**Dialogue on Kabbalah by Samuel David Luzzatto**

Menachem Kellner,2024-12-28 This is the first complete translation of Vikua al okhmat ha Kabbalah a literary philosophical dialogue composed by the great Italian Jewish scholar Samuel David Luzzatto 1800 1865 also known as Shadal Originally published in Hebrew in 1852 the Dialogue depicts a multi faceted and acrimonious disputation between two scholars who debate the authority and authenticity of Jewish mystical traditions This work subjects Kabbalah along with its textual centerpiece the Zohar to both a rigorous critique and an impassioned defense thereby inviting the reader to critically examine this centuries old debate Shadal s Dialogue is a classic text of the Jewish enlightenment Haskalah in which trends of modern scholarship and historical criticism are brought into confrontation with rabbinic tradition and Kabbalistic mysteries This translation has been augmented by over a thousand footnotes extensive glossaries and a lengthy introduction outlining the place of Shadal s Dialogue within the history of Kabbalah criticism and the rise of modern Jewish scholarship
