Only Until I Need Glasses: The Extraordinary Life and Adventures of Jimmy DeAngelo James T.

Scarnati, 2018-03-08 Somewhere in every person's life is a little Jimmy DeAngelo. *Only Until I Need Glasses* is a coming of age novel that transcends generations. It's the story of Jimmy DeAngelo, a typical boy growing up in the 1950s whose basic human nature is often at odds with the expectations of family and church. But boys will be boys, and Jimmy's inner conflict makes his life a continuous and hilarious adventure. He struggles with challenges on his road to adulthood and tests the accepted boundaries, providing a plethora of belly laughs in a society where rules, regulations, and morality are everything. In the years between WWII and Vietnam, follow Jimmy and his friends as they navigate first grade and first kisses, college pranks, and career choices. Laugh with our hero as he attempts to reconcile the inner discord created by embedded church and family values, and take a refreshing look into the minds of boys. *Only Until I Need Glasses* is an entertaining and uplifting book about love, friendship, and the process of finding one's place in a rapidly changing world. *The Secret of Jimmy X* Jason

Fury, 2000-10-30 At last, a collection of brand new gay tales from the master storyteller himself, Jason Fury. Terrifying, bizarre, and eerie, all with a touch of tingling gay eroticism. What is the sinister secret of Jimmy X? Who is the serial killer of gay men in the ancient city of Wintersville? Why do the townspeople fear an underground disco where dozens of gay men were burned alive? A lone traveler comes across a group of handsome jocks playing football, but he discovers something unwordly about their game. Three hustlers agree to appear in a porno film, but find out the filmmaker wants it to become a real life slasher epic. A suicidal man moves into a mountain chalet, only to learn he has some terrifying roommates. These are only a few of the unforgettable characters in these extraordinary stories of the weird, the haunted, and the doomed. A fitting companion to Fury's best-selling *Eric's Body* and smash hit *His Eyes Were Dark, He Licked His Lips*. **Murata Tek** Atlantis Captain

Atlantis, 2009-08 The boundaries of humanity are put to the test in this adventure that goes through time to fulfill a legend that has been laid on the shoulders of two adults, two children, and a dog. In their endless encounters with danger, the fate of the only gate between the divine and the Canaima's jungle will be determined. **MURATA TEK** originates from a 4-page story written by him when he was 8 years old, called *A dog called Marco Polo*. In his homeland, he made a musical based in a longer version of the story, along with 14 songs composed by him. Years later, he decided to turn it into a novel in the USA. *The Ladies' Home Journal*, 1893 *A Child's Adventure* William David, 2012-12 William David writes in an economical style, conveying the extraordinary nature of the early childhood years. He captures childhood experiences where the child has many first-time encounters and feels the joy of surprise in a world of daily adventure. The story unfolds around the life of a little boy caught up in the controlling influence of circumstances involving his parents and extended family, which culminates in the loss of all that he holds dear. A gradual and increasingly longer separation from his mother begins at three, until at five he

suddenly is removed far away In this story of undying hope a little boy determines to endure his circumstances and accepting his fate learns the value of compassion wisdom and humility He chooses to have faith in God while accepting the ambiguity and ultimate mystery of life and existence Sadness at times and loss may be inescapable in life but the benefit at any age is priceless strength and endurance
