Jesus In The Background Of History:

Jesus in the Background of History Albert Isaac Polack, William Wynn Simpson, 1959 Jesus, Skepticism, and the Problem of History Zondervan, 2019-10-08 In recent years a number of New Testament scholars engaged in academic historical Jesus studies have concluded that such scholarship cannot yield secure and illuminating conclusions about its subject arguing that the search for a historically authentic Jesus has run aground **Jesus Skepticism and the Problem of History** brings together a stellar lineup of New Testament scholars who contend that historical Jesus scholarship is far from dead These scholars all find value in using the tools of contemporary historical methods in the study of Jesus and Christian origins While the skeptical use of criteria to fashion a Jesus contrary to the one portrayed in the Gospels is methodologically unsound and theologically unacceptable these criteria properly formulated and applied yield positive results that support the Gospel accounts and the historical narrative in Acts This book presents a nuanced and vitally needed alternative to the skeptical extremes of revisionist Jesus scholarship that on the one hand uses historical methods to call into question the Jesus of the Gospels and on the other denies the possibility of using historical methods to learn about Jesus **Demythologizing Jesus of Nazareth: Was Jesus a Historical Or Mythical Person?**, **Studying the Historical Jesus** Bruce D. Chilton, Craig A. Evans, 2019-11-26 This volume offers critical assessments of Life of Jesus research in the last generation with special emphasis on work that is quite recent It will introduce graduate students to the field and will provide the veteran scholar with current bibliography and discussion of the issues Topics treated include Jesus and Palestinian politics Jesus tradition in Paul Jesus in extracanonical Gospels and Jesus parables miracles death and resurrection The contributors are among the most widely recognized and respected Life of Jesus scholars They include Marcus J Borg James H Charlesworth James D G Dunn Sean Freyne Richard Horsley and Helmut Koester **The Historical Jesus in the Twentieth Century** Walter P. Weaver, 1999-07-01 Written in a clear and engaging style Weaver's story chronicles not only the progress of Jesus research but also the cultural drifts and sociological phenomena that relate to the varying pictures of Jesus that scholarship has produced *History of Jesus Christ* Leo Abbott, 2016-06-08 History of Jesus Christ the background history beyond the knowledge we have from the Bible Who is Jesus and where did he come from How did he live his life and ended knowing more about Jesus will provide you more insight on what is attached to this name Jesus *A History of the Quests for the Historical Jesus, Volume 2* Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the

evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources. A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward. The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject, assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical, sociological, and theological underpinnings. Instead of seeking a bedrock of facts, Brown stresses the role of hermeneutics in formulating questions and seeking answers. Colin Brown was almost finished with the manuscript at the time of his passing in 2019. Brought to its final form by Craig A. Evans, this book promises to become the definitive history and assessment of the quests for the historical Jesus. Volume One, sold separately, covers the period from the beginnings of Christianity to the end of World War II. Volume Two covers the period from the post-war era through contemporary debates.

Criteria for Authenticity in Historical-Jesus Research Stanley E. Porter, 2004-10-19. Historical Jesus research continues to captivate the interests of scholars, and recently there has been renewed discussion of the criteria for authenticity. The first half of this volume reviews the state of play in historical Jesus research and examines the criteria in particular. One chapter is devoted to the so-called Quests, and a second critically charts the development of the criteria in the light of form criticism. One of the conclusions of this part of the volume is that several criteria, especially those based on linguistics, need re-evaluation. The second half of the volume proposes three new criteria based upon use of the Greek language. These criteria are Greek language and its context, textual variance, and discourse features. The criteria are proposed as a way forward in historical Jesus research.

Finding the Historical Christ Paul Barnett, 2009-04-10. Paul Barnett's title *Finding the Historical Christ* is a calculated jab against the popular dichotomy between the Jesus of history and the Christ of faith. In this book, Barnett seeks to establish that the two figures are in fact one and the same. The culmination of Barnett's *After Jesus* trilogy, *Finding the Historical Christ* carefully examines the ancient sources pertaining to Jesus, including writings by historians hostile to the Christian movement: Josephus, Tacitus, Pliny, the summarized biographies of Jesus in the book of Acts, and especially the four canonical Gospels. Based on compelling historical evidence, Barnett maintains that Jesus of Nazareth regarded himself as the prophesied Christ, as did his disciples before Jesus died and rose again. This is the only way to explain the phenomenon of the early church worshipping Jesus. There is currently something of a revival of confidence in the historical value of the Gospels. Paul Barnett's work, notable for its sober use of historical method and its many fresh observations and proposals, is an excellent contribution to that development.

Richard Bauckham, University of St Andrews. Over his illustrious career, Paul Barnett has returned repeatedly to questions about the historical Jesus, the historicity of the Gospels, and the history of earliest Christianity. Drawing together scattered strands of all of that work, elaborating them further, and adding

still new ones Barnett here mounts what may be his most impressive case yet for the accuracy of the canonical material and the messiahship of Jesus of Nazareth on historical grounds alone Craig L Blomberg Denver Seminary The Historical Jesus James K. Beilby, Paul Rhodes Eddy, 2010-01-04 The Historical Jesus Five Views provides a venue for readers to sit in on a virtual seminar on the historical Jesus Beginning with a scene setting historical introduction by the editors prominent figures in the Jesus quest set forth their views and respond to their fellow scholars For both the classroom and personal study this is a book that fascinates probes and engages **The Historical Jesus** Gary R. Habermas, 1996 Rev ed of Ancient evidence for the life of Jesus Includes bibliographical references and index **The Historical Jesus in Context** Amy-Jill Levine, Dale C. Allison, John Dominic Crossan, 2009-01-10 This anthology presents a broad range of primary sources and expert commentary that contextualize the historical Jesus in his world This landmark volume places the gospel narratives in their full literary social and archaeological context More than twenty five internationally recognized experts offer new translations and descriptions of texts that shed new light on the Jesus of history including pagan prayers and private inscriptions miracle tales and martyrdoms parables and fables divorce decrees and imperial propaganda The translated materials from Christian Coptic and Jewish as well as Greek Roman and Egyptian texts extend beyond single phrases to encompass the full context thus allowing readers to locate Jesus in a broader cultural setting than is usually made available This book demonstrates that only by knowing the world in which Jesus lived and taught can we fully understand him his message and the spread of the Gospel Gathering material that was previously available only in disparate sources this formidable book provides innovative insight into matters no less grand than first century Jewish and Gentile life the composition of the Gospels and Jesus himself

40 Questions About the Historical Jesus C. Marvin Pate, 2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ's life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels *The YWCA Magazine*, 1913 *Association Monthly*, 1911 Theology as History and Hermeneutics Laurence W. Wood, 2005 This book offers in style and content an exciting new perspective on contemporary theology and its future in post modern times I welcome this new perspective The style is agreeable unpolemical and engages in dialogue with the best of Barth and Bultmann Ricoeur and Pannenberg Cobb and Moltmann showing what they have to offer to the larger theological community and transferring it like a ferry boat into the post modern age The purpose is to offer an evangelical theology which is at the same time genuinely evangelical and relevant for post modern ways of thinking Wood writes with

admirable clarity Jürgen Moltmann University of Tübingen *Beyond Indigenization: Christianity and Chinese History in a Global Context* Feiya Tao, 2022-11-28 The volume edited by Tao Feiya and featuring recent Chinese scholarly articles translated into English for the first time by Max L Bohnenkamp traces the history of Christianity in China and explores the dynamics of Christian practices in Chinese society Its twenty chapters written by Chinese scholars of the history of religion span the development of Christianity in China from the era of the Tang Dynasty to the twentieth century The four parts of the volume explore the Sinicization of Christian texts and thought the conflicts within China between Christianity and Chinese institutions relations between religious groups and societal and political issues beyond religion Taken together this volume places the practice of Christianity in China into the context of world history while investigating the particular and localized challenges of Christianity's spread in China **Jesus and Muhammad** F. E. Peters, 2010-11-11 Jesus and Muhammad are two of the best known and revered figures in history each with a billion or more global followers Now in this intriguing volume F E Peters offers a clear and compelling analysis of the parallel lives of Jesus and Muhammad the first such in depth comparison in print Like a detective Peters compiles dossiers of what we do and do not know about the lives and portraits of these towering figures drawing on the views of modern historians and the evidence of the Gospels and the Quran With erudition and wit the author nimbly leads the reader through drama and dogma to reveal surprising similarities between the two leaders and their messages Each had a public career as a semi successful preacher Both encountered opposition that threatened their lives and those of their followers Each left a body of teaching purported to be their very words with an urgent imperative that all must become believers in the face of the approaching apocalypse Both are symbols of hope on the one hand and of God's terrible judgment on the other They are bringers of peace and the sword There is however a fundamental difference Muslims revere Muhammad ibn Abdullah of Mecca as a mortal prophet Although known as a prophet in his day the Galilean Jew Jesus was and is believed by his followers to have been the promised Messiah indeed the son of God The Quran records revelations received by Muhammad as the messenger of God whereas the revelations of the Gospels focus on Jesus and the events of his life and death A lasting contribution to interfaith understanding Jesus and Muhammad offers lucid intelligent answers to questions that underlie some of the world's most intractable conflicts
