Tapping State Government Information Sources Lori L. Smith, Daniel C. Barkley, Daniel D. Cornwall, Eric W. Johnson, J. Louise Malcomb, 2003-11-30 Each state government produces large varieties and quantities of useful information that are largely unknown outside their state of origin This book leads the public to the most useful information sources produced by each state as well as to depository libraries that will facilitate more effective research For each of the 50 states important publications are detailed along with information on how to obtain them The publications topics range from crime statistics to vital statistics business statistics health information statistical abstracts education directories state budgets economic indicators state laws and legal information and more Tapping State Government Information Sources has a broader focus than previously published books in this subject area most of which have focused solely on depository laws useful state publications or indexes to state publications This book covers all three The first chapter describes print and electronic sources that provide information about all 50 states Each state's resources are then described in individual chapters When possible information about how to order a copy of the source is given as are Web addresses for titles that are available online At the beginning of each state chapter the state's legal definition of public document or its equivalent is given which may be of interest to librarians in states that are reexamining their own depository laws

State and National Boundaries of the United States Gary Alden Smith, 2015-06-08 With the exception of oceans boundaries are artificial man made divisions of geography that many times make little sense and sometimes no sense at all For example why does the northern boundary of Minnesota protrude into Canada Why does West Virginia have two panhandles Why do Pennsylvania and Delaware have a common boundary that is a circle segment Why do the boundaries of Colorado Wyoming and Utah consist entirely of lines of latitude and longitude The answers to these questions and many more can be found in this book which explains why and how state boundaries are placed where they are It begins with an introduction that provides general information about boundary placement colonial boundaries formation of territories surveying and Supreme Court rulings The 50 states are divided into ten regions New England Mid Atlantic Upper South Lower South Great Lakes North Central South Central Rocky Mountain West and Noncontiguous The text for each state begins with an overview of that state's boundaries that becomes more specific as its different boundaries are considered The appendices include interesting facts about each state citizen and state nicknames and dates territories were created and states entered the Union Richly illustrated with 138 maps

Appalachian Travels Olive Dame Campbell, 2012-09-17 In 1908 and 1909 noted social reformer and songcatcher Olive Dame Campbell traveled with her husband John C Campbell through the Southern Highlands region of Appalachia to survey the social and economic conditions in mountain communities

Throughout the journey Olive kept a detailed diary offering a vivid entertaining and personal account of the places the couple visited the people they met and the mountain cultures they encountered Although John C Campbell s book *The Southern Highlander and His Homeland* is cited by nearly every scholar writing about the region little has been published about the Campbells themselves and their role in the sociological educational and cultural history of Appalachia In this critical edition Elizabeth McCutchen Williams makes Olive s diary widely accessible to scholars and students for the first time *Appalachian Travels* only offers an invaluable account of mountain society at the turn of the twentieth century

Do They Miss Me at Home? Donald C. Maness,H. Jason Combs,2010-03-30 William McKnight was a member of the Seventh Ohio Volunteer Cavalry from September 1862 until his death in June of 1864 During his time of service McKnight penned dozens of emotion filled letters primarily to his wife Samaria revealing the struggles of an entire family both before and during the war This collection of more than one hundred letters provides in depth accounts of several battles in Kentucky and Tennessee such as the Cumberland Gap and Knoxville campaigns that were pivotal events in the Western Theater The letters also vividly respond to General John Hunt Morgan s raid through Ohio and correct claims previously published that McKnight was part of the forces chasing Morgan By all accounts Morgan did stay for a period of time at McKnight s home in Langsville during his raid through Ohio much to McKnight s horror and humiliation but McKnight was in Kentucky at the time Tragically McKnight was killed in action nearly a year later during an engagement with Morgan s men near Cynthiana Kentucky

A Research Guide to Cartographic Resources Eva H. Dodsworth,2018-09-22 The interdisciplinary uses of traditional cartographic resources and modern GIS tools allow for the analysis and discovery of information across a wide spectrum of fields A Research Guide to Cartographic Resources navigates the numerous American and Canadian cartographic resources available in print and online offering researchers academics and students with information on how to locate and access the large variety of resources new and old Dozens of different cartographic materials are highlighted and summarized along with lists of map libraries and geospatial centers and related professional associations A Research Guide to Cartographic Resources consists of 18 chapters two appendices and a detailed index that includes place names and libraries structured in a manner consistent with most reference guides including cartographic categories such as atlases dictionaries gazetteers handbooks maps plans GIS data and other related material Almost all of the resources listed in this guide are categorized by geography down to the county level making efficient work of the type of material required to meet the information needs of those interested in researching place specific cartographic related resources Additionally this guide will help those interested in not only developing a comprehensive collection in these subject areas but get an understanding of what materials are being collected and housed in specific map libraries geospatial centers and their related websites Of particular value are the sections that offer directories of cartographic and GIS libraries as well

as comprehensive lists of geospatial datasets down to the county level This volume combines the traditional and historical collections of cartography with the modern applications of GIS based maps and geospatial datasets Delivered Under Fire Candice Shy Hooper, 2023-03 2024 IPPY Silver Medal Winner in Biography 2024 IPPY Silver Medal Winner in U S History During the Civil War his movements from battlefield to battlefield were followed in the North and in the South nearly as closely as those of generals though he was not in the military After the war his swift response to Ku Klux Klan violence sparked passage of a landmark civil rights law though he was not a politician When he died in 1888 newspapers reported his death from coast to coast yet he is unknown today He was the man who delivered the most valuable ingredient in U S soldiers fighting spirit during those terrible war years letters between the front lines and the home front He was Absalom Markland special agent of the United States Post Office and this is his first biography At the beginning of the Civil War at the request of his childhood friend Ulysses S Grant Markland created the most efficient military mail system ever devised and Grant gave him the honorary title of colonel He met regularly with President Abraham Lincoln during the war and carried important messages between Lincoln and Generals Grant and William Tecumseh Sherman at crucial points in our nation's peril When the Ku Klux Klan waged its reign of terror and intimidation after the Civil War Markland's decisive action secured the executive powers President Grant needed to combat the Klan Nearly every biography of Lincoln Sherman and Grant includes at least one footnote about Markland but his important sometimes daily interaction with them during and after the war has escaped modern notice until now Absalom Markland is a forgotten American hero Delivered Under Fire tells his amazing story **Mitch, Please!** Matt Jones, 2020-03-31 NEW YORK TIMES BESTSELLER THE WALL STREET JOURNAL

BESTSELLER From the founder of Kentucky Sports Radio and attorney Matt Jones a withering humorous look at how Mitch McConnell has been bad for Kentucky and why he needs to be voted out in 2020 They say all politics is local In 2020 Mitch McConnell will have served five full terms as a US Senator Thirty years The Senate Majority leader's power is as undeniable as it is infuriating and the people of Kentucky have had enough Led by Matt Jones they and they alone have the power to oust him from office How did Jones a local boy turned attorney turned sports radio host come to shine the brightest light on McConnell's ineptitude Simple he knows Kentucky inside and out and has used the state's love of sports as an entry point for showcasing how McConnell has failed his fellow citizens both economically and socially for three decades Entertaining maddening yet ultimately inspiring these stories from Kentuckians in each of its 120 counties illustrate the Senate Majority leader's stunning shortcomings Jones infuses his trademark wit and wisdom throughout while also offering a beautiful portrait of a state with arguably the most untapped potential in our country Ultimately the white hot hatred for McConnell on the coasts is just white noise Only the people of Kentucky can remove him from office Here Matt Jones demonstrates he has the influence charisma and institutional knowledge to lead the charge He and his fellow Kentuckians have had enough and they're ready for a fight

Kentucky Atlas Gazetteer Introduction

In the digital age, access to information has become easier than ever before. The ability to download Kentucky Atlas Gazetteer has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Kentucky Atlas Gazetteer has opened up a world of possibilities. Downloading Kentucky Atlas Gazetteer provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Kentucky Atlas Gazetteer has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Kentucky Atlas Gazetteer. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Kentucky Atlas Gazetteer. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Kentucky Atlas Gazetteer, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Kentucky Atlas Gazetteer has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
