**Did Jesus Rise From the Dead?** Gary R. Habermas, Antony Flew, Terry L. Miethe, 2003-12-04 This is the most important question regarding the claims of the Christian faith Certainly no question in modern religious history demands more attention or interest as witnessed by the vast body of literature dealing with the Resurrection James I Packer says it well in his response to this debate When Christians are asked to make good their claim that this scheme is truth they point to Jesus resurrection The Easter event so they affirm demonstrated Jesus deity validated his teaching attested to the completion of his work of atonement for sin confirms his present cosmic dominion and coming reappearance as Judge assures us that his personal pardon presence and power in people's lives today is fact and guarantees each believer's own reembodiment by Resurrection in the world to come The Apostle Paul considered the Resurrection to be the cornerstone of the Christian faith If Jesus did not rise from the dead the whole structure Christianity collapses Paul tells us in 1 Corinthians 15 14 17 And if Christ has not been raised our preaching is useless and so is your faith More than that we are then found to be false witnesses about God And if Christ has not been raised your faith is futile emphasis added The Christian faith and its claim to be Truth exists only if Jesus rose from the dead The heart of Christianity is a living Christ

rooted in Anabaptist theology Start small      Death and Resurrection Dennis J. Horton,2009-06-10 Dennis Horton highlights the shape and function of the death and resurrection motif by applying William Freedman s criteria of a literary motif to the Acts narrative By analyzing the statements about death and resurrection together with the examples of this messianic pattern among the experiences of major and minor characters the motif becomes clear This central theme then becomes intensified through contrast with a secondary motif that of death and decay Death and Resurrection provides a clear example of a biblical motif and how it develops and functions within the narrative serving as a valuable guide for future studies of biblical motifs The work also supplies a needed balance between the extremes of past and present Lukan scholarship by considering the combined effect of suffering and renewed life within a single motif Both the statements and actions of the characters reveal the importance of the two elements for Lukan theology and soteriology The function of the motif derives from its usage within the narrative and proves insightful for gaining a better understanding of the aesthetic quality of the story while simultaneously showing how the narrator skillfully wields the motif to provide encouragement to the followers of The Way to issue a warning to would be persecutors and to deliver an evangelistic message to potential converts such as the God fearers The messianic pattern of death and resurrection becomes a heuristic tool that the narrator carefully applies to create a potent motif with a multifaceted message for a growing and often suffering Christian community      *Days of Glory* Richard Thomas Aquinas Murphy,1980      *The Resurrection of the Messiah* Christopher Bryan,2011-03-21 In *The Resurrection of the Messiah* Christopher Bryan combines literary historical and theological approaches in a study of the doctrine of the Resurrection The book is divided into three parts The first section provides a careful and sympathetic description of first century Jewish and pagan opinions and beliefs about death and what might follow This is followed by a presentation of a general account of early Christian claims about the death and resurrection of Jesus of Nazareth The second part of the book offers a detailed full length commentary on and exegesis of the main New Testament texts that speak of Jesus death and resurrection 1 Corinthians 15 and the narratives in the four canonical gospels As a framework for this commentary Bryan utilizes the pattern of apostolic preaching presented by Paul and then echoed by each of the four evangelists namely the formula Christ died Christ was buried Christ has been raised Christ appeared The final section of the book is spent discussing and evaluating various proposals that have been made by those attempting to explain the data in ways that differ from the traditional Christian explanation Bryan also considers various theological and ethical implications of accepting the claim Jesus Christ has been raised from the dead Throughout his study Bryan exhibits a willingness to face hard questions as well as an appropriate reverence for a faith that for almost two thousand years has enabled millions of people to lead lives of meaning and grace      *The Resurrection and Its Apologetics* Michael J. Alter,2024-03-21 Christians believe that Jesus is the Messiah and the Savior of the human race who died for the sins of humanity on the cross 1 Cor 15 3 The next verse adds the essential that he was buried that he was raised on the third day in accordance with the Scriptures In

Jesus Death and Burial Michael Alter critically surveys the writings of leading Christian apologists about Jesus death and burial and then explains why detractors and skeptics cannot accept the New Testament claim that Jesus died on the cross and received a tomb burial The Resurrection and Its Apologetics is an in depth series that significantly contributes both to the academic and non academic world reviewing and analyzing the most salient claims put forward in defense of Jesus death burial and bodily resurrection from the dead

**Jesus and the Demise of Death** Matthew Levering, 2012 What happens after death to Jesus and to those who follow him Jesus and the Demise of Death offers a constructive theology that seeks to answer that very question carefully considering both Jesus descent into hell and eventual resurrection as integral parts of a robust vision of the Christian bodily resurrection Taking on the claims of N T Wright and Richard B Hays Matthew Levering draws strongly upon the work of Thomas Aquinas to propose a radical reconstruction of Christian eschatological theology one that takes seriously the profound ways in which Christianity and its beatific vision have been enriched by Platonic thought and emphasizes the role of the Church community in the passage from life to death In so doing Levering underscores the hope in eternal life for Jesus followers and gives readers firm and fruitful soil upon which to base conversations about the Christian s future

**Dying, We Live** Kenneth Grayston, 1990 This critical study provides a book by book survey of every New Testament reference to the death and resurrection of Christ Drawing on a rich arsenal of both literary and historical exegetical tools Grayston introduces a vast range of scholarship offers brilliant and original insights illuminates disputed points and portrays the distinctive features of each New Testament author s theology In the process he maintains that talk and thought about the death of Christ have as much to do with human problems as they have with questions of belief
