

## What is Emotional Intelligence?

Emotional intelligence or EQ is the ability to "understand and manage your own emotions, and those of the people around you," according to Daniel Goleman an American psychologist renowned as the Godfather of EQ.

*80%-90% of the competencies that differentiate top performers are in the domain of emotional intelligence.*

- Daniel Goleman

## Why is it Important?

- Leaders who can work with others well can foster individual, team and organizational success.
- When we're in touch with our emotions we're at choice. We are able to take control of our emotions and our actions, rather than letting our emotions control us.

*Education for Intelligence? Or Failure?* Robert E. Bills, 1982 A survey of personality tests administered to 124 000 children has led an educator to formulate a five point plan to improve the quality of American public schools **Education Legislation--1963, Hearings...88-1** United States. Congress. Senate. Labor and Public Welfare, 1963 *Education And The Struggle For Democracy* Carr, Wilfred, Hartnett, Anthony, 1996-03-01 During the past decade there has been a series of radical changes to the educational system of England and Wales This book argues that any serious study of these changes has to engage with complex questions about the role of education in a modern liberal democracy Were these educational changes informed by the needs and aspirations of a democratic society To what extent will they promote democratic values and ideals These questions can only be adequately addressed by making explicit the political ideas and the underlying philosophical principles that have together shaped the English educational system To this end the book provides a selective history of English education which exposes the connections between decisive periods of educational change and the intellectual and political climate in which it occurred It also connects the educational policies of the 1980s and 90s to the political ideas of the New Right in order to show how they are part of a broader political strategy aimed at reversing the democratic advances achieved through the intellectual and political struggles of the nineteenth and twentieth centuries The book proposes that a democratic educational vision can only effectively be advanced by renewing the struggle for democracy the historical struggle to create forms of education which will empower all citizens to participate in an open pluralistic and democratic society *The SAGE Handbook of Special Education* Lani Florian, 2013-12-18 The second edition of The SAGE Handbook of Special Education provides a comprehensive overview of special education offering a wide range of views on key issues from all over the world The contributors bring together up to date theory research and innovations in practice with an emphasis on future directions for the role of special education in a global context of inclusion This brand new edition features New chapters on families interagency collaboration and issues of lifelong learning The UN Convention on the Rights of Persons with Disabilities Policy reform proposals Equity and social justice in education The impact of new thinking on assessment Issues and developments in classification The preparation and qualifications that teachers need The Handbook s breadth clarity and academic rigour will make it essential reading for researchers and postgraduate students and also for practitioners teachers school managers and administrators **Philosophers as Educational Reformers (International Library of the Philosophy of Education Volume 10)** Peter Gordon, John White, 2010-02-25 This volume assesses how far the ideas and achievements of the 19th century British Idealist philosophical reformers are still important for us today when considering fundamental questions about the structure and objectives of the education system in England and Wales Part 1 examines those ideas of the Idealists especially T H Green which had most bearing on the educational reforms carried out between 1870 and the 1920s and traces their connection with the philosophy and educational theory of Hegel and other post
