Keeping The Secrets Of Jesus:

Keeping the Secrets of Jesus David Glenn, Denise Glenn, 2005-01-01 Have you ever felt like your relationship with Christ has hit a wall and that you're at a plateau Or perhaps you are struggling with a major issue in your life and you've tried everything but need direction Maybe you are praying for a breakthrough either in someone's life or on a larger scale for a whole group of people So what is the next step Keeping the Secrets of Jesus The secrets of Jesus are simple yet profound When we come against an impenetrable wall either in a human heart a church a city or a nation there is but one plan that will gain the victory We must keep the secrets of Jesus We are to give to pray and to fast under the radar in secrecy Those who are willing and know best how to practice these disciplines outlined by our Lord in Matthew 6 are best equipped to gain the victory Keeping the Secrets of Jesus may be read by individuals or used as small group study with women men or couples The Key Question section is designed to stimulate group discussion at your meetings and to enable those of you who like

transcendentals as the culmination or concentration of the rest Only by understanding holiness as the head of the transcendentals as the transcendental can one account for all the complexity the idea of the holy conjures Therefore holiness is the transcendental of the transcendentals It adds the aspect of reverence to existence and as such it is constituted by the formula sanctum sanctorum Holy of holies which extends from the divine nature through the triune life to all creation
