**Science, the Creative Process in the Individual, the Law and the Word, the Edinburgh Lectures on Mental Science, the Dore Lectures on Mental Science** Thomas Troward, 2018-11-25 The Classic Thomas Troward Book

Collection Deluxe Edition The Hidden Power And Other Papers On Mental Science The Creative Process In The Individual The Law And The Word The Edinburgh Lectures On Mental Science The Dore Lectures On Mental Science Thomas Troward The Hidden Power And Other Papers On Mental Science First published in 1921 When we once realise that this universal and unlimited power of spirit is at the root of all things and of ourselves also then we have obtained the key to the whole position and however far we may carry our studies in spiritual science we shall nowhere find anything else but particular developments of this one universal principle The Creative Process In The Individual First published in 1915 Getting things into a better order is the great secret of progress What we are seeking therefore is to discover how to arrange things in such an order as to set in motion a train of causation that will harmonize our own conditions without antagonizing the exercise of a likepower by others The Law And The Word First published in 1917 People are beginning to realize that Thought is a power in itself one of the great forces of the Universe and ultimately the greatest of forces directing all the others Thought is the great power of the Universe But to make it practically available we must know something of the principles by which it works The Edinburgh Lectures On Mental Science First published in 1909 The Spirit of Life seeking expression in individual lives can have no other intention towards them than that they might have life and that they might have it more abundantly To suppose the opposite would be a contradiction in terms The Dore Lectures On Mental Science First published in 1921 The Spirit is that which gives life and movement to anything in fact it is that which causes it to exist at all The thought of the author the impression of the painter the feeling of the musician is that without which their works could never have come into being and so it is only as we enter into the IDEA which gives rise to the work that we can derive all the enjoyment and benefit from it which it is able to bestow New Thought then is not the name of a particular sect but is the essential factor by which our own future development is to be carried on and its essence consists in seeing the relation of things in a New Order

*Edinburgh Lectures and Dore Lectures on Mental Science* Thomas Troward, 2009-05-06 The Edinburgh Lectures are Thomas Troward's masterpiece Harvard professor William James praised them as the ablest statement of the philosophy he had ever met This edition was prepared for students of the New Thought movement and also includes the Dore Lectures
