Jesus Stories For The Losers The Lost The Least:

Godawful Andre Papineau, 2004 Whether it's leaving home having children losing a parent or retiring we spend much of our lives passing through transitions and it is often very stressful to cope with changing circumstances as we feel lost confused and depressed sometimes even wondering Where is God in all of this But if we think of biblical journey stories such as the Prodigal Son or Jonah's journey to Nineveh as accounts of life transitions we can begin to understand the profound spirituality of our own transitions no matter how godawful the experiences may seem This enlightening book demonstrates how the hand of God yes even Godawful is at work in our everyday lives Each chapter includes helpful exercises and discussion questions making it an ideal individual or group study resource Andre Papineau writes about identity and authenticity with penetrating clarity He grounds the religious search and the human equation in our passion to be truthful The truth will make us free This book shows us how that is accomplished The sources used the stories told even the discussion questions are compelling Anthony T Padovano Distinguished Professor of American Literature Religious Studies Ramapo College Andre Papineau brings to this book his deep familiarity with the scriptures his knowledge of psychology and his common sense honed in a lifetime of experience With deep wisdom and perceptive insight he helps us understand better both important biblical passages and the transitions that occur in all our lives All pilgrim Christians can learn much from this book Charles E Curran Elizabeth Scurlock Professor of Human Values Southern Methodist University Andre Papineau is the maestro of the liminal emcee in the cabaret called Transition which is always open and whose customers are always edgy confused and desperate to get out It isn't simplistic psychobabble pabulum he offers here but hard good advice the kind grownups need in order to advance to the next grade Each of these chapters is a meditation on the strange and intermittently glorious thing called being alive Russell Shorto Author of Gospel Truth Once again Father Papineau has gifted us with a unique blend of theology psychology and biblical savvy He reminds the reader that life is a process and as such is a succession of transitions reflected in innumerable personal and collective stories Using this as a central template he takes the reader deep into the exegetical and imaginative core of several critical biblical events This is a book of inclusive theology in understandable and relevant story form Frederick R Gustafson Editor of The Moonlit Path Reflections on the Dark Feminine Andre Papineau is a Salvatorian priest and associate professor of pastoral studies at Sacred Heart School of Theology in Franklin Wisconsin A frequent lecturer on life stages and the co founder of the C G Jung Center in Milwaukee Father Papineau is the author of ten previous books including Lightly Goes The Good News CSS and is a member of The Abraham Group www.abrahamgroup.com He holds degrees in theology and drama from Catholic University and the University of Notre Dame Jesus Stories for the Losers, the Lost, and the Least Andre Papineau, 2001 **Essential Eschatology** John E. Phelan Jr., 2013-11-01 Study of eschatology often gets bogged down in minutiae that rarely seems to affect daily life Avoiding this trap John Phelan gets to the heart of the matter by examining how Christian hope and practice

of resurrection impact everything Lost Christianities Bart D. Ehrman,2005 Focusing on key historical texts a biblical authority offers a revealing look at the early church and the intense struggle to form the canon of the New Testament 11 halftones American Book Publishing Record ,2002 **Kingdom, Grace, Judgment** Robert Farrar Capon,2002-03-11 Here in one volume is Robert Farrar Capon s widely praised trilogy on Jesus parables The Parables of the Kingdom The Parables of Grace and The Parables of Judgment These studies offer a fresh adventurous look at all of Jesus parables treated according to their major themes With the same authorial flair and daring insight that have earned him a wide readership Capon admirably bridges the gap between the biblical world and our own making clear both the original meaning of the parables and their continuing relevance today **A Life Lived and Laid Down for Friends** Don Erickson,2019-08-06 A Life Lived and Laid Down for Friends reflects on the iconoclastic life and ministry of Jesus of Nazareth From the riches in the rags story of the nativity to his compassion moved sacrifice to save his disciples this book reflects on Jesus as first and foremost a spiritual teacher who embodied compassion Pastor and author Don Erickson shows how the humility embodied by society s most vulnerable was for Jesus the benchmark for inclusion in God s kingdom The book also looks at Jesus approach to religious pluralism a reality he experienced in ancient Palestine under Roman rule It was an approach that evidenced Jesus pointing to expressions of compassion rather than to mere faith In addition the book examines the story of Jesus crucifixion and resurrection offering a view that both asserts the centrality of the passion and bases it in historical context that avoids universalizing the story away The crucifixion itself is shown to be a portrait of embodied representative compassion that is salvific in its reach Inspired by the powerful teachings of liberation theology as well as a Buddhist influenced approach to the Gospels A Life Lived and Laid Down for Friends gives a fresh poignant portrait of Jesus that defies Trump America s resistance to Jesus radically compassionate life and teaching **Luke** Mary H. Schertz,2023-06-27 Luke is a gospel of joy amazement and warmth From the jubilant birth narrative and Magnificat at the beginning to the wonder of the ascension at the end Luke offers a matchless portrait of Jesus Christ of Nazareth and those who followed him In the 36th volume in the Believers Church Bible Commentary series New Testament scholar Mary H Schertz helps readers inhabit the pages of the third gospel replete with parables and paradoxes and ministries of mercy In vibrant writing and with careful exegesis Schertz invites readers to investigate for themselves the surprise light and awe of the kingdom of God in which people find healing the marginalized find welcome and the poor find flourishing Schertz traces the motifs of holy warrior and suffering servant that confronted every first century Jew including Jesus and that still shape the church today Through it all Luke demonstrates both the cost of the kingdom and the exuberance of a life lived in loyalty to Jesus and the strength of the Spirit About the Believers Church Bible Commentary series This readable commentary series is for all who seek more fully to understand the original message of Scripture and its meaning for today Sunday school teachers members of Bible study groups students pastors and other seekers From the Series Forward **Bible Stories for Strong Stomachs** Barry Lee Callen,2017-01-11

Intriguing and eye opening interpretations of the most scandalous Bible stories that are puzzling and even shocking maybe not even worthy of being in the Bible A serious and sometimes whimsical taking of readers into the most awkward and even repulsive biblical narratives to find answers to the difficult questions facing believers today Here is an outstanding resource for young adults Sunday school classes and quest groups that will provoke real conversations about the Bible and how the faithful should be living their lives These twenty eight Bible stories strictly for adults would make great sermon material for the pastor who has the courage and wisdom to try They surely are in the Bible for some important reason You are warned to approach with caution *Everything Must Change* Brian D. McLaren,2009-08-31 How can the life and teachings of Jesus impact the most critical global problems in our world today For the last twenty years Brian McLaren has been unable to escape this life shaping question In *Everything Must Change* he unveils a fresh and provocative vision of Jesus and his teachings and how his message of hope can ignite purpose and passion to change the economic environmental military political and social crises that have overtaken our world The Good News is more than a ticket to heaven It is an invitation to personal change and a radical challenge for global transformation Imagine what would happen if we believed that God s will really could be done on earth and not just in heaven if the world s leading nations spent less on weapons and more on making peace alleviating poverty and caring for creation if a renewed understanding of Jesus and his message sparked a profound spiritual awakening in a global movement of faith hope and love If you are hungry for a fresh vision of what it means to be a person of faith *Everything Must Change* shows what would happen when Jesus Good News collides with a world in need

The Lost Religion of Jesus Keith Akers,2000 Jesus preaching was first and foremost about simple living pacifism and vegetarianism he never intended to create a new religion separate from Judaism Moreover Jesus radical Jewish ethics rather than a new theology distinguished him and his followers from other Jews It was the earliest followers of Jesus the Jewish Christians who understood Jesus better than any of the gentile Christian groups which are the spiritual ancestors of modern Protestant Catholic and Orthodox churches In this detailed and accessible study Keith Akers uncovers the history of Jewish Christianity from its origins in the Essenes and John the Baptist through Jesus until its disappearance into Islamic mysticism sometime in the seventh or eighth century Akers argues that only by really understanding this mysterious and much misunderstood strand of early Christianity can we get to the heart of the radical message of Jesus of Nazareth *Books In Print* 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 **Forthcoming Books** Rose Arny,2001 *The Twenty-Piece Shuffle* Greg Paul,2010-01-01 In the dark corners of the inner city the most destitute people in society are searching for anything to numb their hurting souls And there are some who display the most extreme mix of need and anticipation the twenty piece shuffle a jittery walk marked by wide eyed desperation named after the street tag for a piece of crack cocaine But the addiction to whatever will numb a troubled spirit is not confined to the streets Suffering is not bound by social class and pain is not held at bay by white picket fences In a wealthy society that equates money with happiness we often remain

unaware of our own addictions the things we chase to sooth our spirits And while our need may not be as visible it is no less real Greg Paul believes that the rich the impoverished and everyone in between can learn much from each other if they re willing to walk together Join Greg as he takes a look at a remarkable paradox where the poor can miss their blessedness while the wealthy overlook their own desperate needs and reveals why God has always called the wealthy and powerful to care for people who are poor or excluded

Love Lost in Translation K. Renato Lings,2013 Love Lost in Translation systematically examines the biblical stories and passages that are generally assumed to deal with or comment on homoerotic relationships Noah and Ham Sodom and Gomorrah Leviticus 18 22 Deuteronomy 23 17 18 Judges 19 Romans 1 26 27 and 1 Corinthians 6 9 K Renato Lings convincingly demonstrates that mistranslations of these texts into Greek Latin and other languages occurred early and that serious errors continue to be committed by translators today This explains the painful controversy about same sex relationships which has rocked Christian churches for decades

Pursuing Paul J Hand,2015-03-27 Paul was a most unlikely person to be caught up in a criminal conspiracy between a high ranking Roman official and an evil greed corrupted Hebrew priest These things happened at a time when history would twist and pivot in the ultimate clash between good and evil Paul was spun out on the other side as the great proponent of the new covenant You may think you know him and his times but pursue Paul from this perspective and you will see things you know but dont know you know them There is more to the Bible than theological nuggets Shifts in behavior motives opportunity and clues found in casual statements expose a concealed conspiracy The places are people are real Pursue Paul from this way to be entertained and enlightened Buckle up the most credible witness in history saw it and called it for what it was From the perspective of a criminal investigator intelligence analyst and judge you are invited to pursue Paul

Christ Among the Classes Tizon, Al,2023-05-04 An examination of how Jesus addressed inequality between rich and poor and implications for Christian practice today

The Resurrection of Jesus Michael R Licona,2020-05-21 The question of the historicity of Jesus resurrection has been repeatedly probed investigated and debated And the results have varied widely Perhaps some now regard this issue as the burned over district of New Testament scholarship Could there be any new and promising approach to this problem Yes answers Michael Licona And he convincingly points us to a significant deficiency in approaching this question our historiographical orientation and practice So he opens this study with an extensive consideration of historiography and the particular problem of investigating claims of miracles This alone is a valuable contribution But then Licona carefully applies his principles and methods to the question of Jesus resurrection In addition to determining and working from the most reliable sources and bedrock historical evidence Licona critically weighs other prominent hypotheses His own argument is a challenging and closely argued case for the historicity of the resurrection of Jesus the Christ Any future approaches to dealing with this prize puzzle of New Testament study will need to be routed through The Resurrection of Jesus
