Keepers Of The Dream:

Keepers of the Dream Pamela Bullard, Barbara O. Taylor, 1994 *The Dream Keepers* Zena, 2020-09-30 Mona has the ability to lucid dream and astral travel This remarkable gift gives way to a mission that she cannot complete on her own leading her to discover just how powerful dreams can be Mona dreams of The Dream Keepers Theme Park which is so ethereal and mystical that it doesn't belong in the waking world There is so much truth to what Mona sees in her dreams that logic ceases to exist leaving only signs and symbols for her conscious mind to try and comprehend in her waking life The emotions that Mona goes through leaves her doubtful on who she can trust in this realm and also the astral realm There is a darker influence at play which poses a potential threat to society yet society remains oblivious What Mona discovers may make her stronger or it may destroy her It's her choice **Jet**, 1999-05-10 The weekly source of African American political and entertainment news The Dream Keepers - Architects of Duality Zena, Mona discovers the constructs of the mind the very realms that make up consciousness Once Mona encounters the physical manifestations and the functioning of them it becomes apparent that her work as a Dream Keeper has only truly just begun Glancing upon the many faculties and the inner workings Mona soon comes to realise just how complex a seemingly simple thought process can be whether it be good bad or indifferent and it all starts with intention When a new threat appears Mona is shocked at the source of its origin Loyalties are unhinged and friendships are put to the test Mona must choose to remain noble or succumb to another reality A reality where the greed and lust for power is unfathomable Friends and family are deeply involved and the only way to keep them safe is to rewrite history whilst at the same time transcending the architecture of duality **Soliza's Tale of the Dream Keepers Legend** Soliza, 2004 Referred as The feel of a New Harry Potter Epic Series Soliza's new work The Tales of the Dream Keepers The Legend of the Dream Castle makes me think we could be seeing the birth of a new set of epic stories for young adults This time instead of witchcraft and muggles the reader is enticed into a swirl of a story by an uncanny and wonderful cast of characters from the Interstellar Black Hole Vortex and the magical Gumdrop Mountain on Pandora Island somewhere on earth In the first tale three brothers Victor Rudy and Walt and the beautiful Britta face the evil SnitchSnatchers from the Black Hole Vortex who can steal your dreams wishes energies and desires With the help of giant mice with names like Sir Thomas Twitty and Tweet and Zeek a white horse who wants to be a zebra the intrepid foursome must find a way to reach the Dream Castle on fabled Gumdrop Mountain and defeat the SnitchSnatchers With wonderfully imaginative new twists and turns at every step the Dream Keepers Legend is one page flipping story I highly recommend it Larry Pontius Former Marketing VP for Walt Disney and Disneyland Waking Walt What an accomplishment Your story is fabulous and I am impressed with your creativity and marketing plan for your books I would be more than happy to help you in any way because you are a friend and most of all a genuine person with great ideas Sandy Murman State Representative Children's Advocate The Tales of the Dream Keepers The Legend of the Dream Castle was one of the Top Award Winners in the 13th
