lenses of the third dimensional world and experience life from a higher and broader perspective Within this book you will discover different techniques and tools which can assist you in tapping into your higher zero point self which is explained further within the book You will learn about your spiritual team your soul tribe your angels guardian angels and the archangels who are here with you on this amazing adventure It is my hope that my own personal stories truths and life lessons give you hope understanding encouragement and support as you prepare for your own great adventure of finding your true self On your journey you will understand depth of God s love and realize the importance of self love Throughout this book I refer to source universe high power as God Let your soul resonate and your spirit lift as you read through the pages of my own personal life experiences and discover and uncover the secrets of living the life you want and deserve Finding the Authentic You
