Jesus on Forgiveness Joseph B. Healy, 2015-11-17 The act of forgiveness is not something that comes easily to most of us Too often we become angry or judgmental instead of forgiving others It can be difficult to remember we have all made mistakes or done things we regret and we would want to be forgiven in turn Alexander Pope famously wrote To err is human to forgive divine It is that divinity that Jesus Christ embodies and to which so many aspire Jesus's message is one of forgiving anyone and he lived by that same principle providing an example to all Jesus on Forgiveness contains quotes and wisdom from the teachings and ministrations of Jesus Christ as he communed with the people around him stressing the need for sincere graciousness and letting go of the desire for revenge His gentle words encouraging a spirit of forgiveness toward even those who have done us the most harm can inspire and touch people of any faith Christian or otherwise Then Peter came to Jesus and asked Lord how many times shall I forgive my brother or sister who sins against me Up to seven times Jesus answered I tell you not seven times but seventy seven times Matthew 18 21 22

Basic Training Sandy Bell, 2020-04-29 In writing this manual it is my hope to deliver a clear understanding of the why and how the church is to minister to those in need of healing We need to have a better understanding of what healing may or may not look like This manual was written for the purpose of training Jesus's disciples in the ministry of healing Inside these pages are a toolbox that can be used anywhere at any time We must understand as Christ's disciples on the frontlines of life the key to all healing is not in anything we do except to flow with what Jesus is doing through our relationship with him His ways are not our ways He will go to any length to accomplish what is needed to have a relationship with those He loves Every healing will be according to the will and purposes of God It is essential that the reader knows the One who is the source of all healing physical emotional mental and spiritual We become whole in body soul and spirit because it is God's desire and Jesus's sacrifice El Roi knows us and our troubles It was the great commission that Jesus commanded His disciples to preach the Gospel to all people Whoever believes the good news and is baptized will be saved and whoever does not believe will be condemned Miracle signs will accompany those who believe They will drive out demons speak in tongues protected from snakes and from drinking anything poisonous They will lay hands on the sick diseased and dis-eased and heal them It is my prayer that you will be blessed with a deeper level of wisdom knowledge and revelation from God to minister wholeness to others as the Holy Spirit leads you in the ministry of healing

Preaching Through Luke James C. Goodloe IV, 2014-01-22 Luke wrote this Gospel so that you Theophilus may have certainty concerning the things you have been taught i.e. catechesis 1:4 It proceeds with a barrage of questions The first comes from Zechariah How shall I know 1:18 This is a question of knowledge The angel Gabriel answers that we shall know by the word of God 1:19 The second comes from Mary How will this be 1:34 This is a question of agency of how the Son of God can become human Gabriel answers that it will be by the power of God 1:35 The third comes from Elizabeth Why me 1:43 Why should the gospel of Jesus Christ come to her Mary answers that it has to do with God's choice election mercy and salvation 1:47-55 The fourth has to do with John What then will this child be 1:66 Zechariah answers that he will be a prophet 1:76-79 John is not the Christ but he will go before the Christ Thus begins the catechism according to Luke a series of questions in order that we may have certainty concerning the things we have been taught *NIV, The Charles F. Logikos Douglas K. Jeffrey,2019-11-11 When it comes to a Triune God or how Jesus Christ can be 100% human and 100% divine you have probably heard comments such as It can t be explained or Just believe it on faith Personally while admitting that these days anything short of an Instagram release that God is 3 in 1 does require faith I find those explanations are just lazy Christians stop treating logic like it leads to corrupt morals and realize it is your ally a tool to build your faith and strengthen others Non Christians don t stumble into reasoning that logic points to nothing outside of time space and matter There is actual evidence in what and why Christians believe It is the goal of this author to provide sufficient proof for the Christian ministry leader to have an ample apologetic resource for the Christian layperson to have their faith enhanced through spiritual anchors and for the non Christian to understand that Christians do not just believe these doctrines on blind faith but rather due to substantial amounts of sensible logic presented in the Bible itself Put another way Logikos is meant to be the everlasting gobstopper for the mind and soul unleashing either an enduring logic that leads ultimately to spirituality or an

unrelenting spirituality that is nourished through reason *Eternal Hope* Emil Brunner, 2023-07-27 Describing his objective in writing *Eternal Hope* Emil Brunner boldly claimed that a church that has nothing to teach concerning the future and the life of the world to come is bankrupt Half a century later such a challenge might still be levied Against this backdrop Brunner offers a way forward that is conscious never to stray far from scripture yet nevertheless pastorally sensitive Indeed one of the central tenets of his approach is that the Gospel offers no comfort to the individual that is not at the same time a promise for the future of humanity as a whole He proceeds systematically through the promises and mysteries that the Christian faith holds surrounding death while holding the hope of eternity as a constant goal A precursor to his more rigorous *Dogmatics* and partly in preparation for the second assembly of the World Council of Churches in 1954 *Eternal Hope* was also written just a year after the tragic death of Brunner's son It is therefore no surprise that he combines the vulnerability of his personal encounter with death and a theological outlook that has universal implications
