In The Beginning Benjamin Greene, 2019-04-12 JESUS IS BORN IN BETHLEHEM Mary the mother of Jesus lived in the little town of Nazareth among the hills of Galilee She was going to be married to a carpenter called Joseph who like herself lived in Nazareth One day God sent the angel Gabriel to Mary with a message Mary when she saw and heard the angel was a little frightened But the angel told her he had some glad news for her **Teacher's Manual for The Life of Jesus** Harris Franklin Rall, 1918 The Congregationalist, 1920 **The Life of Jesus** Harris Franklin Rall, 1917 The Life of Jesus Christ Walter Elliott, 1902 Jesus Begins His Work, 1986 **An Exegetical Summary of Matthew 1-16** David Abernathy, 2025-06-09 Each volume in the Exegetical Summaries series works through the original text phrase by phrase English equivalents are provided for all Hebrew and Greek words making this an excellent reference for exegetes of all levels Questions that occur to exegetes as they study the text are stated and then answered by summarizing the ways many scholars have interpreted the text This information should help translators or students in making their own exegetical decisions As a basis for discussion a semi literal translation of the text is given The first question to be answered is the meaning of key words in context Information from standard lexicons is given and then translations of the word are cited from a dozen major Bible versions and from commentaries that offer their own translations of the text Questions about the grammar and discourse structure of the original languages are answered by summarizing the views of many commentators When exegetical disagreements appear in the commentaries and versions the various interpretations are listed This book is not intended to replace the commentaries that are consulted Rather than being a stand alone commentary this book summarizes many important details of exegesis that should be considered in studying the biblical text **Jesus and His Church** Robert Rhodes, 2022-12-09 What is the definition of the church What did Jesus mean when he said he would build his church Jesus and His Church answers these questions through a concise look at the initial earthly post resurrection and post ascension ministries of Christ revealing how his life and work relate to today's church Scriptures from the Old Testament are presented from the perspective of God's original intention for mankind and the church The ministry of the apostles the preaching of Peter at Pentecost the differences between Peter and the man Paul and his ministry are revealed as continuations of what Jesus meant when he said I will build my church and the gates of hell shall not prevail against it This book is doctrinal refuting erroneous teachings that torment the church Jesus and His Church places the church in correct perspective with the original intentions of God through the ministries of Christ his Son It is educational to believers and convincing to nonbelievers Revealed truth seen in the life of Christ written in Jesus and the Church will clear up confusion and any burden concerning what Jesus said and what preachers and teachers say about the church This book will guide those who have veered off God's intended path through convincing deception back to the path where they belong and where God has always wanted them to be May it be so in all our lives The Congregationalist and Advance, 1919 *Judgment Begins*
