Real Presence Nathan Mitchell, 2001 Eucharist Our sacrament of unity that we never stop discussing and debating Nor should we Nathan Mitchells earlier book Cult and Controversy demonstrated the breadth of his scholarship on the history of Eucharistic practice and piety in the Church In this expanded edition of Real Presence Dr Mitchell brings that scholarship to bear on the contemporary dialogue about the Eucharist What he says is vital to Sunday practice and parish life Teachers preachers catechists and students especially will find help in Mitchells insights into the Catechism of the Catholic Church and its teachings on the Eucharist into the ways that contemporary biblical scholarship opens up our understanding of Jesus and the Eucharist into those two wonderful words that have again and again challenged the Church to go ever deeper real presence and into the theologies of the Eucharist coming from contemporary Europeans such as Jean Luc Marion Herbert McCabe and

Catherine Pickstock This new and expanded edition also includes Nathan Mitchells essay Eucharist in the Work of Some Contemporary European Theologians and an expanded commentary on Eucharist in Luke s Gospel Nathan Mitchell holds a doctorate in liturgical studies from the University of Notre Dame and is associate director for research at the Notre Dame Center for Pastoral Liturgy Published by Liturgy Training Publications Provided by publisher Bread of Life David E. Rosage,2008-10-14 What better way to contemplate the wondrous gift of Jesus in the Eucharist than to pray and meditate on a different Scripture reflection every day of the month In each of the thirty one chapters of The Bread of Life bestselling author Monsignor David E Rosage offers a Scripture passage and a short commentary to guide the reader into prayer followed by two additional Scripture passages will be preparing their hearts to more fully appreciate the Eucharist as our bread for the journey and the Mass as the perfect act of praise Among the topics covered Eucharist as Thanksgiving The Mass as a Prayer of Intercession The Eucharist and the Holy Spirit The Healing Presence of the Eucharist The Eucharist as Our Source of Peace **Jesus and the Eucharist** Tad W. Guzie,1995 **Exploring the Belief in the Real Presence** David J. Keys, PhD,2015-03-12 The Eucharistic celebration is an ancient ritual originating almost 2000 years ago It took place during the last Passover supper Jesus had with his apostles on the day before he died At that time Jesus took bread blessed it broke it and gave it to the apostles saying This is my body Subsequently Jesus took the wine gave thanks and gave it to the apostles saying This is my blood Jesus commanded the apostles to Do this in memory of me Currently the religions of more than three fourths of the worlds Christians believe that when these same words are said during their faiths Eucharistic liturgy the bread and wine turn into the real presence of Jesus Christ that is into the body blood soul and divinity of Jesus Christ In addition many individuals belonging to those religions which believe in the real presence have little understanding of the basis for this ancient belief In Exploring the Belief in the Real Presence author Dr David J Keys provides an understanding of the real presence in the Eucharist for both newcomers to the principle and for those who wish to extend their belief to a deeper level Through scripture and documentation Keys shares the beauty and richness of this ancient teaching concerning the real presence of Jesus in the Eucharist **Another Jesus?** Roger Oakland,2007 Is the Jesus of the Bible the same as the Eucharist Jesus of Catholicism Or is this a different Jesus Many Christians think that the Christian tradition of communion is the same as the Catholic tradition of the Eucharist But this is not so The Eucharist i e Transubstantiation is a Catholic term for communion when the bread and the wine actually become the very body and blood of Jesus Christ thus when taken the partaker supposedly experiences the presence of God These transformed elements are placed in what is called a monstrance and can then be worshipped as if worshipping God Himself The implications are tied in with salvation With the Eucharist salvation becomes sacramental participation in a ritual as opposed to justification by faith in Christ alone While this mystical experience called the Eucharist cannot be upheld through Scripture there appears to be an increase of interest by evangelical Christians towards this practice Author Bio Roger Oakland is an author lecturer and

The Eucharist: Mystery of Presence, Sacrifice, and Communion Lawrence Feingold,2018-04-01 The Eucharist Mystery of Presence Sacrifice and Communion explores the three ends of the Sacrament of Sacraments God s true presence His redemptive sacrifice and spiritual nourishment through communion with Him In this follow up to his groundbreaking work Faith Comes From What Is Heard Lawrence Feingold constructs a biblical vision of the Eucharist from its prefigurement in the Old Testament to its fulfillment in the New and presents the Eucharistic theology of the Church Fathers St Thomas Aquinas and magisterial teaching from centuries past through today The Eucharist is a masterful text both challenging and spiritually rich that comprehensively examines the unspeakable mystery that is the Eucharist

The Eucharist, Our Sanctification Raniero Cantalamessa,1993 The Eucharist should not be limited to the congregation that gathers to hear the word of God and proclaim its faith It is first of all the active presence of the sacrifice of Christ who gathers us together and lets us partake of his divine life through his body and blood in Communion Christians are always hoping to find helpful ways to contemplate the eucharistic mystery in all its fullness and this set of meditations by Father Raniero Cantalamessa presented by him in the presence of Pope John Paul II is written in a simple and warm style and nourished by Scripture and the teachings of the Church Fathers from both the East and the West These meditations answer the needs of all who hope to experience the radiant and radiating Eucharist that shines into their hearts and into the life of the Church

Eucharist Is Really Jesus,2023-06-26 **The Veiled Majesty** W. Kelly,2013-02-22 Chapter 1 begins In the foregoing general dissertation on the Real Presence we have shown that the Catholic belief concerning the Eucharist has a claim to the serious consideration of all who love truth and justice We now propose to discuss more fully the foundations on which this belief rests and in the first place we shall endeavour by an appeal to the authority of the New Testament and the belief and teaching of the Church from the time of the Apostles to show that our Saviour in His love for man condescends to dwell on earth in the Sacrament of the

Eucharist as truly as He does in heaven where His glory is manifested Then we shall put before the reader our reasons for believing that Our Lord at the Last Supper instituted a Sacrifice as well as a Sacrament and that that Sacrifice has been offered up continuously from the time of the Apostles to the present day Then proceeds a defense of the doctrine of the Church in regard to the Real Presence of Jesus Christ in the Most Holy Eucharist Then follows a chapter on the Last Supper and this is followed by a chapter on the mode of the fulfillment of Jesus' command that we eat His Body and drink His Blood In the chapter on the testimony of history we read In showing that Scripture in itself affords to any Christian a sufficiently reasonable proof of the Catholic doctrine we have done even more than was necessary for it would have been sufficient to show that the doctrine was not opposed to the teaching of Scripture The primary criterion of Christian dogma is not Scripture but the authoritative teaching of the Catholic Church The truths taught in Scripture were taught by the Church before the Gospels were written and several hundred years before the New Testament began to exist in its present form Hence if we believed only what is expressly stated in Scripture we would have no foundation at all for our belief for we have to accept the Scriptures themselves and their inspiration on the authority of the Church There is no Scriptural proof that the Gospels and Epistles were divinely inspired nor is there any Scriptural proof of the authorship of many of the writings of the New Testament It was the Catholic Church which in a General Council collected these sacred writings together and testified to their genuineness and inspiration In the chapter on the old sacrifices we read In the meantime as He did not wish to leave His children without help He taught our first parents a religious rite by which they and their descendants might have a present interest in the work of redemption This religious rite was Sacrifice and it prefigured the great Sacrifice which the Redeemer should offer up on Calvary It was established as the proper means of performing that public duty of worship which man owes to God as His Creator and Sovereign Lord and also to serve as a continual reminder of his sinfulness and need of forgiveness so that by the offering of sacrifice men offered themselves to God acknowledged their dependence upon Him and made expiation for their sins In his state of innocence man was bound to worship God since He owed everything to Him After his fall the obligation became more pressing for he then owed God not only the homage of his entire being but also the penalty of death

The Basic Book of the Eucharist Lawrence George Lovasik, 2001 Based firmly on Scripture and Church teachings The Basic Book of the Eucharist will help you understand what means to receive Communion worthily

The Eucharist in the New Testament Jerome Kodell, 1991 This short study of the eucharist in the New Testament has two parts The first seeks to uncover the origins of the Eucharist and to trace developments in the earliest Eucharistic practice and understanding The second part investigates the Eucharistic theology of the individual New Testament writers from back cover

How Did Jesus Want the Eucharist? Wucherpennig, Ansgar, SJ, 2024 At the last supper with his disciples Jesus thought more about life than about death For him the focus was on the meal the eating together not atonement

Correspondingly in the early days of Christianity people met for feasts in which they experienced the presence of the Risen

United States Conference of Catholic Bishops, 2001 Teilhard de Chardin on the Eucharist Savary, Louis M., 2021 Reinterprets and reenvisions traditional Eucharistic theology and related prayer forms to fit an evolving universe and introduces some of Teilhard's evolutionary perspectives showing how the Eucharist is a living symbol of the ongoing incarnation or transubstantiation of the entire cosmos **Eucharist** Dennis J.
