when the cycles of life were predictable and simple and the rules were heartbreaking and complex In his singular voice and with a novelist s gift for detail Jimmy Carter creates a sensitive portrait of an era that shaped the nation and recounts a classic American story of enduring importance The Life and Times Of President Jimmy Carter (A Biography Book) Christine Hopkins, 2025-01-02 Imagine witnessing the transformation of a humble peanut farmer into a world leader championing human rights and peace Meet Jimmy Carter the 39th President of the United States whose remarkable life journey is a witness to courage compassion and dedication to public service From his humble beginnings as a peanut farmer in Plains Georgia to his rise as a champion of human rights and Nobel Peace Prize laureate Carter s life is a tribute to his exceptional commitment to public service and his unshakeable optimism in the face of adversity Carter was born in Plains Georgia on October 1 1924 and was raised in a household that emphasized education hard work and volunteerism His time as a governor state senator and naval officer influenced his early life and prepared the groundwork for his political career The Camp David Accords the treaties governing the Panama Canal and the creation of the Departments of Energy and Education were among the major achievements of Carter s presidency which saw him become the first American president from the Deep South in more than a century Carter s life from his early years to his post

presidential years is intimately and thoroughly examined in this biography. It looks at his leadership style, his social justice beliefs, and his steadfast commitment to advancing human rights and peace globally. Through personal stories, historical documents, and exclusive interviews, this book presents a complex and captivating portrait of a real American leader. Carter's humanitarian efforts have had a significant global influence. His ceaseless efforts to advance global health, democracy, and human rights have served as an inspiration to innumerable people and institutions. Together with his wife Rosalynn, he founded the Carter Center, which has grown to become a preeminent organization in the defense of democracy and human rights. Anyone interested in American politics, history, or social justice should read this biography. It is evidence of the strength of compassion, leadership, and a commitment to changing the world. Carter's courage, conviction, and notable dedication to making the world a better place for everyone will inspire readers as his extraordinary life story progresses. Don't miss this captivating biography, which offers a unique glimpse into the life and legacy of Jimmy Carter. Get your copy now and be inspired by the remarkable story of a true American leader.

*Gift of Peace* Elizabeth Raum, 2014. Featuring a special note from Jimmy Carter. Cover: *Gift of Peace*, 2011. Jimmy Carter Mellonee Carrigan, 1995. A short biography of Jimmy Carter before, during, and after the presidency. *Keeping Faith* Jimmy Carter, 1982-10. An important book for our times; this is the story of a President who cared. Here is Jimmy Carter talking openly about his anguish over the hostage crisis in Iran, his triumph against all odds at Camp David, his secret communications with China's Deng Xiaoping, and his dramatic and revealing encounters with Soviet President Leonid Brezhnev, West German Chancellor Helmut Schmidt, and other world leaders. But this book is also the story of the private man. Now Jimmy Carter is able to share for the first time his feelings about being an outsider in Washington, about his relationship with Rosalynn, and about the attacks on his friends and on his brother Billy.

*Who Is Jimmy Carter?* ETHAN. KINGSLEY, 2025-03-16. From a humble peanut farmer to the 39th President of the United States, Jimmy Carter's life is a testament to leadership, compassion, and unwavering dedication to humanity. But who is Jimmy Carter beyond the presidency? In *Who Is Jimmy Carter: The Story of a President, Humanitarian, and Peacemaker*, discover the remarkable journey of a man who reshaped American politics, championed human rights, and devoted his post-presidency to global peace and humanitarian work. This compelling biography explores his early life, military career, how a small town Georgia boy rose to become a naval officer and future leader, the road to the White House, his political rise, the 1976 election, and the defining moments of his presidency: historic achievements, challenges, the Camp David Accords, the Iran hostage crisis, and his fight against inflation. A life of service beyond politics, his Nobel Peace Prize-winning humanitarian efforts, work with Habitat for Humanity, and commitment to democracy worldwide. The legacy of a peacemaker: how Carter's lifelong dedication to peace and social justice continues to inspire generations. Whether you're a history enthusiast, a student, or someone seeking inspiration from a true leader, this book provides a fascinating and insightful look into the life of one of America's most respected figures. Get your copy today and discover the extraordinary life of Jimmy Carter.

Carter     The Outlier Kai Bird, 2021-06-15 Important a landmark presidential biography Bird is able to build a persuasive case that the Carter presidency deserves this new look The New York Times Book Review An essential re evaluation of the complex triumphs and tragedies of Jimmy Carter s presidential legacy from the expert biographer and Pulitzer Prize winning co author of American Prometheus Four decades after Ronald Reagan s landslide win in 1980 Jimmy Carter s one term presidency is often labeled a failure indeed many Americans view Carter as the only ex president to have used the White House as a stepping stone to greater achievements But in retrospect the Carter political odyssey is a rich and human story marked by both formidable accomplishments and painful political adversity In this deeply researched brilliantly written account Pulitzer Prize winning biographer Kai Bird deftly unfolds the Carter saga as a tragic tipping point in American history As president Carter was not merely an outsider he was an outlier He was the only president in a century to grow up in the heart of the Deep South and his born again Christianity made him the most openly religious president in memory This outlier brought to the White House a rare mix of humility candor and unnerving self confidence that neither Washington nor America was ready to embrace Decades before today s public reckoning with the vast gulf between America s ethos and its actions Carter looked out on a nation torn by race and demoralized by Watergate and Vietnam and prescribed a radical self examination from which voters recoiled The cost of his unshakable belief in doing the right thing would be losing his re election bid and witnessing the ascendance of Reagan In these remarkable pages Bird traces the arc of Carter s administration from his aggressive domestic agenda to his controversial foreign policy record taking readers inside the Oval Office and through Carter s battles with both a political establishment and a Washington press corps that proved as adversarial as any foreign power Bird shows how issues still hotly debated today from national health care to growing inequality and racism to the Israeli Palestinian conflict burned at the heart of Carter s America and consumed a president who found a moral duty in solving them Drawing on interviews with Carter and members of his administration and recently declassified documents Bird delivers a profound clear eyed evaluation of a leader whose legacy has been deeply misunderstood The Outlier is the definitive account of an enigmatic presidency both as it really happened and as it is remembered in the American consciousness     **Jimmy Carter Biography** Richard J Mart, 2024-12-30 WHO IS JIMMY
