Jesus And The Miracle:

Jesus and the Miracle Tradition Paul J. Achtemeier, 2008-01-01 Working with selected miracles of Jesus from the canonical Gospel traditions and with background studies in the general understanding of miracles in the Greco Roman world of the Hellenistic period this collection of essays shows how we may understand the theological reasons why the early followers of Jesus included these stories in their traditions that constituted the canonical Gospels Using individual stories from the Gospels three of the essays demonstrate how literary critical analysis can show the theological intent of the miracle story A second set of three essays examines the way Mark and Luke view the miracle tradition within their larger task of writing the story of Jesus A final set of three articles examines the Hellenistic background of such stories and the way they were used in secular and Jewish sources to gain perspective on what the early Christians intended with the miracle stories of Jesus

Jesus the Miracle Worker Graham H. Twelftree, 1999-05-25 Graham Twelftree extensively examines the miracles of each Gospel narrative He weighs their historical reliability and considers the question of miracles and the modern mind

The Miracles Simon J. Kistemaker, 2006-08-01 Most Christians know the stories of Jesus healing people and controlling nature but many are less sure why Jesus did these things or how they relate to their lives today Theologian professor and author Simon J Kistemaker carefully examines each of Jesus s miracles He lays out the cultural background explains symbolism and Old Testament connections and fleshes out the details of each story Each chapter also includes a section focused on how the miracle relates to the life of the modern follower of Jesus Kistemaker s scholarly attention to detail coupled with accessible explanations and application will make this book valuable to everyone from lay readers to pastors looking for sermon material

The Miracles of Jesus According to John Stephen S. Kim, 2010-07-08 In our age of theological relativism Jesus question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God s message and His messenger s In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus Person and eschatological that is they foreshadow the work the Messiah will do in His future Advent The miracles remind us that God s desire for every believer is first and foremost a spiritual relationship with Him through His Son Furthermore Jesus miracles also remind us that God s work in and for every believer will be fully and ultimately realized in the everlasting life

The Miracles of Jesus Peter Negron, 2018-07-03 We live in a broken and fallen world and it is a world where people need help and often a miracle But today it seems as if miracles have become a part of the past We don't hear of many miracles and more people even some in the Christian community have stopped believing expecting or even waiting for a miracle So where are the miracles The Miracles

of Jesus is for anyone who is interested in miracles needs a miracle or knows someone who needs a miracle from the Lord Author and pastor Peter Negron shares the inspirational and encouraging testimonies of real people with real miracles including the real miracles of Jesus that we can read about in the Word of God By showing you how to position yourself for a miracle these testimonies can help you to believe again in the love and mercy of God through his miraculous answers to our prayers Miracles are a sign from God and these miraculous signs help people believe in Jesus And while some may receive a sudden miracle many others must also make the effort to position themselves in the right place take the right steps and put their faith in God In every case though we must simply trust in God and in his grace and mercy and through prayer we will be in a position of faith both for ourselves and for others in need of a miracle

STORIES FROM THE BIBLE **Miracles of Jesus** Richard S. Ascough,2003 Richard Ascough presents and interprets 27 miracles performed by Jesus during his public ministry Each miracle selected is both a demonstration of and a challenge to faith All four of the Gospels present Jesus as a miracle worker The stories show that Jesus preached the in breaking of God s kingdom while demonstrating its arrival through mighty works Together the miracles reveal Jesus concern for all people there are no ethnic social or gender barriers to God s care This book seeks to understand Jesus miracles in their social and literary contexts in order to see how these miracles demonstrate God s concern for the whole person not only in antiquity but also in our own lives today While Jesus healed people he did not heal everyone Sickness disease and death are still prevalent at least while we await the full manifestation of God s kingdom on earth writes Ascough in the opening chapter However whenever relationships are restored faith is strengthened When people recover from illness we see signs of God s restoration and involvement in our lives Seen from the perspective of faith God can be understood to be working in extraordinary ways in each of our lives Such miracles are signs of God s restoration of order in a disorderly broken world Many current popular books on miracles are either anecdotal or refer only peripherally to the biblical texts This book gives serious attention to understanding Jesus miracles in their socio cultural context and then brings them into conversation with our own world However while The Miracles of Jesus draws upon a wealth of biblical scholarship it is presented in a readable and accessible style This is a book for those who want a serious readable account of the details and implications of Jesus miracles The Nature Miracles of Jesus Graham H.
